The All to Come bet BETTING MADE EASY!

What is it? The All-To-Come allows you to take up to six Win or Place bets for the cost of just one original stake. If your first bet wins, all your winnings become your stake for the second bet, and so on. You must take a minimum of two bets, and a maximum of six. The bets must all be on the same racemeeting, but not necessarily consecutive races.

Why would I take one? Convenience - plus the advantage of multiplying your stake value each time you win - for no extra cost!

What's it cost? R1- but you must take the bet a minimum of six times.

How do I ask for it? You must tell the tote operator which venue you are betting on and then the race number of your first bet. Choose a Win OR Place - not both - and specify the horse number. Then specify each race number you wish to bet on, and repeat the process.

Or... You can mark this bet on a Betmark card and hand it to a tote operator. Remember - specify the amount of your opening stake, minimum R6.

Future Events – From time to time TAB will operate a special ALL TO COME which will allow customers to include a bet on a selected race at a FUTURE race meeting. In these cases, the last grid of the card must be completed in the normal way with either FUTURE 1 or FUTURE 2 marked to denote the special event (watch press for details).

Scratchings: If a selected horse is scratched your stake is transferred to the next subsequent race.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

One of the strongest maiden fields in some time lines up here. MOHAVE PRINCE (4) was a tremendous second to the promising Green Gateway at just his second outing. He has a good draw and has a strong winning chance. GLOBAL WARRIOR (5) raced green at long odds on debut but the winner Soldier Boy was deemed good enough to line up in Gr1 company. WONDERFUL TONIGHT (6) was narrowly beaten over course and distance on debut and with that experience should be in the firing line. CARNARVON (3) has useful Highveld form over the trip and has a strong winning chance. MASTER DU ROUVRAY (11) has a wide draw and has been rested but shows some promise from an inform stable. (Andrew Harrison: 4-5-6-3).

The Bipot bet

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win or come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over seven consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

BETTING MADE EASY!

Costs:

Straight line = R1 (take six times)
Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value, OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

CATCH A PENNY (7) has placed in all 10 starts and should go close again. SPLASH OF LOVE (6) goes well on the poly and stays the trip. She should feature prominently in this line-up. OMNIA (3) has only had three outings and her best effort was over course and distance. She obviously enjoyed the poly. INTRO (2) has put in two fair efforts with blinkers for her new stable. (Andrew Harrison: 7-6-3-2).

PREVIEW

Mark Khan makes his first visit to KZN as a trainer and saddles two runners here. Best could be SOLAR SAIL (3) who has taken his chances in top company. This should be on the short side but he does have a touch of class. GO GRAYSON GO (6) has been knocking at the door and is well in at the weights. This trip will suit. TWO MILES WEST (4) has not been out of the money in his last four starts. The trip will suit and he has a neat draw. Khan's second runner, COPPOLA (8) is effective over the trip but has a wide draw to contend with. (Andrew Harrison: 3-6-4-8).

PREVIEW

CAPRICIOUS MISS (1) got a 10-points hike in the ratings after her much improved last run. She obviously enjoyed the poly and from pole position she should be competitive again. At the other end of the barrier, CHERICHERILADY (11) has her first run for Paul Gadsby. She comes with some fair Highveld form and does not meet a strong field. MS GALORE (7) caught the eye in all three of her starts suggesting that she is much better than her form would suggest. She has been rested but comes from a form stable. DI ROSA (5) is seldom too far back but struggling for her maiden win. (Andrew Harrison: 1-11-7-5).

PREVIEW

Open handicap. ONE IRISH ROVER (4) was narrowly beaten by his stable companion Lou Lou The Legend last time out on the poly. His last win was over this distance. LIONS EYE (2) has improved at recent outings and Sean Veale has chosen this ride ahead of PURPLE POWAHOUSE (8) who looks to be the best of Alyson Wright's three runners. The nine-year-old has solid form over the course and distance and should be competitive again. Stable companion WHEREVERILAYMYHAT (6) has been consistent of late and has a money chance. (Andrew Harrison: 4-2-8-6).

PREVIEW

STAR IN MOTION (6) was a maiden winner last time out but had consistent form leading up to that win that has been franked. He enjoys the poly and the trip obviously suits. CARDINAL CHIEF (5) won second time out for Garth Puller and looks progressive. He has a handy weight and this trip should suit. RUN FOREST RUN (1) was a late starter and obviously has some issues. He had his third run when shedding his maiden back in May but does appear to have some scope. EL DANTE (10) surprised last time out. He has a big weight and a wide draw but as an older horse the switch to the poly could suit. (Andrew Harrison: 6-5-1-10).

PREVIEW

It's tough to win three races on the bounce but WING WALKER (5) has made steady progress and is unbeaten on the poly. He was doing his best work late last time out so the step-up in trip should not be an issue. SEA SHANTY (8) has been in mustard form on the Highveld and has hardly moved in the handicap. He is over his optimum trip and will be a big threat to the first choice. KING OF NUMBERS (1) sees a rare foray into KZN by Brett Webber, the poly an obvious attraction. The gelding has consistent recent Highveld form and has a plum draw. The blinkers come off GRIFFIN PARK (2) as he steps up in trip with Sean Veale no doubt giving the feedback to MJ Odendaal. (Andrew Harrison: 5-8-1-2).

PREVIEW

Tricky. SCHOOL POLICY (10) made a smart local debut when a beaten favourite and the blinkers removed. She takes to the poly for the first time but should improve on that showing. Drawn outside of her is PROM QUEEN (11) who is holding form well and has smart poly form. The draw is a concern. HAPPY FORTUNE (8) has shown up well in two starts on the synthetic surface. She is in a good space and must have a strong winning chance. AVERNIAN GODDESS (4) is seldom out of the money. She goes well on the poly and the step-up in trip could bring out the best. (Andrew Harrison: 10-11-4-8)

"Form" is information! BETTING MADE EASY!

The basic theory of form is that a horse's past performances are a good indicator as to how well it will run in the future.

Your challenge, when studying form, is to answer the question:

"Given all this information, how will each horse perform today?"

The formline gives you literally hundreds of variables to ponder – and serious students of form are fascinated by all of it. To keep it simple, we suggest you stick to studying three main aspects to start with:

1. Finishing Position. Has the horse won recently? Has it placed recently? Does it consistently run unplaced?

2. Lengths Behind. When beaten, has the horse been well-beaten, or only narrowly-defeated?

3. Distance. Has the horse competed over today's race distance – or reasonably similar distance – before? If so, how did it do?

You can find your form in the official racecard, several commercially published formguides, or in the newspapers.
