HORSE WEIGHTS (PPW)

Current horse weight with colours to indicate variance from Peak Performance Weight (PPW)

PPW or Peak Performance Weight is the average weight for up to the last 5 runs where horse finish from 1 to 4. At least 2 runs finishing in the top 4 are required to calculate.

505	Difference <= 1.5% from PPW - 0 to 7.5kg for PPW of 500kg
510	Difference > 1.5% < 3% from PPW - 7.51kg to 15kg for PPW of 500kg
520	Difference > 3% from PPW - Over 15kg for PPW of 500kg
500	Not enough data available to calculate PPW

PREVIEW

LEVITATOR (1) has consistent form over course and distance and has a handy weight from the best of the draw. QUINCY TOWN (2) was much improved in blinkers last run and was just behind Levitator when last they met. But is now 2kg worse off and should not be good enough to turn the tables. SUN IN MY POCKET (11) takes on males but has been consistent. She steps up in trip again from a wide draw but meets some modest opposition and should feature prominently. TASK FORCE (10) takes to the poly for the first time under top weight. He gets first time blinkers and is one to follow in the market. (Andrew Harrison: 1-2-11-10).

The Tote (SIMPLE ARITHMETIC!)

BETTING MADE EASY!

Take 100. Divide it by 50. The answer is 2 . That's simple arithmetic - and it's how totalisator - or 'tote'- betting works.

Prior to a race, all the money bet on the various bet types goes into pools. When the race starts, the pools are frozen. A take-out is deducted, and a nett pool is declared. After the race, the nett pool is divided among all the winning tickets.

EXAMPLE: Assume a nett Win pool of R100 000, and assume there are 5 000 winning tickets. The dividend - or payout - is R20 for each R1 bet, therefore you would collect R120 for a R6 minimum bet.

---------	--	--	--	--	--

PREVIEW

TIPPERARY (3) is struggling but showed up well first run for her new stable and meets a modest line-up. BALTIC ASSAYER (8) shows pace but tends to lack extra. Should feature in this line-up. TOTAL ERUPTION (5) is back to a sprint and makes her poly debut. Can surprise. RUN FOR PEACE (4) has a light weight and back over a sprint. (Andrew Harrison: 3-8-5-4).

The Jackpot bet

BETTING MADE EASY!

What is it? In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

Why would I take one? Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

What's it cost? Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:
Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R16
Easy permutation: 3 horses in each leg = R81

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule...Does not apply to the Jackpot.
Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

COMMENT: Much improved last run.

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

DESERT DOG (12) made marked improvement at his second start. He meets some modest opposition and should feature prominently. TASTE THE RAINBOW (2) improved when stepped up in trip. Can do even better this distance. TEE DOG (9) was narrowly beaten last start when switched to the poly. Struggling but has some fair form and should contest the finish. HALF SOVEREIGN (10) has had two runs since a lengthy layoff. Enjoys the poly and is one to watch. (Andrew Harrison: 12-2-9-10).

COLLECT YOUR WINNINGS TIMEOUSLY

It is in your own best interests to cash your winning tote tickets timeously. Winning tickets that are not cashed on the day of the race may be cashed for a period of 60 days after the race, either on course at a subsequent racemeeting or at a Tote outlet.

COMMENT: Fair handicap debut.

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW									
Competitive, CIRCLE OF GRACE (7) started favourite when making his poly debut. Better this trip and could go can make amends. MOHANDAS (4) was narrowly beaten on the poly at his penultimate start. In good form and should go very close to winning. PHAKA IMALI (3) was not too far back when trying further last outing. The switch to poly should suit. BLAZING LIGHT (9) had his last win over course and distance. Down in class and has a fair chance. (Andrew Harrison: 7-4-3-9).

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

SALANI KAHLE (2) cruised in to an easy maiden win at just his second start. He makes his poly debut taking on stronger but he does look progressive. WORLD OF OUT OWN (1) goes well on the poly and was narrowly beaten last time out. GREEN GLOW (7) disappointed last run after two good wins. He can make amends. FINE ADMIRAL (6) has his peak run after a lengthy break. He could feature at long odds. (Andrew Harrison: 2-1-7-6).

The **Exacta** bet

What is it? To win an Exacta you have to predict two horses to finish first and second in the exact order.

Why would I take one? There are 2 horses in the race that you really fancy. You could take them as a Swinger - lower risk but also invariably a lower dividend. So you opt for the Exacta - harder to win than the Swinger, but will pay more if you do!

What's it cost? Your 2-horse 'straight line' Exacta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can also 'box' your 2 horses, or more than 2 horses. This will cost you:

2 horses 'straight line' = R1 (take 6 times)
2 horses 'boxed' = R2 (take 3 times)
3 horses 'boxed' = R6
4 horses 'boxed' = R12

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take an Exacta on. For a simple 'straight line' Exacta, give your horse number for 'first' followed by your horse number for 'second'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating how many times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

COMMENT: Rating drop. Recent improvement.

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

CURIOUS GIRL (3) shed maiden at second time of asking. Looks progressive and can follow up in a modest field. SPRING KISS (6) is seldom too far back and has dropped further in the ratings. She should be competitive again. ZENA ROSE (11) has come down four points in the handicap and drops in class. One to watch. HEARTS ON FIRE (4) is another who has come down in the handicap. Her best recent effort has been on the poly. (Andrew Harrison: 3-6-11-4).

COMMENT: Rating increase. Could struggle.

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

Three-year-old KANAAL SKATER (7) has won three of his last four and looks progressive. He does take on stronger but they are mostly well exposed older runners and he looks progressive. EL REY VIENE (4) is holding form well. He could be better suited to this shorter trip and rates a strong winning chance. BANK STREET (2) disappointed in the soft turf last run and is back on his preferred surface. PARMENION (1) was much improved over course and distance last run. A repeat could see him in the money again. (Andrew Harrison: 7-4-2-1).

The Bipot bet

BETTING MADE EASY!

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line = R1 (take six times)
Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

COMMENT: Fair form over further.

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

Tough handicap. Veteran COUNT MARSH (9) goes well on the poly and a senior rider gets aboard. CAPPELLINO (1) has consistent form over shorter but meets a modest line-up from the best of the draw. PURPLE POWAHOUSE (5) is struggling for his next win but is over his preferred course and distance and should feature. L'ULTIMO (11) improved last run and has not been far back of late. (Andrew Harrison: 9-1-5-11).
