# The Jackpot bet

BETTING MADE EASY!

**What is it?** In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

**Why would I take one?** Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

**What's it cost?** Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:

**Straight line (1 horse in each leg) = R1 (take 6 times)**

**Easy permutation: 2 horses in each leg = R16**

**Easy permutation: 3 horses in each leg = R81**

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting, e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

*First time runners rule...Does not apply to the Jackpot.*

*Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.*

**Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.**

# Permutations

BETTING MADE EASY!

### How to calculate the cost...

A lady is about to dress for a day at the races, and she's fretting. What should she wear? Finally, she shortlists her options down to: 2 dresses, 7 pairs of shoes, 3 hats, and 5 handbags. This is a real help, because now she only has 210 possible ways to mix 'n match. She may even make it to the track on time for the main race!

210? How did we get that number?

Simply by multiplying

2 (dresses) x 7 (shoes) x 3 (hats) x 5 (bags).

Result = 210.

Calculate your Permutations the same way - count the number of selections you've made in each leg, and multiply to get the total combinations.

Here's a Jackpot example:

LEG 1	LEG 2	LEG 3	LEG 4
5	2	8	4
9	3	10	7
	5	13	9
	7		10
	10		15
	11		
	14		

$$2 \times 7 \times 3 \times 5 = 210 \times R1 = R210$$

**Explanation:** This Permutation results in 210 different straight line combinations.

# The Bipot bet

**What is it?** To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

**Why would I take one?** In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

**What's it cost?** Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

## BETTING MADE EASY!

Costs:

**Straight line = R1 (take six times)**

**Easy permutation: 2 horses in each leg = R64**

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

*Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.*

**Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.**

PREVIEW					
1 JORDASH ran a fair race on debut behind the very talented Winter Snap, she was very green in running and stayed on well to finish just under three lengths behind the winner, she will love the step up in trip to 1200m, if she has made the necessary improvement back at home, she will be hard to beat. 2 WHATASTAR has done everything right in her first two starts at the races, she is a lovely filly that tries really hard, there is no doubt she will be involved in the finish. 9 TAKE IT AS RED will enjoy the step up in trip to 1200m, her first two runs have been good, watch her late, she will be running on strongly. 5 PARALEGAL was only beaten just over two lengths on debut, she ran against winners in that race and caught the eye late, watch for big improvement from this well-bred filly. PREVIEW

4 MISS WORLD has been in cracking form of late, she was heavily backed in the market last time when running second to Mai Sensation, the blinkers come off, on her best form, she will go very close to winning this tricky race. 5 BABELICIOUS quickened up smartly with the blinkers on to win a lovely race on the 28th of December, this will be a step up in class for her on Tuesday afternoon, but she is progressive and must be respected. 2 TRIP TO MAPUTO had absolutely no luck in running on the 18th of December, she had traffic problems throughout the race and then stayed on strongly to make up good ground late, watch her closely, she will be flying at the finish. 3 ARTISTE is much better than her recent start, she is very talented on her day, include her into all bets.  
(Brandon Bailey: 4 - 5 - 2 - 3)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

5 ANOTHER DREAM was heavily supported in the market on the 18th of January when showing plenty speed early and then getting tired late behind shock winner Princessontherun, she needed that run quite badly and should improve significantly, include her into all bet types. 7 RAHHABBA has been in great form of late, she drops in trip for this Maiden Plate on Tuesday afternoon, she will be stalking the speed early and should be working into the race late, she must have a good each way chance here. 13 HOERIKWAGGO never got into the race when it mattered most last time, she was very disappointing, if she can bring her first run to the races and build on that performance, she will be hard to beat. 9 PLAYFUL JOULES ran a good race on the 18th of January behind Shesgotclass, on her best form she can sneak into the Quartet. (Brandon Bailey: 5 - 7 - 13 - 9)					

# The Place bet

BETTING MADE EASY!

**What is it?** To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

**Why would I take one?** You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

**What's it cost?** A Place bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)....but you will get paid out 6 times the

dividend if you win: 1horse = R1 (take 6 times)

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

*NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.*

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

11 MEG'S LEGACY comes back to the races from a small break of 62 days, her first run was super impressive behind Love Story and then she backed that up with a fair run behind Casa Estiva, she is well related this filly, she will be switched off early and then run on strongly late, watch her closely at a decent price. 5 FLYING FINLEY never runs a bad race, his form is solid and super consistent, Jockey Richard Fourie sticks with him, he will be right there again on his best form. 6 POETIC PRINCESS has been well tried in the maiden ranks, she was fairly beaten in her last start behind Shesgotclass, with some luck in running, she could earn some money for the connections. 4 HERITAGE RIDGE was well beaten in her last start, she is much better than that performance, include her into the play. (Brandon Bailey: 11 - 5 - 6 - 4)

# The Swinger<sup>®</sup> bet

BETTING MADE EASY!

**What is it?** To win a Swinger, you have to predict 2 horses that finish either first and second, or first and third, or second and third - and there is a dividend for each of these outcomes.

**Why would I take one?** Because you fancy 2 horses that you think can at least place – and you've calculated that the Swinger dividend on your chosen horses will pay more than the individual Place dividends combined. (TV monitors display progressive Swinger dividends.)

**What's it cost?** A Swinger bet on your horses will cost you R1 – but the minimum bet for a Swinger is R2. (All other horseracing bet types have a R6 minimum bet.) To increase your chances of winning, you can 'box'\* more than 2

horses, and the cost rises like this:

**2 horses = R1** (take twice to comply with R2 minimum)  
**3 horses = R3**  
**4 horses = R6**  
**5 horses = R10**

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Swinger on. Then give your chosen horse numbers, and the number of times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

\* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

8 LANDOFOTHERISINGSUN gets the perfect opportunity to exit the maiden ranks, despite him carrying top weight in this Open Maiden, he brings in solid form and will be very hard to beat. 9 CRESCENT showed good improvement last time when running second behind My Archangel, he is still improving and should enjoy the step up in trip to 1600m, include him into all bets. 4 REAL STUNNER ran a much better race over 1600m in his last start behind Red Dawn, the form lines of that race have worked out well, from a good draw he will get the run of the race, watch him closely at a decent price. 5 ARIOVISTUS has changed stables and been gelded, he is a lovely looking individual that just needs time to mature, he could sneak into the places if he doesn't need the run. (Brandon Bailey: 8 - 9 - 4 - 5)

## PREVIEW

7 PLEASE BE TRUE was desperately unlucky in his last start behind Legal Counsel, he was continuously balked in running from the moment they turned for home, this is a smaller field, and he will love the step up in trip to 1600m, if the race works out for him, he will be extremely tough to beat. 6 KING'S QUEST ran a terrific race out of the maidens in his last start on the 25th of January, he looks very progressive and must be respected in a big way here. 3 TOUCHDOWN is much better than his last start when running just over four lengths behind the winner, he should enjoy the drop in trip, on his best form, he would have a good money chance. 1 BOOGIFIED has been rested for a long time, if he doesn't need the run badly, he could sneak into the places at a decent price. (Brandon Bailey: 7 - 6 - 3 - 1)

### PREVIEW

4 BOMBERS IN THE SKY quickened up really well to win a good race on the 18th of January, he is a lovely looking gelding that will get better and stronger with every race, this will be his first run out of the maidens and he steps up in trip, off this rating, he will have a good winning chance again. 9 HELIOTROPE stayed on strongly from a long way back in her last start behind Aladdin's Lamp, she stays well and she will keep grinding all the way to the line, watch her closely at a decent price. 5 PRIME VENTURE has been in good form of late, if he needs a particular ride, if the race works out for him, he should be competitive. 8 FLY FUTURA has run two good races in succession, if he stays the 2200m trip, he would naturally have a good place chance. (Brandon Bailey: 4 - 9 - 5 - 8)

PREVIEW									
<p>6 LA DIVINA is much better than her recent run behind Alltheboysiloved, she unfortunately had one or two hard luck stories in the race, she can be a strong front runner on her day, if she manages to go off and lead the field, she will be hard to peg back late, include her into all bets. 5 SOHOT SOWHAT looks to be a smart filly in the making, her last two wins have been nothing short of impressive, the yard think highly of this filly, the step up in trip should be no problem at all for this individual, she will be the horse they all need to beat. 3 JOU LEKKER DING never runs a bad race, there should be no excuses for her from a good draw, she must have a good place chance again. 7 FROM A DISTANCE will need to improve quite a bit to win a race like this, but on her best form, she could easily sneak into the places and make the exotics pay. (Brandon Bailey: 6 - 5 - 3 - 7)</p>									

## The Swinger bet BETTING MADE EASY!

**What is it?** To win a Swinger, you have to predict 2 horses that finish either first and second, or first and third, or second and third - and there is a dividend for each of these outcomes.

**Why would I take one?** Because you fancy 2 horses that you think can at least place – and you've calculated that the Swinger dividend on your chosen horses will pay more than the individual Place dividends combined. (TV monitors display progressive Swinger dividends.)

**What's it cost?** A Swinger bet on your horses will cost you R1 – but the minimum bet for a Swinger is R2. (All other horseracing bet types have a R6 minimum bet.) To increase your chances of winning, you can 'box'\* more than 2

horses, and the cost rises like this:

**2 horses = R1** (take twice to comply with R2 minimum)

**3 horses = R3**

**4 horses = R6**

**5 horses = R10**

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Swinger on. Then give your chosen horse numbers, and the number of times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

\* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

## IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW					
7 GRAVITY stayed on well in a driving finish to run third behind Electric Feels on the 1st of February, this looks to be a nice race for him to be very competitive again, if the race hasn't come too soon for him, he should run a cracker for the connections.					
1 WINTERONTHEGREEN has run two fair races in her last two starts up the straight at Hollywoodbets Kenilworth, she looks like the type that will get better and stronger with every start, this doesn't look to be a strong race on paper, she could easily show the improvement needed to win a race like this. 2 EASY MONEY always has a money chance at this level, if she can build on her recent performance behind King Viserys, she will be right there in the finish. 3 COUNTRY TIME continues to drop in the ratings, her recent form suggests that she is getting closer and closer to winning her next race, she could be the value in a wide open race.					
(Brandon Bailey: 7 - 1 - 2 - 3)					

# The Win bet

**What is it?** You must predict the first horse past the post – that's it!

**Why would I take one?** You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

**What's it cost?** A Win bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win : 1horse = R1 (take 6 times)

## BETTING MADE EASY!

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

**NOTE:** You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

## IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.
