## THE MERCURY

The home is a quiet retreat for underprivileged children.

## EXPECT MASSIVE POOLS TODAY!

For all races today, these betting pools will be commingled with the Hong Kong Jockey Club's massive international World Pool event.

Here are the average expected World Pool totals... per bet type, per race!

### WIN

#### WORLD POOL: R10 MILLION

So you really like the horse? Then back it for a WIN. But remember, it must be first past the post for you to collect.

### PLACE

#### WORLD POOL: R10 MILLION

You'll get a payout if your horse wins, but you'll also collect if it runs a 'place'. A place means finishing among the first three if there are 7 or more runners, or among the first two if there are 4 to 6 runners.

No place betting if there are less than 4 runners.

### EXACTA

#### WORLD POOL: R5 MILLION

Select two horses to finish first and second in the exact order

### SWINGER

#### WORLD POOL: R17 MILLION

You like two horses in the same race? You win if both of your two chosen horses finish in the first three, in any order.

### QUINELLA

#### WORLD POOL: R18 MILLION

Similar to the Swinger, choose two horses, but your two chosen horses must fill the first two places, in any order.

## MESSAGE FROM THE CHAIRMAN OF GOLD CIRCLE

"Time flies when you are having fun," at least that's how the saying goes! It is hard to believe that Champions Season 2024 has flown by so quickly and that Sunday 28 July sees the climax of what has truly been a remarkable three months of high quality and exciting horse racing at the highest level – the National Championship of South Africa. No doubt many Equus Champions will be crowned in Cape Town on 15 August as a result of their exploits during Champions Season and we at Gold Circle would like to thank all the Owners, Trainers, Jockeys and Grooms who have contributed so much to a memorable Season.

But the job is not yet done and we have an exhilarating day's racing to look forward to on Sunday. The World Pool Gold Cup over 3200m is always one of the most anticipated races on our calendar, backed up by four Grade 1 events – the Hong Kong Jockey Club Champions Cup (WFA) over 1800m, the Mercury Sprint (WFA) over 1200m and the two 1600m races for juveniles, the World Pool Moment Of The Day Champion Stakes, and the Douglas Whyte Stakes for 2yo fillies. All ten races on the programme are feature races – a true "All-Star" Climax to Champions Season 2024.

Today's race meeting at Hollywoodbets Greyville is again a "World Pool" event, an initiative of the Hong Kong Jockey Club, which brings together betting turnover from multiple countries, offering racing fans around the globe direct access to massive international tote betting pools. It's thus appropriate that we welcome the Hong Kong Jockey Club as the title sponsor of this iconic race day as we celebrate the 104th running of the World Pool Gold Cup.

We are also especially pleased to once again honour South Africa's most successful export to Hong Kong, Douglas Whyte, who for so many years dominated the riding ranks on the fiercely competitive Happy Valley and Sha Tin race tracks. Now a successful trainer on the island, Dougie Whyte has become a household name amongst Hong Kong's fanatical racing public.

This race meeting offers a mix of Speed, Middle Distance and Stamina and talking of "Speed" our thanks are again due to The Mercury for their long standing support of the Grade 1 Mercury Sprint. It gives me great pleasure to welcome you all to the final day of Champions Season 2024 – fasten your seatbelts and brace yourselves for some of the best racing of the year at the Theatre Of Champions!

ALL-STAR CLIMAX OF CHAMPIONS SEASON 2024

## MESSAGE FROM THE HONG KONG JOCKEY CLUB

The World Pool is now in its sixth year of operation. From 35 races upon its launch at Royal Ascot in 2019 to 258 races conducted during the 2023/24 HKJC season, World Pool has become an important and powerful global brand.

Not only does it provide more choice for international wagering customers, but it highlights the need for a strong parimutuel structure to ensure funding for prizemoney and the sustainability of the horse racing industry.

South Africa, indeed Gold Circle, was the third content provider, after the UK and Dubai, to join the World Pool roster in May 2021, which now includes the finest racing from eight different countries, with even more to follow over the next 12 months.

World Pool's sponsorship of Gold Cup Day is not just about wagering but also provides the opportunity to recognise the South African-born Douglas Whyte, a 13-time Champion Jockey in Hong Kong, with the naming of a Group 1 race in his honour. Now a trainer in his own right, Douglas is the most high profile connection between the South African and Hong Kong racing jurisdictions, but by no means the only one.

I would like to wish Gold Circle and the entire South African racing industry a very successful and enjoyable day.

# MERCURY SPRINT

## MESSAGE FROM THE EDITOR OF THE MERCURY

Over the last three weeks, Durban has experienced an unprecedented influx of tourists, thanks to a series of national and international events that have spotlighted our city and injected much-needed investment into the local economy. These events include the annual Hollywoodbets Durban July horse racing event, the international Test Match between the Springboks and Ireland, and the reSurgence Conference. As a result, the 2024 Mercury Sprint Race is set against a backdrop of economic revival and rejuvenation. Like all major events in Durban, the Mercury Sprint significantly contributes to the city's economic growth by creating employment opportunities and providing a platform for businesses to thrive. This year's race is no exception.

The Mercury Sprint boasts a long and impressive history, dating back to its origins as the Natal Flying Championship in the 1990s. In a rapidly changing world, it's comforting to preserve traditions that offer a sense of normalcy and familiarity. Over the years, the Mercury Sprint has evolved into South Africa's premier 1,200m race, renowned for producing champions who have excelled on the international stage. Notable names such as JJ The Jet Plane, National Currency, National Colour, War Artist, and August Rush have all made their mark beyond our borders.

The 2024 edition of the Mercury Sprint will be held at the iconic Hollywoodbets Greyville Racecourse at a time when business confidence in our city is at an all-time high. Government institutions have undergone changes that promise to elevate Durban and KwaZulu-Natal to new economic heights. Horse racing enthusiasts are eagerly anticipating this event, which not only allows them to indulge in their favorite sport but also to contribute to our economy's rejuvenation. Their passion and excitement for the race have been rekindled.

We sincerely hope that punters will enjoy this year's Mercury Sprint, cheering for their favorite horses to win the coveted prize. We remain optimistic that this historic race will continue to attract large crowds, as it has in the past. Finally, we express our gratitude to Gold Circle for its unwavering support of the sport, ensuring that racing thrives despite the many challenges we face.

**PREVIEW**

JOKER MAN (1) bids for his sixth win on the bounce and has won his last two over a mile. He has the best of the draw and will be a worthy favourite on the day. ITSRAININGWILLIAM (4) has useful form in good company over this trip and should be competitive from a good draw. There should not be much between GET IMPRESSED (2) and MONEY HEIST (11) the two having met last time out. Get Impressed is now 1kg better off at the weights which could be enough for him to turn the tables. (Andrew Harrison: 1-4-2-11).

**COMMENT:** Off form**END RACE****RESULT:****PREVIEW**

RODEO DRIVE (2) was a close-up second to star filly Quid Pro Quo in the Gr1 Allan Robertson and franked that form with an effortless romp next time out. She has not been out of the first two in five outings and from a good draw she rates the one to beat.

JUST RECKLESS (7) has only been out of the money once in seven outings. She has been up against Quid Pro Quo at her last two and not beaten far. She should prefer this shorter trip. LITTLE BALLERINA (4) ran way below form when drawn wide on this course at her first attempt at seven furlongs. She has a much better draw over a more suitable trip and she now knows the course. SIMPLY MAJESTIC (1) has started favourite in all six of her starts but steps up in trip. DARK WINTER (8) had been disappointing in her three local starts but fitted with blinkers last time out she was a runaway winner. She does face a lot stronger here but the blinkers appear to have brought her on. (Andrew Harrison: 2-7-4-8).

Frank Robinson removed the blinkers when sending CATS PAJAMAS (5) over 1400m and the colt held on gamely for third in the Gr2 Golden Horseshoe behind Cosmic Speed and Proceed who both have strong chances two races later. He is back over a sprint with the blinkers back on. DANTONFROMANDTON (7) beat CHOCOLATE SOLDIER (2) when meeting winners in his maiden victory. He has come on in blinkers and won well on the poly last time out. He has the added backing of Sean Tarry and Richard Fourie. BUFFALO STORM CODY (3) cruised to a nine-length victory on debut but then found Proceed too hot to handle next time out finishing five lengths behind. That was only his second start and should come on from that effort. IMPACT INVESTOR (9) improved nicely at his second run in KZN and should strip at his peak. He was a beaten favourite last start. (Andrew Harrison: 5-7-9-3).

BET WITH THE WORLD

## EXPECT MASSIVE POOLS TODAY!

For all races today, these betting pools will be commingled with the Hong Kong Jockey Club's massive international World Pool event.

Here are the average expected World Pool totals... per bet type, per race!

### WIN

#### WORLD POOL: R10 MILLION

So you really like the horse? Then back it for a WIN. But remember, it must be first past the post for you to collect.

### PLACE

#### WORLD POOL: R10 MILLION

You'll get a payout if your horse wins, but you'll also collect if it runs a 'place'. A place means finishing among the first three if there are 7 or more runners, or among the first two if there are 4 to 6 runners.

No place betting if there are less than 4 runners.

### EXACTA

#### WORLD POOL: R5 MILLION

Select two horses to finish first and second in the exact order

### SWINGER

#### WORLD POOL: R17 MILLION

You like two horses in the same race? You win if both of your two chosen horses finish in the first three, in any order.

### QUINELLA

#### WORLD POOL: R18 MILLION

Similar to the Swinger, choose two horses, but your two chosen horses must fill the first two places, in any order.

PREVIEW

QUID PRO QUO (12) has a wide draw to contend with as she attempts to make this her fifth win in a row. However, she came from a seemingly hopeless position to win the Gr2 Golden Slipper displaying a tremendous turn of foot. She will undoubtedly be ridden in similar fashion so the draw should not be too much of a concern. FATAL FLAW (7) was ignored in the betting for the Golden Slipper but finished a creditable second from a wide draw. The wily Piere Strydom stays with the ride and she is proven over the trip. Drawn one outside of Quid Pro Quo is the unbeaten LOCK AND KEY (13) who landed the odds on the poly at her second start. She gets Keagan de Melo aboard but regular pilot Richard Fourie has opted to take his chances on stable companion WHISTLE THE TUNE (4) who was a well-beaten third behind Quid Pro Quo last time out. She has the better draw and can finish a little closer.  
(Andrew Harrison: 12-7-13-4).

### END RACE

### PREVIEW

Sean Tarry holds a strong hand in this contest. He saddles Gr1 Gold Medallion winner PROCEED (8), Gr2 Golden Horseshoe winner COSMIC SPEED (9) and LEGEND OF ARTHUR (13) a winner of two of his four starts. Richard Fourie will not doubt have been given the choice of rides and he has plumped for Legend Of Arthur in spite of a wide draw and his stable companions seemingly having the better feature race credentials. He was a beaten odds-on favourite when third behind MOUNT PINATUBO (12) but that run was a slightly below par effort after having beaten Mount Pinatubo by over five lengths at their previous meeting. Grant van Niekerk is back aboard Cosmic Speed after finishing second to Proceed in the Gold Medallion. Cosmic Speed enjoyed the extra furlong last time out beating Proceed comfortably. GREAT PLAINS (4) ran no sort of race in the Golden Horseshoe and that effort is best ignored. Prior to that he came from the clouds to win comfortably. The extra furlong will suit and Keagan de Melo, fresh from his first stint in Hong Kong, will no doubt get the best out of him although the stable has been quiet this winter. ## PREVIEW

LUCKY LAD (13) can cement himself as the country's top sprinter if he can overcome a wide draw. He was pushed all the way to the line in a recent Pinnacle Stakes event but was giving the runner-up 6kg. He clearly did not stay the mile in the Gr1 Gold Challenge but his defining race could be the Gr1 Golden Horse Sprint. He was in all sorts of trouble with a furlong to run as the gaps snapped closed forcing Richard Fourie to take drastic action and the horse good enough to win. A narrow second in the Golden Horse was AT MY COMMAND (5) who ran another cracker when second in the Gr2 Post Merchants last time out. Drawn wide and giving the winner 6kg he beat home a useful field on handicap terms. He has a much better draw this time around. Stable companion I AM GIANT (3) was not so lucky from his wide draw in the Post Merchants but was only four lengths back to the winner. In two previous starts he had run Lucky Lad within a length and he too has a much more favourable gate. The filly GOLDEN SICKLE (1) didn't feature in the Post Merchants but prior to that had run star sprinter Thunderstruck to a neck in the Gr1 Computaform Sprint. This course should suit from her pole position draw. (Andrew Harrison: 13-5-3-1).

## PREVIEW

FUTURE PEARL (6) is the country's top stayer and won this race with ease last year. Sean Tarry has a knack of priming his runners for the big day and now that the gelding steps out over his optimum trip he could prove difficult to peg back. Tarry has a second string to his bow in the veteran stayer and previous winner NEBRAAS (5). The seven-year-old has been improving with every run since being fitted with blinkers. He has dropped in the handicap and now looks to be off a competitive mark. SHOOT THE RAPIDS (15) was closing in quickly on stable companion MADISON VALLEY (7) in the Gr3 Gold Vase over 3000m. The extra furlong and the weight turnover should see him turn the tables on his stable companion. MASTER REDOUTE (3) found plenty of trouble in the Hollywoodbets Durban July and did well to finish five lengths off the winner. He won the Western Cape Stayers over 2800m to this trip should suit. ZEUS (14) ran up a string of victories on the Highveld before his form tailed off. He was only two lengths off Future Pearl when last they met in a much better showing so he cannot be written off lightly. (Andrew Harrison: 6-5-15-3).

## IMPORTANT NOTICE

Patrons are reminded that the picture displayed by GallopTV of race finishes is NOT the official race result until such time as the Judges post their findings and the "All Clear" is given.

PREVIEW

SEE IT AGAIN (10) will be looking for a change of fortune after finishing runner-up in the Hollywoodbets Durban July and The HKJC Champions Cup last year. He could well have finished third in this year's 'July' but for interference in the closing stages and some scrimmaging at the 1400m mark. He has a tricky draw to contend with but being the best weighted runner in this WFA contest he could finally get just reward. Muzi Yeni has opted to partner July third ROYAL VICTORY (8) ahead of Gr1 Hollywoodbets Gold Challenge winner DAVE THE KING (9) with Richard Fourie taking over in the saddle for Mike de Kock. Both will be at home over this trip with Dave The King the likely pacemaker. FLAG MAN (6) finished a creditable fourth in the July but he was ridden handy as opposed to his normal style of racing. He is sure to be dropped out this time around and given a half decent pace he should be running hard at the leaders. COUSIN CASEY (1) is something of a Hollywoodbets Greyville specialist and has finished runner-up in his last three races on this course. He was run out of it late in the July and he is well suited to this trip. (Andrew Harrison: 10-6-8-1).

**DON'T LOSE YOUR COOL - BUT DON'T BRING IT EITHER!!**

No cooler boxes, cooler bags or picnic baskets will be allowed in any of the general public areas at the World Pool Gold Cup meeting at Hollywoodbets Greyville on Sunday 28 July 2024, except the picnic site area. Any containers with food or drink found in public areas will be confiscated.

**So remember, if you bring it you will lose it!**

**COMMENT:** Reserve runner**END RACE****RESULT:****PREVIEW**

Wide open. HAPPY CHANCE (10) was narrowly beaten by Humdinger in the Gr1 Ridgemont Garden Province Stakes and was closing quickly. The extra 400m will suit. RED PALACE (9) was not far off the now retired Humdinger in the Gr1 Ridgemont Garden Province Stakes and is the only ride on the day for Cape Town-based Aldo Domeyer. The filly stays the trip well and should be a big runner. RASCOVA (13) is among the best of her generation and takes on older runners over a trip where she has yet to be tested. However, she has smart form over a mile and this extended trip should suit. However, she has drawn wide which will test her stamina. BEATING WINGS (6) is well tried over the trip and was a close-up third in the Gr1 Woolavington 2000. SAARTJIE (15) has drawn even wider out but she tends to come from well off the pace so the draw should not be a hinderance. (Andrew Harrison: 10-9-13-6)

**END RACE**

RESULT:

**PREVIEW**

DREAMLAND (1) is a short-cut specialist having won his last four on the bounce. He has the best of the draw and Richard Fourie up although he takes the turn for the first time. Two-year-old PISTOL PETE (5) takes on older horses but only has 52kg to shoulder and is lightning quick. He has strong form in juvenile company. KING OF THE GAULS (14) has another wide draw to contend with but appears to be over his optimum trip and is well regarded by his stable. UNDERWORLD (8) is relatively lightly raced. He has his second run after a break after starting favourite last time out and the drop in trip could suit at this stage of his preparation. LUNARCAM (9) is quick and can finish in the money. (Andrew Harrison: 1-5-14-8).
