HOW TO BET

DIFFERENT TYPES OF BETS

WIN

You're choosing the horse you think will **WIN** the race.

EXACTA

You're choosing the horses you think will finish 1st and 2nd in **EXACT** order.

SWINGER

You're choosing two horses to finish either 1st, 2nd, or 3rd – both horses must end up in the **TOP THREE**.

QUARTET

You're choosing four horses (or more!) to finish in the top 4. If you choose the **BOX** option, the order they finish won't matter, as long as they're in the top 4.

JACKPOT

The jackpot is made up of 4 pre-selected races, and you must pick the winner in each **correctly to win.****
(you can pick more than 1).

PICK 6

To win the Pick 6 you need to correctly select the winners of **6 pre-selected races on the day.****
(the simplest way to bet on this is to choose 2 horses per race)

**** Check the info boxes next to each race in the race card to see whether the race is part of a Jackpot, Pick 6 etc.**

HOW TO PLACE YOUR BET

This is the NB info you need to include:

Race course

Bet type

Race number

Amount of your bet

Horse number

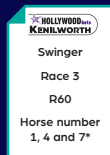

*Note, NOT betting advice, for example only

HOW MUCH DOES A BET COST?

Just a R6 minimum!
(R2 minimum for a Swinger)

HOW DO PAYOUTS WORK?

Have you won!? Take your winning betslip to a Tote counter and the operator will scan it through the terminal – the winnings will be calculated based on the odds and pool of that race.

IMPORTANT TO REMEMBER

You have until the start of the race (or group of races) to get your bets in.

ALWAYS CHECK YOUR TICKET BEFORE LEAVING THE COUNTER TO MAKE SURE IT'S CORRECT.

PREVIEW

10 FOLLOW YOUR HEART ran a lovely race on debut when finishing second behind Spacebound, he is a beautiful looking colt that will improve quite a bit in his second start, he will be hard to beat here. 2 CAPTAIN JON SNOW stayed on well for second behind Winter Snap on the 18th of January, he will keep improving with every run, include this colt into all bets. 5 NORTH POINT changed stables on the 7th of March, he was only beaten just over two lengths in his last start, he looks like the type that will get better with racing, on his best form, he should be in the places. 3 SLENDER SILHOUETTE was very green on debut behind Military Command, she is a well-bred filly that should improve here, watch her closely. (Brandon Bailey: 10 - 2 - 5 - 3)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

2 MILITARY COMMAND quickened up like a smart sort in the making when winning his maiden by just over two lengths on the 26th of February, he will love the step up in trip to 1200m, he should go very close in this competitive race. 3 DREAMWORLD won his debut exceptionally well on the 15th of February at Hollywoodbets Kenilworth, he arrived at the course with a massive reputation and delivered in good style, there is no doubt he will be right there in the finish. 11 BLACK CHEETAH comes back to the races from a small break of 71 days, he has won two very good races in succession, the yard thinks highly of this individual, he must go into all bets. 4 MALMESBURY MISSILE changed stables on the 25th of February, he fought hard to win a good race last time, he should be running on strongly late. (Brandon Bailey: 2 - 3 - 11 - 4)

PREVIEW

3 RATTLESNAKE unfortunately lost his race in the boardroom last time, his recent form is really good, he loves the 1000m trip up the straight at Hollywoodbets Kenilworth, he must have a good winning chance here. 2 NIGHT TIGER ran a fair race on the 15th of February behind Empire State, on his best form at this level, he could certainly be very dangerous in the finish. 5 TOUGH TERRAIN carries a massive weight on his back for this race on Sunday, he ran a lovely race last time behind Bluff On Bluff, if the race works out for him and he gets some cover early, he will be flying at the finish, watch him closely. 9 GO IT ALONE ran a much-improved race on the 8th of February behind Un Bel Di, unfortunately he was penalised three points for running third, despite the negative, if he can build on that last performance, he could be some value in this tricky race. (Brandon Bailey: 3 - 2 - 5 - 9)

The Place bet

BETTING MADE EASY!

What is it? To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

Why would I take one? You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

What's it cost? A Place bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets),...but you will get paid out 6 times the

dividend if you win: 1horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

3 FIRST MASTERPIECE quickened up smartly to win going away in her last start on the 26th of February, her last two wins in succession have been impressive, she absolutely loves the sprint trips up the straight at Hollywoodbets Kenilworth, even though she has gone up in the ratings, she must have a good winning chance again. 4 MAI SENSATION disappointed last time in the Listed Olympic Duel Stakes, she is much better than that performance, if she can build on that bad run, she could easily bounce back and be competitive here at a good price. 9 BABELICIOUS ran a lovely race behind her stable companion on the 11th of February, her form is good with the blinkers on, she must be respected. 5 BLUE HOLLY has done nothing wrong of late, she has been nice and consistent, she likes to race up on speed, include her into all bets. (Brandon Bailey: 3 - 4 - 9 - 5)

The Pick 6 bet

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R64
Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting.e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6...If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totallisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

2 TENANGO ran on powerfully to win a super race on the 8th of February, he looks to be a smart sprinter in the making, this race is undoubtedly his toughest test to date, but he looks talented and should go very close to winning again. 6 LION RAMPART has been rested and gelded, he was very disappointing in the Winchester Sprint Cup last time, but a nice horse with lots of quality, if he doesn't need the run badly, he will be right there in the finish. 3 FUTURE VARIETY had absolutely no luck in his last start, he has run with lots of credit against some of the best sprinters in the land, this looks to be a nice race for him to go close. 4 UN BEL DI won well on the 8th of February, his form is good, he is still improving and can sneak into the places with no weight on his back. (Brandon Bailey: 2 - 6 - 3 - 4)

Khaya Stables is proud to announce its ongoing support of Grooms by adding cash incentives for the feature season.

Grooms in the top 5 positions of all feature races will receive cash prizes. These awards are poised to also acknowledge and applaud the pivotal role Grooms play in the sport and racing community.

We would like to acknowledge Khaya Stables for their continued support of Cape Racing and our grooms, the Unsung Heroes of the sport.

CONGRATULATIONS

PREVIEW

4 AHEAD OF THE FACTS quickened up from a long way back to win his maiden in style on the 5th of February, he will love the step up in trip to 2200m, there is no doubt he will have a big winning chance in this race. 3 UNFUL A won his maiden well enough on the 26th of February, he looks like the type that will improve with every start, he should be staying on strongly late over this trip, include him into all bets. 7 ALADDIN'S LAMP ran a fair race behind My Bestie last time, he likes to race up on speed and then he grinds hard all the way to the line, on his best form, he could sneak into the places. 2 REPETITION ran a great race out of the maidens in his last start, he is still improving and he stays well, he could earn for the connections from a good draw. (Brandon Bailey: 4 - 3 - 7 - 2)

PREVIEW

4 TRIPLE TIME stayed on well late in the Grade 3 event on the 25th of January, even though he carries top weight for this Listed race, he is a quality stayer and should go very close to winning with champion jockey Richard Fourie in the saddle. 5 HOLDING THUMBS never runs a bad race, he is as consistent as they come, jockey Sean Veale knows him well, there is no doubt he will have a serious winning chance on his best form. 1 NEBRAAS returned to form nicely on the 15th of February, even though he is eight years old, he stays well and should run a big race from a good draw. 3 BOMBERS IN THE SKY carries no weight on his back on Sunday afternoon, even though he will need to improve quite a bit to win a race like this, he is nowhere near the finished article, he could sneak into the places. (Brandon Bailey: 4 - 5 - 1 - 3)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

RESULT:

PREVIEW

2 ONE STRIPE comes back to the races from a small break of 71 days, his last win in the Grade 1 King's Plate was nothing short of breath taking, he is a real super star and should win this race quite easily. 3 THE GREY KING ran a lovely race on the 25th of January behind his stable companion Let It Be Said, the form of that race has worked out well, Jockey Craig Zackey knows him well, he will be chasing hard. 8 ALL OUT FOR SIX ran a fair race in a strong field last time, he is a strong front runner on his day, there is no doubt he will be in it for a long way, include him into the places. 7 GREAT PLAINS has been rested for 71 days, he is much better than his last run, he should be stalking the speed and running on strongly late. (Brandon Bailey: 2 - 3 - 8 - 7)

The Exacta bet

BETTING MADE EASY!

What is it? To win an Exacta you have to predict two horses to finish first and second in the exact order.

Why would I take one? There are 2 horses in the race that you really fancy. You could take them as a Swinger - lower risk but also invariably a lower dividend. So you opt for the Exacta - harder to win than the Swinger, but will pay more if you do!

What's it cost? Your 2-horse 'straight line' Exacta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can also 'box' your 2 horses, or more than 2 horses. This will cost you:

- 2 horses 'straight line' = R1 (take 6 times)
- 2 horses 'boxed' = R2 (take 3 times)
- 3 horses 'boxed' = R6
- 4 horses 'boxed' = R12

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take an Exacta on. For a simple 'straight line' Exacta, give your horse number for 'first' followed by your horse number for 'second'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating how many times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

9 MEU CAPITANO made up good ground late behind The Real Prince on the 22nd of February, unfortunately he has drawn wide again on Sunday for this race, but he will be switched off early and should be low flying late, with the right run in transit, he will be hard to beat. 7 GALIC DREAM was given a great ride by Gavin Lerena on the 22nd of February, he quickened well and won impressively, with no weight on his back here, he will be a massive threat to all of them in the finish. 6 PROMETTERE barged his way through to win exceptionally well on the 18th of January, he was given seven points for that victory which means life will be tough for him now, but if he runs a similar race again on Sunday, he should be competitive. 2 BILLY BOWLEGS should be cherry ripe for this race, from a good draw, he must be respected. (Brandon Bailey: 9 - 7 - 6 - 2)

The Swinger[®] bet

BETTING MADE EASY!

What is it? To win a Swinger, you have to predict 2 horses that finish either first and second, or first and third, or second and third - and there is a dividend for each of these outcomes.

Why would I take one? Because you fancy 2 horses that you think can at least place - and you've calculated that the Swinger dividend on your chosen horses will pay more than the individual Place dividends combined. (TV monitors display progressive Swinger dividends.)

What's it cost? A Swinger bet on your horses will cost you R1 - but the minimum bet for a Swinger is R2. (All other horseracing bet types have a R6 minimum bet.) To increase your chances of winning, you can 'box' more than 2

horses, and the cost rises like this:

2 horses = R1 (take twice to comply with R2 minimum)

3 horses = R3

4 horses = R6

5 horses = R10

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Swinger on. Then give your chosen horse numbers, and the number of times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

END RACE

RESULT:				
PREVIEW				
6 GREEN GARNET showed massive heart to win well last time, he went to the front and fought all the way to the line, he was given three points for that victory, from a decent draw, he should remain competitive in this tricky race. 1 INDUSTRIALSTRENGTH has been rested for 88 days, he ran a much better race last time on the 18th of December, he has tons of ability this individual, from a good draw, he must be included into all bets. 9 BOOGIFIED ran a great second behind Please Be True on the 11th of February, with a similar performance in this race, he would have a massive winning chance. 7 HONOR OF KINGS ran well out the maidens last time, he looks progressive and must be respected. This looks to be one of the most difficult races on the card, you will need to go wide. (Brandon Bailey: 6 - 1 - 9 - 7)				

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

The Win bet

What is it? You must predict the first horse past the post – that's it!

Why would I take one? You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

What's it cost? A Win bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win : 1horse = R1 (take 6 times)

BETTING MADE EASY!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.
