HORSE WEIGHTS (PPW)

Current horse weight with colours to indicate variance from Peak Performance Weight (PPW)

PPW or Peak Performance Weight is the average weight for up to the last 5 runs where horse finish from 1 to 4. At least 2 runs finishing in the top 4 are required to calculate.

505	Difference <= 1.5% from PPW - 0 to 7.5kg for PPW of 500kg
510	Difference > 1.5% < 3% from PPW - 7.51kg to 15kg for PPW of 500kg
520	Difference > 3% from PPW - Over 15kg for PPW of 500kg
500	Not enough data available to calculate PPW

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

DRIELANDENPUNT (1) was much improved going the mile for the first time. He meets a modest line-up over the same course and distance and will be a big runner. The year older BLACK PLATINA (6) has shown up well in his last two over the distance. He has a 4kg claimer up and should be the biggest threat. MOUNT KENNEDY (4) ran way below expectations last run judged on his debut effort. He could pay to follow in the market. First timer SECRET AGENT (3) is a son of Soqrat and could be anything. (Andrew Harrison: 1-6-4-3).

PREVIEW

QUEEN FENN (4) was touched off by the narrowest of margins last time out. She steps up in trip but does not face a strong field although there are two regally-bred first timers in the line-up. PINK LACE (6) improved second time out and although she looks held by Queen Fenn on that showing she could have more to come. SPIRIT OF SHIMLA (8) is by Vercingetorix out of a Gimmethgreenlight mare while AREYOUREADY (7) is by Gimmethgreenlight out of a Jet Master mare. The betting should be your best guide here. (Andrew Harrison: 4-6-8-7).

The All to Come bet

BETTING MADE EASY!

What is it? The All-To-Come allows you to take up to six Win or Place bets for the cost of just one original stake. If your first bet wins, all your winnings become your stake for the second bet, and so on. You must take a minimum of two bets, and a maximum of six. The bets must all be on the same racemeeting, but not necessarily consecutive races.

Why would I take one? Convenience - plus the advantage of multiplying your stake value each time you win - for no extra cost!

What's it cost? R1- but you must take the bet a minimum of six times.

How do I ask for it? You must tell the tote operator which venue you are betting on and then the race number of your first bet. Choose a Win OR Place - not both - and specify the horse number. Then specify each race number you wish to bet on, and repeat the process.

Or... You can mark this bet on a Betmark card and hand it to a tote operator. Remember - specify the amount of your opening stake, minimum R6.

Future Events – From time to time TAB will operate a special ALL TO COME which will allow customers to include a bet on a selected race at a FUTURE race meeting. In these cases, the last grid of the card must be completed in the normal way with either FUTURE 1 or FUTURE 2 marked to denote the special event (watch press for details).

Scratchings: If a selected horse is scratched your stake is transferred to the next subsequent race.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

RESULT:							

PREVIEW							
XIPHOS (5) has finished runner-up in all three starts on the poly. He looked all over a winner last time out before Military Force came sailing by. He must have an outstanding chance of going one better. DI ROSA (6) is struggling and her last run is best ignored. She had consistent form before that and with only 49.5kg to shoulder she could be heartbreak for Xiphos. ROY'S BLOSSOM (1) made a promising debut at lengthy odds. She has the best of the draw and can feature again. FINE DINING (7) made sudden improvement last outing when back over a sprint and needs to repeat given his previous form over ground. (Andrew Harrison: 6-5-1-7).

TRAINER COMMENT: Doing well at home

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

Competitive handicap with many in with chances. PINETTI (8) showed up well first run out of the maidens and goes well on the poly. BEAMONESQUE (2) was a comfortable winner over the trip in the Turffontein inside track last time out. He has come on steadily of late and the switch to the poly from a good draw can see him go in again. FORTRESS OF FIRE (10) comes off a break, has the widest draw and some puzzling form. However, he does appear to be much better than that form would suggest given his debut effort. PREEMPTIVE STRIKE (1) is a poly specialist having his 50th start. He is never far back and is coming down in the ratings. (Andrew Harrison: 8-2-10-1).

The Bipot bet

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

BETTING MADE EASY!

Costs:

Straight line = R1 (take six times)
Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

COMMENT: Went close last time, big chance

END RACE													
RESULT:													

PREVIEW													
Sean Veale will have had the choice of three Hollywood Racing's runners and has plumbed for Gareth van Zyl's runner AFROPOLITAN (7) who was finishing strongly behind the promising Kanaal Skater over a mile on the poly last time out. He was doing his best work late and the extra furlong should suit. EL REY VIENE (1) was a winner under Veale last time out and also steps up in trip. However, he only got a two-point raise in the handicap and is in good form. PLUM PUDDING (3) has been in excellent form since April winning three of her last five and second on the other two. She has won on the poly and should be right there again. SUNDANCE KID (4) is smart on his day and although a little off form he needed his last run and can surprise. (Andrew Harrison: 7-1-3-4).

PREVIEW

ALANNAH (3) just failed over course and distance last time out. Her two best runs have been on the poly and she was not far back in a Gr1 last season. ONE PATH (7) has only missed a cheque once in eight starts. She finished runner-up at her last two on the poly and she steps up to this trip once again. SASCHA'S DREAM (1) was touched off by MISS TWINKLE (6) last time out. Doug Campbell's filly is now 2kg better off and should turn the tables. (Andrew Harrison: 3-7-1-6).

PREVIEW

How good is SPAARNE RIVIER (2) is the question to be answered. He was a comfortable maiden winner on the poly at second time asking and enjoyed the step up in trip. This distance should suit and he can follow up. BANZAI PIPELINE (1) is slowly coming down in the ratings and was not far back when taking on stronger last time out. He has a handy galloping weight with a 4kg claimer aboard and the best of the draw. ULTRA QUICK (3) has been in good form over shorter and could now prefer this step up in distance. GARDEN-ER'S PRIDE (7) has improved with his new stable and is no stranger to the poly surface. PEMBURY (6) ran way below what he is capable of in his first try out of the maidens but he did have a difficult draw. He can do better here. (Andrew Harrison: 2-1-3-6).

The Exacta bet

BETTING MADE EASY!

What is it? To win an Exacta you have to predict two horses to finish first and second in the exact order.

Why would I take one? There are 2 horses in the race that you really fancy. You could take them as a Swinger - lower risk but also invariably a lower dividend. So you opt for the Exacta - harder to win than the Swinger, but will pay more if you do!

What's it cost? Your 2-horse 'straight line' Exacta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can also 'box'* your 2 horses, or more than 2 horses. This will cost you:

- 2 horses 'straight line' = R1 (take 6 times)
- 2 horses 'boxed' = R2 (take 3 times)
- 3 horses 'boxed' = R6
- 4 horses 'boxed' = R12

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take an Exacta on. For a simple 'straight line' Exacta, give your horse number for 'first' followed by your horse number for 'second'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating how many times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

TRAINER COMMENT: Will need the run

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

Competitive handicap to round off the day. IMPERIAL POWER (3) is over due a fourth win and his consistency can be rewarded from a handy draw. KIMBALL O'HARA (1) switches to the poly and as an older horse he should enjoy the surface. He is currently in useful form. ISIKWISHIKWISHI (4) runs of the same mark as when he won at his penultimate start with Rachel Venniker's allowance effectively cancelling out the handicap rise. KING'S ISLAND (9) was up against stronger from a wide draw last time out. He is wide again but had a handy galloping weight. (Andrew Harrison: 3-1-4-9).

Permutations

BETTING MADE EASY!

How to calculate the cost...

A lady is about to dress for a day at the races, and she's fretting. What should she wear? Finally, she shortlists her options down to: 2 dresses, 7 pairs of shoes, 3 hats, and 5 handbags. This is a real help, because now she only has 210 possible ways to mix 'n match. She may even make it to the track on time for the main race!

210? How did we get that number?

Simply by multiplying

2 (dresses) x 7 (shoes) x 3 (hats) x 5 (bags).

Result = 210.

Calculate your Permutations the same way - count the number of selections you've made in each leg, and multiply to get the total combinations.

Here's a Jackpot example:

LEG 1	LEG 2	LEG 3	LEG 4
5	2	8	4
9	3	10	7
	5	13	9
	7		10
	10		15
	11		
	14		

2 x 7 x 3 x 5 = 210 x R1 = R210

Explanation: This Permutation results in 210 different straight line combinations.
