The Bipot bet

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win or come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

BETTING MADE EASY!

Costs:

Straight line = R1 (take six times)

Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

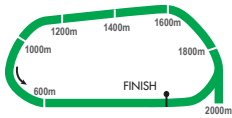

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

The Exakta bet

BETTING MADE EASY!

What is it? To win an Exakta you have to predict two horses to finish first and second in the exact order.

Why would I take one? There are 2 horses in the race that you really fancy. You could take them as a Swinger - lower risk but also invariably a lower dividend. So you opt for the Exakta - harder to win than the Swinger, but will pay more if you do!

What's it cost? Your 2-horse 'straight line' Exakta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can also 'box'* your 2 horses, or more than 2 horses. This will cost you:

2 horses 'straight line' = R1 (take 6 times)

2 horses 'boxed' = R2 (take 3 times)

3 horses 'boxed' = R6

4 horses 'boxed' = R12

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take an Exakta on. For a simple 'straight line' Exakta, give your horse number for 'first' followed by your horse number for 'second'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating how many times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

4 FOX ON THE RUN finished his race off beautifully on debut behind Gold Giboski, he was green early, and he stayed on strongly to finish second, there is absolutely no doubt that he will improve quite a bit going into his second run on Wednesday, from a neat draw, he will be very hard to beat here. 1 OBJET D'ART ran a lovely race last time at Hollywoodbets Durbanville, he stayed on nicely for second behind Demanding Dave, he has a good draw, and he is improving, he will be right there in the finish. 7 FAST TRAIN stayed on well for fifth on debut, he was only beaten just over five lengths at the line, he will be running on strongly late, include him into all bets. 11 SOMMERSTERN will need lots of luck in running from a wide draw, he has run two decent races in succession, if the gaps open at the right time, he could sneak into the Quartet at a decent price. PREVIEW

3 MADRA RUA has been rested for 170 days, he found lots of betting support on debut when he finished just over five lengths behind Happy Verse up the straight at Hollywoodbets Kenilworth, he is a lovely colt that will improve nicely with racing, if he doesn't need the run badly on Wednesday, he will go very close to winning from a good draw. 4 FREEDOM FIGHTER has been rested for 165 days, he stayed on well for second on debut behind Intensity at Hollywoodbets Greyville, he shortened quite a bit in the market as well, if he has made the necessary improvement and he handles the track of Hollywoodbets Durbanville, he will be competitive. 6 SLIVER OF SUNSHINE caught the eye late on debut behind Siriano, he flashed up to run fourth and was only beaten just over three lengths at the line, he should improve, include him into all bets. 10 UMZINGELI WENYATHI has been rested and gelded, he is very consistent, it will be his first run in the Western Cape at Hollywoodbets Durbanville, watch him closely, he is a nice horse that will keep improving. (Brandon Bailey: 3 - 4 - 6 - 10)

The Jackpot bet

BETTING MADE EASY!

What is it? In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

Why would I take one? Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

What's it cost? Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:
Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R16
Easy permutation: 3 horses in each leg = R81

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule...Does not apply to the Jackpot.
Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

RESULT:									
PREVIEW									
1 VIVA LA VIDA has been rested for 63 days, she won a cracking race last time at Hollywoodbets Kenilworth, it got very tight for her up the straight, and she still managed to win well, there is no doubt that she is talented, if she doesn't need the run on Wednesday, she will go very close to winning again from a neat draw. 6 WANDER DUNE could be anything, she is extremely well-bred, she ran a great race behind Girl Like Us on the 30th of August over 1250m at Hollywoodbets Durbanville, she will love the step up in trip to 1500m, with some luck in running, she will go close to winning. 3 BERRY'S BOOGIE has been rested for 263 days, she is much better than her recent performance behind I'm So Pritti in the Listed Olympic Duel Stakes on the 25th of January, if she enjoys the step up in trip and she doesn't need her run back from a long break, she could certainly make her presence felt from a nice draw. 7 DIAMOND BOMBER ran a fair race last time, she stayed on strongly for fourth behind Stormwatch on the 7th of September, she has no weight on her back for this race, she could sneak into the Quartet at a big price. PREVIEW													
7 AVIGNON showed plenty speed to win a great race at Hollywoodbets Kenilworth on the 21st of May, he has been rested for 147 days, if the apprentice can bounce him out the gates and get him into a good position early from a tricky draw, he could certainly win again.													
1 EASY LIVING must have a good each way chance from a neat draw, she ran fifth last time behind Country Time on the 3rd of September, she has dropped even further in the ratings, and she gets 2.5kgs off the back from the apprentice claim, she could be right there in the finish at a nice price. 4 WINTERONTHEGREEN has been rested for 120 days, she has run two fair races in succession up the straight at Hollywoodbets Kenilworth, if she doesn't need the run on Wednesday, she could easily trouble them late. 9 COUNTRY TIME will need lots of luck in running from a wide draw, she was disappointing from a wide draw last time at Hollywoodbets Durbanville on the 27th of September, if the race works out for her, she always has a winning chance at this level. (Brandon Bailey: 7 - 1 - 4 - 9)

4 KAIBOY has been rested for 97 days, he is a talented sprinter with tons of ability, he quickened up in devastating style to win well on the 10th of July at Hollywoodbets Kenilworth, even though he has gone up in the ratings, he gets 4kgs off the back from the apprentice claim, and he has a nice draw, he will go close to winning. 7 ARCTIC WIZARD won a terrific race after gelding at Hollywoodbets Durbanville on the 13th of September, the yard thinks highly of this individual, he was given five points for his impressive victory, if he can beat the draw, he will have a good winning chance. 5 MAI SENSATION has been rested for 102 days, she is a classy filly with tons of ability, she had a successful KwaZulu-Natal campaign, if she is anywhere near ready to full fitness after a lengthy break, she can win a race like this quite easily. 8 DEAN STREET is as honest as they come, he never runs a bad race, and he tries hard, he finished a good second behind Arctic Wizard on the 13th of September, if he can beat the tricky draw here, he could certainly finish in the money. PREVIEW							
4 DU MAURIER finished like a train for second behind Country Time at Hollywoodbets Durbanville on the 3rd of September, she has a good start for this race, and she gets 2,5kgs off the back from the apprentice claim, she will be just in behind the speed early, and she will be low flying late, if the race works out for her, she will be tough to beat. 6 EASY MONEY is so consistent, she stayed on well for second behind Miss New York on the 22nd of September, she is gutsy, and she tries hard, she must have a good each way chance again. 3 MISS NEW YORK won a terrific race last time, she flew home to win by just under one length, she was given three points for that victory, the apprentice takes off 4kgs, from a neat draw, she will go close to winning again. 7 QUEEN REGENT got her head down at exactly the right time to win a good race on the 9th of September, the form of that race has worked out well, she is still improving, with some luck in running from a tricky draw on Wednesday, she will be competitive out of the maidens. (Brandon Bailey: 4 - 6 - 3 - 7)

PREVIEW

6 FESTIVAL CHIC ran a great race in the Grade 3 Diana Stakes on the 27th of September, she finished just under three lengths behind She's My World, she is a decent filly with lots of potential, now that she drops back in trip, she must have a good winning chance. 2 ARTISTE has been rested for 111 days, her last two runs in Johannesburg have been very good, if she doesn't need the run back from a break, she will be right there in the finish from a good draw. 7 PAPILLON BLUE had absolutely no luck last time, she ran a great race behind Arctic Wizard at Hollywoodbets Durbanville on the 13th of September, she would have needed that run as well from a small break, if the race works out for her on Wednesday, she could certainly make them all work for victory. 10 NORDIC QUEST will need lots of luck in running from a bad draw, she has been rested for 63 days, she ran a good race behind Elusive Winter on the 13th of August, she was doing some good work late for third, watch her closely, she will be running on strongly. (Brandon Bailey: 6 - 2 - 7 - 10)

The Trifecta bet

BETTING MADE EASY!

What is it? To Win a Trifecta, you have to predict the first 3 horses past the post in the exact order.

Why would I take one? All indicators are that there are 3 outstanding horses in the race. You could take the 3 as a boxed Swinger, but the Trifecta dividend invariably pays out much more than all three individual Swinger dividends combined! More risk, more reward!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Trifecta on. For a simple 'straight line' Trifecta, give your horse number for 'first' followed by your horse numbers for 'second' and for 'third'. If you're boxing, simply call your numbers and specify that you want them

boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

What's it cost? Your 3-horse 'straight line' Trifecta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 3 horses, or more than 3 horses.

3 horses 'straight line' = R1 (take 6 times)

3 horses 'boxed' = R6

4 horses 'boxed' = R24

5 horses 'boxed' = R60

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW					
6 GIMMIE RULES flashed up to run a super race behind What A Fortune on the 22nd of September at Hollywoodbets Durbanville, he had no luck up the straight and still managed to finish just under three lengths behind the winner, he is a serious colt with tons of ability, from a neat draw, he will be hard to beat. 9 CHURCHILLIAN has been rested and gelded, he is a lovely horse with a great action, the yard thinks highly of this individual, he stayed on well for third behind Escarpment on the 15th of July at Hollywoodbets Kenilworth, if he doesn't need the run badly after a long break, he will go close in the finish. 10 OCTOBER STORM tried really hard last time, he ran a great race for second behind Steadfast in a driving finish, he is a quality colt that keeps improving with every run, if he can beat the draw, he will run a top race again. 7 SPIRIT stayed on well for fourth behind Major Master on the 9th of September, he was only beaten just under two lengths in a warm race, he should love the drop in trip, and he has no weight on his back, watch him closely at a decent price. (Brandon Bailey: 6 - 9 - 10 - 7)
