The Bipot bet

BETTING MADE EASY!

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win or come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over seven consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line = R1 (take six times)

Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

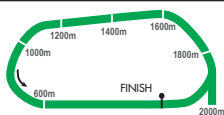

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

Permutations

BETTING MADE EASY!

How to calculate the cost...

A lady is about to dress for a day at the races, and she's fretting. What should she wear? Finally, she shortlists her options down to: 2 dresses, 7 pairs of shoes, 3 hats, and 5 handbags. This is a real help, because now she only has 210 possible ways to mix 'n match. She may even make it to the track on time for the main race!

210? How did we get that number?

Simply by multiplying

2 (dresses) x 7 (shoes) x 3 (hats) x 5 (bags).

Result = 210.

Calculate your Permutations the same way - count the number of selections you've made in each leg, and multiply to get the total combinations.

Here's a Jackpot example:

LEG 1	LEG 2	LEG 3	LEG 4
5	2	8	4
9	3	10	7
	5	13	9
	7		10
	10		15
	11		
	14		

$$2 \times 7 \times 3 \times 5 = 210 \times R1 = R210$$

Explanation: This Permutation results in 210 different straight line combinations.

The **Exacta** bet

BETTING MADE EASY!

What is it? To win an Exacta you have to predict two horses to finish first and second in the exact order.

Why would I take one? There are 2 horses in the race that you really fancy. You could take them as a Swinger - lower risk but also invariably a lower dividend. So you opt for the Exacta - harder to win than the Swinger, but will pay more if you do!

What's it cost? Your 2-horse 'straight line' Exacta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can also 'box'* your 2 horses, or more than 2 horses. This will cost you:

- 2 horses 'straight line' = R1 (take 6 times)
- 2 horses 'boxed' = R2 (take 3 times)
- 3 horses 'boxed' = R6
- 4 horses 'boxed' = R12

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take an Exacta on. For a simple 'straight line' Exacta, give your horse number for 'first' followed by your horse number for 'second'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating how many times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

1 BIG DEAL must have a good winning chance in this field, he has run two excellent races in succession, he should be able to get the run of the race from a neat barrier draw, on his best form, he will be right there in the finish. 5 BEHAVE HARRIS ran third in the same race as Big Deal on the 21st of December behind Influence, the yard is in great form at the moment, if this gelding brings his last two runs to the track on Saturday, he will be hard to beat. 9 RED WAVE never runs a bad race, he is very consistent, if he gets some luck in running from a tricky draw, he will be competitive. 4 CARDINAL POINT caught the eye on debut when staying on well for fourth behind Rockanrollin, with natural improvement expected from this gelding, he will go close. (Brandon Bailey: 1 - 5 - 9 - 4)

The Place bet

BETTING MADE EASY!

What is it? To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

Why would I take one? You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

What's it cost? A Place bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)....but you will get paid out 6 times the

dividend if you win: 1horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

1 VOLEGOV ran a nice race for fourth behind Influence on the 21st of December, he will love the step up in trip to 1400m, from a neat draw, he must have a big winning chance in this open maiden event. 5 PRINCE OF EGYPT has been rested and gelded, he stayed on well for fourth behind Objet D'Art on the 8th of November at Hollywoodbets Kenilworth, on his best form, he can definitely trouble them in the finish. 8 MEET THE KING is much better than his most recent start, ignore that run completely, now that he is back at Hollywoodbets Durbanville, he can improve, watch him closely at a fair price. 11 BLIZZARDBOY was beaten just over two lengths by Backintheastlane on the 4th of January, unfortunately the wide draw here will make it tough for him, if he gets some luck in running, he should be able to sneak into the places. (Brandon Bailey: 1 - 5 - 8 - 11)

The Jackpot bet

BETTING MADE EASY!

What is it? In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

Why would I take one? Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

What's it cost? Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:
Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R16
Easy permutation: 3 horses in each leg = R81

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule...Does not apply to the Jackpot.
Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

RESULT:					
---------	--	--	--	--	--

PREVIEW

4 SOUTH OF FRANCE will take lots of beating, she ran a great race for third behind Silver Salute on the 24th of December, the drop in trip to 1400m is key for this filly, and the blinkers have been fitted, she will be hard to beat from a good draw. 10 GQEBERHA ran a cracker on debut, she finished second behind Mailibu Blitz on the 24th of December, the wide draw will make life difficult for her, but she will love the step up in trip, include her into all bets. 12 IONA CASTLE never runs a bad race, she is very consistent, if she gets some luck in running from a poor draw, she will be mighty competitive. 11 RED TAFFETY will need to improve on her last performance, she was beaten just under seven lengths by Kubu on the 17th of December, if she brings her run on the 10th of November to the races on Saturday, she could sneak into the places at a nice price. (Brandon Bailey: 4 - 10 - 12 - 11)

The Pick 6 bet

BETTING MADE EASY!

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R64
Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting.e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6...*If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.*

Scratchings: *There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.*

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

1 KELP FOREST quickened up beautifully to win a good race on the 10th of January, he was given three points for that win, if this race hasn't come too soon for him, he can definitely win again from a good draw. 6 ALL ABOUT AL stayed on well for third behind Palace Gift on the 24th of December, he is consistent and he tries hard, he will be right there in the finish again. 2 SOOTY is much better than his recent form, even though he wants a bit further than 1000m, he will be just off the speed early, and he will be running on powerfully, late, watch him at a big price. 3 FLYING SOUTH finished just over three lengths behind True Horizon on the 4th of January, she won her maiden here at Hollywoodbets Durbanville beating a nice filly (Kattekwaadkwadraad) on the 18th of October, she is speedy, and she has a good draw, she might be able to get into the places with jockey Muzi Yeni. (Brandon Bailey: 1 - 6 - 2 - 3)

END RACE

RESULT:							
PREVIEW							
<p>2 HUNGA TONGA finished just over four lengths behind Girl Magic on the 17th of December, she will get every chance in running from a neat draw, jockey Andrew Fortune knows this filly well, on her best form, she can win a race like this. 5 KUBU won her maiden well on the 17th of December, she quickened away from her field impressively, she can only improve with more racing, include her into all bets. 6 BOOZY SUSIE stayed on well for second behind Diamond Bomber on the 17th of December, she is a young filly that is still improving, there is no doubt that she has a winning chance in this field, her form is good. 4 HAMPSTEAD HEATH is better than her recent start behind Girl Magic, she has dropped even further in the ratings, if she brings her best form to the track on Saturday, she can win.</p> <p>(Brandon Bailey: 2 - 5 - 6 - 4)</p>							

The Swinger bet

BETTING MADE EASY!

What is it? To win a Swinger, you have to predict 2 horses that finish either first and second, or first and third, or second and third - and there is a dividend for each of these outcomes.

Why would I take one? Because you fancy 2 horses that you think can at least place – and you’ve calculated that the Swinger dividend on your chosen horses will pay more than the individual Place dividends combined. (TV monitors display progressive Swinger dividends.)

What’s it cost? A Swinger bet on your horses will cost you R1 – but the minimum bet for a Swinger is R2. (All other horseracing bet types have a R6 minimum bet.) To increase your chances of winning, you can ‘box’* more than 2

horses, and the cost rises like this:
2 horses = R1 (take twice to comply with R2 minimum)
3 horses = R3
4 horses = R6
5 horses = R10

How do I ask for it? You must tell the tote operator which venue you’re betting on and then which race number you wish to take a Swinger on. Then give your chosen horse numbers, and the number of times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

* ‘Box’ means to ‘scramble’ your selections so that all combinations are running for you. Each combination costs R1.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the “All Clear” is given.

COMMENT: Won well. More needed now

END RACE									
RESULT:									
PREVIEW									
5 GIN PALACE won her maiden in great fashion on the 26th of November at Hollywoodbets Kenilworth, she looks like the type that will keep improving with every start, jockey Andrew Fortune gets the ride on this well-bred filly on Saturday, she must have a big winning chance again. 7 SILVER SALUTE quickened up strongly to win a beautiful race on the 24th of December, she loved the step up in trip on that occasion, she will be just off the speed early, and she will be powering home late, include her into all bets. 1 LADY LOOK ALIKE ran a fair race for fourth behind True Horizon on the 4th of January, she will be cherry ripe for this race on Saturday, from a neat draw, she could be the value. 3 MONEY EXTRACTOR stayed on well for second behind Astronomical Boy on the 17th of December, if she can build on that performance, she will have a strong place chance. (Brandon Bailey: 5 - 7 - 1 - 3)									

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

The Quartet bet

BETTING MADE EASY!

What is it? To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

Why would I take one? You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

What's it cost? Your 4-horse 'straight line' Quartet will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 4 horses, or more.

4 horses 'straight line' = R1 (take 6 times)

4 horses 'boxed' = R24

5 horses 'boxed' = R120

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

RACE COAST

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

COMMENT: Better than last run. Bad draw															

END RACE															
RESULT:															

PREVIEW															
8 DEVIL A SAINT won a good race on the 24th of December, he was given three points for that win, he is in great form at the moment, if he gets some luck in running from a tricky draw, he can definitely win again. 5 CARRIACOU is much better than his recent run, he absolutely loves the 1400m trip, he will be doing some good work late, watch him closely. 11 IN A TIMELY MANNER stayed on well for second behind Ignite The Fire on the 3rd of December, the wide draw in this race won't make it easy for him, if he gets some luck early, he will be competitive. 3 SOMMERSTERN won impressively on the 3rd of December, he could be anything, he quickens well and he looks progressive, he can win again from a good draw. (Brandon Bailey: 8 - 5 - 11 - 3)

LOOKING OUT FOR THE FUTURE OF EX-RACEHORSES

Our Mission

-  Dedicated to the safe & secure future of ex-racehorses
-  Each horse assessed for temperament & ability
-  Holistic re-schooling focused on ground work with basic riding
-  Only when ready, advertise for re-homing via social media
-  Applicants obliged to work with chosen horse prior to adoption
-  Re-homing process includes property inspection of future home
-  Ongoing monitoring of each re-homed horse
-  Run by volunteers, funded by donors
-  Western Cape Equine Trust is a Public Benefit Organization & may provide Tax Certificates
