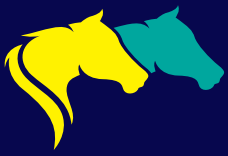
HOW TO BET

DIFFERENT TYPES OF BETS

WIN

You're choosing the horse you think will WIN the race.

EXACTA



You're choosing the horses you think will finish 1st and 2nd in EXACT order.

SWINGER

You're choosing two horses to finish either 1st, 2nd, or 3rd – both horses must end up in the TOP THREE.

QUARTET

You're choosing four horses (or more!) to finish in the top 4. If you choose the BOX option, the order they finish won't matter, as long as they're in the top 4.

JACKPOT

The jackpot is made up of 4 pre-selected races, and you must pick the winner in each correctly to win.**

(you can pick more than 1).

PICK 6

To win the Pick 6 you need to correctly select the winners of 6 pre-selected races on the day.**

(the simplest way to bet on this is to choose 2 horses per race)

** Check the info boxes next to each race in the race card to see whether the race is part of a Jackpot, Pick 6 etc.

HOW TO PLACE YOUR BET

This is the NB info you need to include:

Permutations

BETTING MADE EASY!

How to calculate the cost...

A lady is about to dress for a day at the races, and she's fretting. What should she wear? Finally, she shortlists her options down to: 2 dresses, 7 pairs of shoes, 3 hats, and 5 handbags. This is a real help, because now she only has 210 possible ways to mix 'n match. She may even make it to the track on time for the main race!

210? How did we get that number?
Simply by multiplying
2 (dresses) x 7 (shoes) x 3 (hats) x 5 (bags).
Result = 210.

Calculate your Permutations the same way - count the number of selections you've made in each leg, and multiply to get the total combinations.

Here's a Jackpot example:

LEG 1	LEG 2	LEG 3	LEG 4
5	2	8	4
9	3	10	7
	5	13	9
	7		10
	10		15
	11		
	14		

2 x 7 x 3 x 5 = 210 x R1 = R210

Explanation: This Permutation results in 210 different straight line combinations.

The Bipot bet

BETTING MADE EASY!

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line = R1 (take six times)
Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR…. You can mark this bet on a Betmark Card and hand it to the tote operator.

TOTE

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

6 DAWN'S EARLY LIGHT ran a lovely race behind Bel Canto Dream on the 15th of February, he drops in trip for this maiden plate on Saturday afternoon, it doesn't look to be the strongest of races, if he can build on his last performance, he will be hard to beat.
2 UNDERCOVER LOVER ran a much better race last time, there should be no excuses for this individual from a good draw, he must be respected at a decent price. 9 KEEP HAPPY ran a fair race on debut behind Rahhabba, unfortunately she has drawn poorly in this race, with some luck in running, she could make big improvement and trouble them in the finish. 4 REGINA TAMARA will need to improve quite a bit to win, she ran a much better race on the 22nd of December, on her best form she could earn some money for the connections. 5 LET IT BE SAID quickened up really well to win a good race on the 25th of January, he is extremely progressive, he should love the step up in trip to 1600m, with some luck in running, he will be hard to beat here. 4 RICH FOLKS HOAX finished powerfully to win well in his last start, he will be stalking the speed from a good draw, watch him closely, he can win a race like this quite easily. 6 FUTURE TURN has run two good seconds in succession, he is honest and he tries hard, include him into all bet types. 2 FATAL GEM ran a fair race in the Grade 3 Summer Fling Stakes on the 25th of January, she should enjoy the drop back in trip to 1600m, on her best form, she could be competitive. RESULT:					

PREVIEW

9 ROCKAROUNDTHECLOCK made good improvement from his first run into his second run, the step up in trip should unlock further improvement from this gelding, if he can beat the draw, he will go close to winning. 6 NEW WORLD has run two fair races up the straight at Hollywoodbets Kenilworth, he stayed on well late behind Malmesbury Missile on the 5th of February, if he handles the track and the turn on Saturday afternoon, he could be some value in this wide open race. 4 SUPPOSEYOU'VEHEARD ran a great race on debut behind Ireland Forever, he looks like the type that will improve nicely with every start, include him into all bets. 5 BETTER MAN was well beaten on debut behind the talented Parental Guidance, he is a lovely looking colt that should improve in his second start, watch him closely. (Brandon Bailey: 9 - 6 - 4 - 5)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

8 TRIPPING THUNDER has run two great races up the straight at Hollywoodbets Kenilworth, he drops in trip to 1000m, and the blinkers stay on, if he can beat the wide draw, he will go close to winning. 4 HERITAGE RIDGE stayed on well behind Flying Finley on the 11th of February, she has been fairly consistent through her career, champion jockey Richard Fourie has been booked to ride this filly from a good draw, watch her closely. 5 SUGARBUSH is much better than her recent run behind Happy Wives, she is still learning, if she can bring her debut run to the track on Saturday, she could be a threat for them all in the finish. 1 GIMMEATHRILL has been rested and gelded, if he doesn't need the run badly, he could be competitive. PREVIEW

4 VICTOR HUGO stayed on really well for second in his last start on the 15th of January behind It Is My Time, his form is excellent, and the blinkers have been fitted, he will be very hard to beat in this race from a good draw. 8 FUTURE FREQUENCY was gelded on the 10th of February, he is much better than his last start behind Ahead Of The Facts, he will need some luck in running from a tricky draw, watch him closely, he is the danger to Victor Hugo. 11 SHOW OFF ran a great race on debut behind Jet Force, he will love the step up in trip, unfortunately the wide draw will make life tough for him, he should be running on late. 7 CHASINGTHERAINBOW didn't have much luck in running last time, he must be respected on his best form. (Brandon Bailey: 4 - 8 - 11 - 7)

The Place bet

BETTING MADE EASY!

What is it? To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

Why would I take one? You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

What's it cost? A Place bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)....but you will get paid out 6 times the dividend if you win: 1horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

1 KLEINZEE ran a much better race on the 5th of February, she absolutely loved the step up in trip to 1400m, from a good draw here, she must be respected in a big way. 4 WEHAVEASITUATION tried exceptionally hard behind Bright Gold on the 15th of February, she is as honest as they come, there is no doubt she will have a good each way chance again in this tricky race. 7 OCOTILLO moved up well behind Englefield Green on the 18th of January, she is a good looking filly that keeps improving with every start, she should go very close here. 6 VIVO PER LEI made good improvement last time, she ran a fair second behind Dream Searcher, that was against winners, now that she is back in maiden company, she could be competitive. (Brandon Bailey: 1 - 4 - 7 - 6)

PREVIEW

6 TRIPPI'S SILK has run two very good seconds in his last two starts, at this level, he will always have a good winning chance, despite the big weight on his back, he is undoubtedly the horse they all need to beat. 1 TAMBOURINE MAN quickened up in devastating fashion to beat Trippi's Silk last time, he is consistent but at the same time needs a particular ride, if the race works out for him from a good draw, he will be competitive again. 7 TRUE HORIZON never really runs a bad race, she is honest, and she tries hard, on her best form, she could sneak into the places. 5 AUGUSTA BLUE is much better than his recent form, watch him closely at a decent price, he could be running on late into the Quartet. (Brandon Bailey: 6 - 1 - 7 - 5)

The Quartet bet

BETTING MADE EASY!

What is it? To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

Why would I take one? You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

What's it cost? Your 4-horse 'straight line' Quartet will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box'* your 4 horses, or more.

4 horses 'straight line' = R1 (take 6 times)
4 horses 'boxed' = R24
5 horses 'boxed' = R120

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

COMMENT: Recent form is good. Bad draw

END RACE

RESULT:					

PREVIEW

3 MISS WORLD ran a super race on the 11th of February behind Trip To Maputo, she has lots of ability, from a good draw here, she will get the run of the race, if she is good enough, she should win. 2 CALLMEGETRIX is very consistent, she fought hard to win the Clapham Stakes well in a driving finish, the drop in trip to 1250m is the only concern, she will be just behind the leaders and running on strongly late, include her into all bets. 6 WAR CHARIOT could be the value play in this wide-open race, he needs a particular ride, if the race works out for him, he will be storming home late at a decent price. 10 KELP FOREST never really quickened in his last start, he is much better than that, from a wide draw, he will be ridden for some luck, and should be running on well, watch him closely.
(Brandon Bailey: 3 - 2 - 6 - 10)

The Swinger bet

BETTING MADE EASY!

What is it? To win a Swinger, you have to predict 2 horses that finish either first and second, or first and third, or second and third - and there is a dividend for each of these outcomes.

Why would I take one? Because you fancy 2 horses that you think can at least place – and you've calculated that the Swinger dividend on your chosen horses will pay more than the individual Place dividends combined. (TV monitors display progressive Swinger dividends.)

What's it cost? A Swinger bet on your horses will cost you R1 – but the minimum bet for a Swinger is R2. (All other horseracing bet types have a R6 minimum bet.) To increase your chances of winning, you can 'box'* more than 2 horses, and the cost rises like this:

2 horses = R1 (take twice to comply with R2 minimum)
3 horses = R3
4 horses = R6
5 horses = R10

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Swinger on. Then give your chosen horse numbers, and the number of times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

COMMENT: Recent form is good. Bad draw

END RACE

RESULT:					

PREVIEW

4 JOU LEKKER DING ran on smartly to win a good race on the 11th of February, she was given three points for that victory at Hollywoodbets Kenilworth, again she finds a good race to be competitive, she must be included into all bets. 3 PILOT FLAME ran a nice race behind Give Me Everything on the 5th of February, she has dropped back in trip to 1250m, and she gets the services of Richard Fourie, watch her closely, she will be right there from a good draw. 1 LITTLE MISS PINK can be a tricky ride, she ran a lovely race over the sprint trip last time behind Back At The George, she can finish powerfully, jockey Oswald Noach gets on well with this mare, she could be some value. 11 TANNERON has run two very good races of late, unfortunately she will need lots of luck in running from a poor draw. (Brandon Bailey: 4 - 3 - 1 - 11)

The Win bet

BETTING MADE EASY!

What is it? You must predict the first horse past the post – that's it!

Why would I take one? You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

What's it cost? A Win bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win : 1horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

4 INTRO is well drawn over an ideal trip and should be in the shake-up. 2 SHEETS AND GOGGLES has been placed in two out of her last three runs and has a chance in this lineup from pole position. 1 TIPPERARY did well last time over 1160 meters and should handle the step up in trip. 6 ARTIC SILVER ran a fair third over course and distance last time and is well drawn. PREVIEW

6 HONG KONG beat Green Sapphire by two and a half lengths the last time they met over course and distance and is now 1kg better off. 4 GREEN SAPPHIRE has improved since then and is drawn on the right side, so it would be no great surprise if she reversed the form. 2 ALESIA'S LOVE has some fair form over sprints but is drawn low which could be a disadvantage. 9 ABBEY'S VIEW won well on debut and could do better than she did last time. PREVIEW

8 POPLAR PARK looks a promising stayer in the making and is drawn well. 1 QUEEN OF LOVE has some class about her and seems to be the sort who would stay well. 2 COCOMELON is interestingly stepped up in trip having shown some good form over shorter. 9 SILVER PARASOL bounced back with a good win last time when stepped up to 1800 meters and she should enjoy this trip too. PREVIEW

4 IMMEDIATE EDGE has won both his races with authority and looks to be a fine prospect. 5 ONE MORE STAR has good form and did well over this trip last time but does have a wide to overcome. 11 PAGE BOY won his maiden in fine style last time when stepped up to 1600m and should enjoy this trip too. 10 OMBUDSMAN is improving and has drawn well over what could be a suitable trip as he is by Flower Alley. 6 BATTLEGROUND is a consistent stayer who gives the impression he could still improve. 3 THUNEE PLAYA has some class and is interesting stepped up to a staying trip again.2 MARAUDING HORDE has always struck as a horse who would develop into a good stayer. 5 RAISEAHALLELUJAH is an honest stayer and should be in the shake-up. PREVIEW

2 TO THE RESCUE is a progressive sort who should continue to improve over staying trips. 5 COFFEEBERRY went close over this trip last time and should be right there. 7 ROMEO'S MAGIC was not far off Coffeeberry last time and can be involved. 3 AFRAAD is an honest stayer and could be thereabouts.
