The Bipot bet

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win or come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

BETTING MADE EASY!

Costs:

Straight line = R1 (take six times)

Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

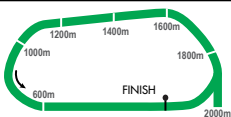

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

"Form" is information!

BETTING MADE EASY!

The basic theory of form is that a horse's past performances are a good indicator as to how well it will run in the future.

Your challenge, when studying form, is to answer the question:

"Given all this information, how will each horse perform today?"

The formline gives you literally hundreds of variables to ponder – and serious students of form are fascinated by all of it. To keep it simple, we suggest you stick to studying three main aspects to start with:

- 1. Finishing Position.** Has the horse won recently? Has it placed recently? Does it consistently run unplaced?
- 2. Lengths Behind.** When beaten, has the horse been well-beaten, or only narrowly-defeated?
- 3. Distance.** Has the horse competed over today's race distance – or reasonably similar distance – before? If so, how did it do?

You can find your form in the official racecard, several commercially published formguides, or in the newspapers.

The Jackpot bet BETTING MADE EASY!

What is it? In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

Why would I take one? Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

What's it cost? Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)

Easy permutation: 2 horses in each leg = R16

Easy permutation: 3 horses in each leg = R81

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule...Does not apply to the Jackpot.

Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

5 PANJANDRUM finally gets a decent draw at Hollywoodbets Durbanville, she stayed on really well for third last time behind Eisteddfod on the 27th of September, she is certainly improving with every start, she must have a good winning chance in this field. 10 HAZEL GREEN is as honest as they come, she never runs a bad race, she got pipped on the winning post by Elusive Gift on the 22nd of September, if she gets some luck in running from a poor draw, she will be right there in the finish. 2 BEAUTIFUL ONE has been disappointing, she finished just under five lengths behind Mighty Mary on the 7th of September, from a decent draw, she will get the run of the race, there should be no excuses for this filly, on her best form, she can win a race like this. 11 FANTINE will need lots of luck on debut from a bad draw, watch her closely in the parade ring and watch the market closely, she could sneak into the Quartet. (Brandon Bailey: 5 - 10 - 2 - 11)

The Quartet bet

BETTING MADE EASY!

What is it? To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

Why would I take one? You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

What's it cost? Your 4-horse 'straight line' Quartet will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 4 horses, or more.

4 horses 'straight line' = R1 (take 6 times)
4 horses 'boxed' = R24
5 horses 'boxed' = R120

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

1 TIME FOR LOVE needed her last run in the Listed Settlers Trophy on the 27th of September, she ran a lovely race behind Landothenisingsun, she has no weight on her back, and she has a good draw on Saturday, she will be very competitive here. 3 MAGIC VERSE has been rested for 105 days, he is a solid gelding with lots of potential, if he doesn't need the run badly, he will have a good winning chance. 5 UNDERWORLD must be respected in a big way, he needed his last run in the Grade 3 Matchem Stakes behind Questioning, on his best form, he could trouble them all in the finish. 4 THE FUTURIST will need to drop a few points in the ratings before he gets back to winning ways, he was only beaten six lengths in the Listed Settlers Trophy on the 27th of September, if he can build on that performance, he could sneak into the Quartet in this small field. (Brandon Bailey: 1 - 3 - 5 - 4)

PREVIEW

7 GOT THE LOOK ran a great race behind Reet Petite at Hollywoodbets Durbanville on the 9th of September, she jumped out the gates well and she kept fighting all the way to the line to finish second behind a smart filly, if she can bring that run to the track again, she will go close to winning. 1 DESTINY'S DREAM has been rested for 95 days, she ran a super race on debut behind her stable companion, she finished fifth behind Stormwatch and she was only beaten just over seven lengths, with natural improvement on the cards, from a good draw, she will trouble them all. 3 AUTUMN RUSH ran a much better race last time, she was beaten just over six lengths by Reet Petite in the same race as Got The Look, from a neat draw, she will have a good place chance in this field. 12 BOOZY SUSIE ran a fair race on debut from a wide draw on the 27th of September, she stayed on well to finish just under five lengths behind Calanque, if she can beat the poor draw, she will have a good each way chance. (Brandon Bailey: 7 - 1 - 3 - 12)

The Pick 6 bet

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

BETTING MADE EASY!

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R64
Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting.e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6...*If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.*

Scratchings: *There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.*

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed by GallopTV of race finishes is NOT the official race result until such time as the Judges post their findings and the "All Clear" is given.

PREVIEW

9 PITERAQ has been rested for 84 days, she improved nicely from her first run into her second run on the 26th of July at Hollywoodbets Kenilworth, she stayed on strongly for third behind Splash Of Colour on that occasion, the wide draw in this race on Saturday will make it difficult for her, but she is clearly improving and must be respected. 12 BLUE LAGOON ran a great race behind Calanque on the 27th of September, she was drawn wide and she stayed on well to finish just under five lengths behind the winner, she is a nice filly, if she gets some luck in running from a wide draw again, she will go close to winning. 3 WYZE DECLARATION ran a much better race behind Queen Regent on the 9th of September, she ran fourth and she was beaten just under five lengths at the line, if she can build on that performance from a good draw, she could finish amongst the places. 2 PENNYS CHOICE ran a fair race behind Marketa on the 3rd of September, on her best form, she could certainly finish in the Quartet. Watch the first timers closely in this tricky race.
(Brandon Bailey: 9 - 12 - 3 - 2)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed by GallopTV of race finishes is NOT the official race result until such time as the Judges post their findings and the "All Clear" is given.

The Place bet

What is it? To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

Why would I take one? You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

What's it cost? A Place bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)....but you will get paid out 6 times the

dividend if you win: 1horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

END RACE				
RESULT:				
PREVIEW				
11 GREENCHOICE must have a big winning chance in this field, he has run two excellent seconds in succession, he was touched off by Set To Music in a driving finish on the 22nd of September at Hollywoodbets Durbanville, even though the wide draw will make it hard for him, he is progressive, and he will be difficult to beat in this race. 3 OCEAN SKY finished like a train last time behind Primal Instinct, he was drawn poorly on that occasion, and he flew up late to run third, from a neat draw this time, he will certainly run a big race. 5 BLUE STEEL ran a much better race behind Delta Pride on the 27th of September, he flashed up for second, he is a lovely looking gelding that will improve with every start, include him into all bets. 6 GALE WARNING must have a good each way chance in this tricky race, he finished just behind Blue Steel last time, if he can build on that performance, he will be amongst the places from a good draw. (Brandon Bailey: 11 - 3 - 5 - 6)

The Swinger bet

BETTING MADE EASY!

What is it? To win a Swinger, you have to predict 2 horses that finish either first and second, or first and third, or second and third - and there is a dividend for each of these outcomes.

Why would I take one? Because you fancy 2 horses that you think can at least place – and you've calculated that the Swinger dividend on your chosen horses will pay more than the individual Place dividends combined. (TV monitors display progressive Swinger dividends.)

What's it cost? A Swinger bet on your horses will cost you R1 – but the minimum bet for a Swinger is R2. (All other horseracing bet types have a R6 minimum bet.) To increase your chances of winning, you can 'box'* more than 2

horses, and the cost rises like this:
2 horses = R1 (take twice to comply with R2 minimum)
3 horses = R3
4 horses = R6
5 horses = R10

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Swinger on. Then give your chosen horse numbers, and the number of times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

RESULT:					
PREVIEW					
7 KINDA WONDERFUL ran a cracker in the Grade 3 Diana Stakes at Hollywoodbets Durbanville on the 27th of September, she was drawn wide and she still managed to finish just over two lengths behind She's My World, she drops in trip for this Progress Plate on Saturday, if she gets some luck in running from a tricky draw, she will be hard to beat. 1 MISS WORLD ran a much better race behind All The Rage on the 8th of October, she ran third and was beaten just over three lengths at the line, she is a speedy filly, from a good draw, she could keep them all honest. 3 SYMPHONY IN WHITE has been rested for 83 days, she is a classy filly on her day, if she doesn't need the run badly, she will be competitive. 5 LOWVELD LILY quickened up like a smart filly to win a good race last time, she was given six points for that impressive win, she will need a career best to win again, but she is progressive and must be respected. (Brandon Bailey: 7 - 1 - 3 - 5)

RESULT:							
PREVIEW							
5 ZEITZ has been rested and gelded, he won a super race at Hollywoodbets Greyville on the 5th of July, he was given four points for that victory, he is packed with ability, if he doesn't need the run on Saturday, he will go very close to winning again, watch him closely for the Cape Summer Season. 2 OUTLAW KING ran a great race in the Grade 3 Matchem Stakes at Hollywoodbets Durbanville on the 27th of September, he absolutely took off late to run third behind Questioning, he will be much fitter on Saturday, from a neat draw, he can certainly win a race like this. 3 GET IMPRESSED stayed on strongly for second behind Pinot Grigio on the 13th of September, he would have needed that run back from a small break, there is no doubt he will keep improving as the season continues, he will run a big race here from a good draw, include him into all bets. 7 ROYAL AUSSIE quickened up well to win the Cradock Place Stakes in good fashion at Fairview Racecourse on the 3rd of October, on his best form, he will be competitive. (Brandon Bailey: 5 - 2 - 3 - 7)

COMMENT: Better run last time. Bad draw

END RACE

RESULT:																			
PREVIEW																			
4 MENTE ET MANU won a good race at Hollywoodbets Durbanville on the 22nd of September, he travelled well in his race, and he quickened away from the field in good style, he was given five points for that victory, from a good draw, he will be stalking the speed early, and he will be running on strongly late, include him into all bets. 1 UNITED FRONT had to work hard for his maiden victory on the 9th of September, he is a big horse with a beautiful action, the yard thinks highly of this individual, he can only improve with every run, watch him closely from a good draw. 9 KING'S QUEST flew home for second last time, he was eating up the ground late behind Better Man on the 3rd of September, the wide draw here and the big weight on his back won't make life easy for him, but he is talented and he should run a brave race again. 7 GALLIC VICTOR has been rested for 87 days, he won his debut at Hollywoodbets Scottsville impressively on the 23rd of July, he could be absolutely anything, include him into all bets.(Brandon Bailey: 4 - 1 - 9 - 7)																			

IMPORTANT NOTICE

Patrons are reminded that the picture displayed by GallopTV of race finishes is NOT the official race result until such time as the Judges post their findings and the "All Clear" is given.

The Trifecta bet BETTING MADE EASY!

What is it? To Win a Trifecta, you have to predict the first 3 horses past the post in the exact order.

Why would I take one? All indicators are that there are 3 outstanding horses in the race. You could take the 3 as a boxed Swinger, but the Trifecta dividend invariably pays out much more than all three individual Swinger dividends combined! More risk, more reward!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Trifecta on. For a simple 'straight line' Trifecta, give your horse number for 'first' followed by your horse numbers for 'second' and for 'third'. If you're boxing, simply call your numbers and specify that you want them

boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. Or... You can mark this bet on a Betmark Card and hand it to the tote operator.

What's it cost? Your 3-horse 'straight line' Trifecta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box'* your 3 horses, or more than 3 horses.

- 3 horses 'straight line' = R1 (take 6 times)
- 3 horses 'boxed' = R6
- 4 horses 'boxed' = R24
- 5 horses 'boxed' = R60

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

10 CHANCE ENCOUNTER got going very late last time behind Set To Music, he finished third and was beaten just over two lengths at the line, it was his first run back after a small break and gelding, he will improve tons from that performance, if he gets the right run and the gaps open at the right time, he will be hard to beat. 5 LOMU ran a super race on the 27th of September, he stayed on well for second behind Coco's Hero, he drops in trip on Saturday, and he gets a good draw, he should be competitive. 13 WORLD FIRST could be some nice value in this race, he needed his last run after a small break, if he gets some luck in running from a wide draw, he should be amongst the places at a decent price. 2 GREEK HEIRESS steps up in trip now to 1600m, she ran a fair race behind Primal Instinct at Hollywoodbets Durbanville on the 27th of September, she was drawn wide and still managed to finish just over three lengths behind the winner, from a neat draw, she could sneak into the Quartet. (Brandon Bailey: 10 - 5 - 13 - 2)
