PREVIEW

GORGEOUS DUDE (6) comes from a very much inform stable and has run two promising races over the trip. He makes his poly debut. BUZZ BOMB (7) takes on older runners but has made steady improvement and his last Hollywoodbets Kenilworth effort over the trip should see him at his peak. MY BOY LOLLIPOP (5) was a close-up second on debut and steps up in trip. He also takes on older runners. ALWAYS SHINING (11) was running on nicely at his second start over course and distance. He has the worst of the draw but should make his presence felt.

PREVIEW

Tricky maiden. COPACABANA (4) made a smart debut for Dennis Bosch but that was over 1200m. Rachel Venniker stays with the ride as the filly goes a mile in the second start. Fanie Bronkhorst makes the trip from the Highveld with CITY LIGHTS (3) that does stay the trip and has improved in a tongue-tie. However, she was a well beaten second last run. EXTRACTION (8) takes on older runners but looks to be the pick of the Mike Miller quartet judged on jockey bookings. She also steps up to a mile for the first time but caught the eye when running on late in a sprint. I'M DEVINE (2) is lightly raced and does appear to have some issues. However, she does look capable on her day.

Open handicap. RED ROSES TOO (2) is quick and was not disgraced last time out from a wide draw. Her last win was over course and distance. THERE SHE GOES (7) is drawn widest of the seven runners and makes her poly debut. She has a useful claiming apprentice up and she should feature. CONVOCATION (6) has won both starts since returning from a break. She also makes her poly debut and is useful. She took a seven point raise in the handicap for her last win but Gareth van Zyl has booked 4kg claimer Brevan Plaatjies. HOT PEARL (1) is difficult to catch right but has her third run after a break and has the best of the draw.

The Pick 6 bet

BETTING MADE EASY!

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)

Easy permutation: 2 horses in each leg = R64

Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting, e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6... If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

YAMADORI (10) is way better than his last two starts and had some promising Cape form before that. He makes his poly debut but at best could have the measure of this field. LONGSWORD (2) was a comfortable winner last run on the Highveld. He got a seven-point raise in the handicap but Richard Fourie stays with the ride for Sean Tarry which is a bonus. DOWN BY THE RIVER (3) was not far back in his first run back from the Cape. He has a handy weight and can feature. DIANI (9) was running on nicely when back in blinkers and should be competitive.

The Bipot bet

BETTING MADE EASY!

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win or come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over seven consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line = R1 (take six times)

Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

PURPLE POWAHOUSE (2) has been consistent and was a touch unlucky last run when bumped at the start and losing position. He loves the poly and should put in another forward showing. DARK TIDE (7) is down in class and improved in blinkers last run although he did have a light weight. As an older horse he should take to the poly. STEVIE GEE (6) was game in defeat last run and is back over what looks to be his optimum trip. He has a light weight to help his cause. MAC HARDY (4) was returning from a long break and in need of his last run. He is lightly raced and one to watch in the market.

COLLECT YOUR WINNINGS TIMEOUSLY

It is in your own best interests to cash your winning tote tickets timeously. Winning tickets that are not cashed on the day of the race may be cashed for a period of 60 days after the race, either on course at a subsequent racemeeting or at a tabGOLD outlet.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed by GallopTV of race finishes is NOT the official race result until such time as the Judges post their findings and the "All Clear" is given.

PREVIEW

JOSHUA HOTSNAKE (7) is due a change of fortune after three consecutive runner-up berths. He goes well over course and distance and should contest the finish. CERULEAN DANCER (3) takes on males but has consistent Highveld form over the trip. Muzi Yeni stays aboard as she takes to the poly for the first time. ULTRA QUICK (4) found strong market support last run and won well with first time pacifiers. He looks capable of following up. KUMEMORI (1) shed his maiden over course and distance and is back over what looks to be his optimum trip with Richard Fourie back on board.

PREVIEW

WYATT'S CHOICE (6) is lightly raced and was narrowly beaten over course and distance last time out. The form has been franked so a repeat should see him close again. BANZAI PIPELINE (3) has been consistent and his last win came on this course. He should make a bold bid. FLAG BEARER (2) is showing signs of his best form and was not far back over the distance last time out. He should take to the poly on debut. RICCARDO (7) has improved with each run of late and just failed last time out. He must have a strong chance of making the frame.
