The Bipot bet

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

BETTING MADE EASY!

Costs:

Straight line = R1 (take six times)

Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

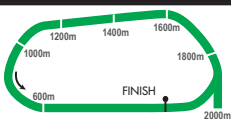

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

The Jackpot bet BETTING MADE EASY!

What is it? In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

Why would I take one? Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

What's it cost? Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)

Easy permutation: 2 horses in each leg = R16

Easy permutation: 3 horses in each leg = R81

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule...Does not apply to the Jackpot.

Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

2 WILLIAM'S WOMAN stayed on beautifully for second behind Calanque at Hollywoodbets Durbanville on the 27th of September, she has no weight on her back for this Maiden Plate on Saturday, and she has a good draw, there is absolutely no doubt that she will go close to winning. 3 DIGBY never runs a bad race, he ran fourth behind Gold Giboski last time, he was drawn poorly on that occasion and still managed to finish just under three lengths behind the winner, he will go very close here from a neat draw, include him into all bets. 4 MOODY BLUE ran a cracker behind Caribbean Gold on the 5th of October, he caught the eye late for second when finishing just under two lengths behind the winner, he is still improving, on his best form, he could certainly be dangerous in the finish. 5 SIMBINE needed his last run on the 5th of October, it was his first run in the Western Cape at Hollywoodbets Durbanville, he should improve nicely. 2 ONE DANCE ran a terrific race behind Eisteddfod on the 27th of September at Hollywoodbets Durbanville, she was doing some good work late for second from a bad draw on that occasion, she is super consistent, the step up in trip to 1500m should be no problem at all, from a neat draw, she will be competitive. 10 LILTING SONG improved nicely to run a good race behind Red Beryl on the 5th of October, she settled beautifully in running, and she finished her race off strongly for second, the wide draw here won't make life easy for her, if she gets some luck in running, she will be right there in the finish. 5 LADY VERITAS didn't have much luck in running last time, she certainly caught the eye very late when low flying for fourth behind Red Beryl on the 5th of October, she will love the step up in trip back to 1500m on Saturday, from a neat draw, she will go very close. 1 SOMEBODY SOMEWHERE ran a lovely race on debut, she was green and still managed to finish just under five lengths behind Calanque, the step up in trip and the good draw will certainly help her chances, watch for big improvement from this well-bred filly. PREVIEW

1 KONNICHIWA is as honest as they come, he is so consistent, he ran a great race for second last time behind Yamazaki on the 30th of August, he steps up in trip to 1800m on Saturday, and he has a good draw, he will be right there in the finish again. 2 CAPRANICA has been rested for 108 days, he ran a fair race behind Bruh at Hollywoodbets Scottsville on the 9th of July, the blinkers have been fitted to this gelding, and top jockey Richard Fourie has been booked to ride, if he doesn't need the run badly on Saturday, he will go very close to winning. 7 JOSHUA ran a much better race last time behind Coco's Hero on the 27th of September, he went to the front and stayed on well to finish just under four lengths behind the winner, the blinkers stay on, he should be amongst the places on his best form, watch him closely. 9 ERIC LIDDELL has been rested and gelded, he could improve now that he steps up in trip to 1800m.

END RACE

RESULT:									
PREVIEW									
3 BENEATH THE CLOUDS fought really hard all the way to the line in her last start at Hollywoodbets Durbanville, she went to the front and only got caught very late when finishing second behind Princess Of Bayeux on the 27th of September, it was her first run back after a small break, she is consistent from a neat draw on Saturday, she will have a big winning chance. 2 HUNGA TONGA quickened up like a nice filly to win a good race on the 22nd of September, the yard is in great form at the moment, she was given three points for that impressive victory, there is no doubt she will be competitive again from a decent draw. 1 PENTOLINA finished like a train to run second behind Hunga Tonga last time, her form is good, there should be no excuses for this filly from a good draw on Saturday, the step-up in trip to 1800m will help her chances as well, she will go close here. 6 LAVENDER BAY could certainly be the value horse in this tricky race, the blinkers have been removed, she was doing some good work late for third last time behind Hunga Tonga, on her best form, she could easily win a race like this. (Brandon Bailey: 3 - 2 - 1 - 6)									

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

The Place Accumulator bet BETTING MADE EASY!

What is it? To win a Place Accumulator you must predict horses that place in the top 3 in all of the 7 races designated in the racecard as 'Place Accumulator' races.

Why would I take one? This is a fun bet that's often played by individuals, office pools or mates at the races. Because your selection only has to run in the top 3, and not necessarily win the race, you have more of a chance to survive each leg and go on to collect some cash.

What's it cost? Your straight line Place Accumulator will cost you R1 but must be taken 6 times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R128

Tip: If you want to cut down the cost of your permutation, use Fractional betting e.g. a R128 permutation taken for R60 will give you 46.87% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Place Accumulator bet. Then give your horse numbers stating clearly which horse numbers are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

7 BETTER MAN was given a great ride by Jockey Richard Fourie on the 3rd of September at Hollywoodbets Durbanville, he won a good race beating King's Quest in a driving finish, the yard thinks highly of this gelding, he is definitely improving with every start, on his best form, he can certainly win again. 9 FUTURE FREE could be absolutely anything, he won a super race last time, he was relaxed at the back of the field, and he flew past them all to win by just over two lengths on the 13th of September, he is well related, and he is getting better with every start, watch him closely late, he will be storming home. 2 COCO'S HERO won impressively at Hollywoodbets Durbanville on the 27th of September, he loved the step up in trip to 1800m, if he has made the necessary improvement back at home, he will be competitive here. 8 BATON ROUGE tries hard, he is always consistent at this level, he could sneak into the Quartet on his best form. (Brandon Bailey: 7 - 9 - 2 - 8)

PREVIEW															
2 TWO A PENNY must have a good winning chance in this field, she ran a great race last time behind Princess Of Bayeux on the 27th of September, she was drawn badly on that occasion, and she stayed on well to finish just over three lengths behind the winner, she is a lovely looking mare with a great action, the step up in trip to 2400m should be no problem at all, from a neat draw, she will go close to winning. 3 TWICE THE MASTER was given a great ride by the apprentice to win a good race on the 7th of September, he was given six points for that win, he stays well, and he is super consistent, with no weight on his back on Saturday, he should run a cracker. 1 SANSA STARK could be some value for the places, she is much better than her recent start behind Princess Of Bayeux on the 27th of September, the step up in trip, the good draw and the low weight on her back should help her improve tremendously. 9 TOTHEMOONANDBACK ran a much better race over this trip at Hollywoodbets Durbanville on the 7th of September, if he can bring that run to the track again, he could sneak into the Quartet at a decent price. END RACE

RESULT:						
PREVIEW						
8 TENPENNY made up good ground late from a long way back last time at Hollywoodbets Durbanville on the 13th of September, he finished third behind Pinot Grigio, if he gets some luck in running from a tricky draw on Saturday, he will be flying at the finish, watch him closely, he can certainly win a race like this. 4 INDUSTRIALSTRENGTH is as honest as they come, he never runs a bad race, he stayed on well for second behind Mente Et Manu on the 22nd of September, the form of that race has worked out well, he will be just off the speed early, and he will be low flying late, include him into all bets. 5 UMFULA needed his last run back after a long break on the 5th of October, he was doing some good work late at the finish behind Handsome Prince, there is no doubt that he will be a fitter horse on Saturday, he could certainly trouble them in the finish on his best form. 2 HANDSOME PRINCE bounced back to his best form to win a super race on the 5th of October at Hollywoodbets Durbanville, he was given three points for that impressive win, he is a lovely looking individual with tons of ability, he can easily win again. (Brandon Bailey: 8 - 4 - 5 - 2)						

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW																	
3 DELTA PRIDE powered away from the field to win in great fashion on the 27th of September at Hollywoodbets Durbanville, he looks to be a smart gelding in the making, jockey Richard Fourie sticks with this individual, he will be very hard to beat here. 2 ASTRONOMICAL BOY won his maiden impressively on the 13th of September, he was drawn wide on that occasion, and he still managed to win with lots in hand, he will love the step up in trip to 1500m on Saturday, from a neat draw, he will press Delta Pride all the way to the line. 4 PRINCE OF TIBET has run two excellent races in succession, he stayed on well for second behind Mela Strength on the 8th of October, he will be amongst the places on his best form. 6 DEVIL A SAINT could be the value horse here for the Quartet, he ran a super race behind Major Master on the 9th of September, he ran fifth in a strong field and he was only beaten just under three lengths by the winner, he has dropped even further in the ratings, watch him closely. (Brandon Bailey: 3 - 2 - 4 - 6)

PREVIEW

3 OCTOBER STORM ran a great race behind Steadfast on the 22nd of September at Hollywoodbets Durbanville, he got nailed on the line in a driving finish, he is a young horse with lots of ability, from a neat draw on Saturday, he will be hard to beat. 2 MAGICAL PLACE was well supported in the market when fading late for fifth in the same race as October Storm last time, he is very fast, if he can get away from the field at the right time, he will be competitive. 9 DAME OF TRIX won her race in the boardroom on the 5th of October, it was a great finish to watch, unfortunately the wide draw here will make it tough for the mare to win again, but if she gets some luck in running early and she manages to get into a good position out the gates, she could certainly finish amongst the places at a decent price. 8 FORT RED ran a much better race at Hollywoodbets Durbanville on the 27th of September, he stayed on well for third in a close finish, with no weight on his back, he could sneak into the Quartet. (Brandon Bailey: 3 - 2 - 9 - 8)

The Win bet

What is it? You must predict the first horse past the post – that's it!

Why would I take one? You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

What's it cost? A Win bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win : 1 horse = R1 (take 6 times)

BETTING MADE EASY!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.
