The All to Come bet

BETTING MADE EASY!

What is it? The All-To-Come allows you to take up to six Win or Place bets for the cost of just one original stake. If your first bet wins, all your winnings become your stake for the second bet, and so on. You must take a minimum of two bets, and a maximum of six. The bets must all be on the same racemeeting, but not necessarily consecutive races.

Why would I take one? Convenience - plus the advantage of multiplying your stake value each time you win - for no extra cost!

What's it cost? R1- but you must take the bet a minimum of six times.

How do I ask for it? You must tell the tote operator which venue you are betting on and then the race number of your first bet. Choose a Win OR Place - not both - and specify the horse number. Then specify each race number you wish to bet on, and repeat the process.

Or... You can mark this bet on a Betmark card and hand it to a tote operator. Remember - specify the amount of your opening stake, minimum R6.

Future Events – From time to time TAB will operate a special ALL TO COME which will allow customers to include a bet on a selected race at a FUTURE race meeting. In these cases, the last grid of the card must be completed in the normal way with either FUTURE 1 or FUTURE 2 marked to denote the special event (watch press for details).

Scratchings: If a selected horse is scratched your stake is transferred to the next subsequent race.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

LIGHT OF GABRIEL (4) is making huge inroads to the winner's enclosure and looks ready and hard to beat today. TREASURE ISLAND (2) has placed five from five and has a huge each way chance. SUN IN MY POCKET (8) is learning what it is all about and doing well. She should win soon. MS GALORE (12) ran the best race of her career thus far last time and will be a big contender for the first four. (Warren Lenferna 4-2-8-12)														

"Form" is information!

BETTING MADE EASY!

The basic theory of form is that a horse's past performances are a good indicator as to how well it will run in the future.

Your challenge, when studying form, is to answer the question:

"Given all this information, how will each horse perform today?"

The formline gives you literally hundreds of variables to ponder – and serious students of form are fascinated by all of it. To keep it simple, we suggest you stick to studying three main aspects to start with:

1. Finishing Position. Has the horse won recently? Has it placed recently? Does it consistently run unplaced?
2. Lengths Behind. When beaten, has the horse been well-beaten, or only narrowly-defeated?
3. Distance. Has the horse competed over today's race distance – or reasonably similar distance – before? If so, how did it do?

You can find your form in the official racecard, several commercially published formguides, or in the newspapers.

PREVIEW

SPINMYANGELSSPIN (3) has not run since January but she can be expected to race fresh and with first time blinkers, could win. CELESTIAL DIAMOND (6) is better than the last run and will be a huge chance. ANNIE'S SONG (8) returns from a 9th February layoff and despite possibly needing it, can go close. TAKATALVI (1) has huge place claims. (Warren Lenferna 3-6-8-1)

PREVIEW

CHEERSCHEERS (5) caught the eye on debut when not far off the winner and with natural progression, will have a serious winning chance. COOL WIND (8) is improving and ran a good race last time - she can go close. TWOCANTANGO (4) is one for the shortlist and CALL ME WILD (1) cannot be ignored from any bets. (Warren Lenfema 5-8-4-1)

The Jackpot bet

BETTING MADE EASY!

What is it? In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

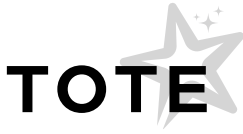

Why would I take one? Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

What's it cost? Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:
Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R16
Easy permutation: 3 horses in each leg = R81

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule...Does not apply to the Jackpot.
Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

MAPHAKA (6) caught the eye last time and is one of the leading contenders. JEANNE DARC (7) should come on a lot from that comeback last run and has a place chance this time. REGENERATION (3) is capable and can be expected to do way better despite the layoff. CITY OF LOVE (2) has quartet claims. (Warren Lenferna 6-7-3-2)
