"Form" is information! BETTING MADE EASY!

The basic theory of form is that a horse's past performances are a good indicator as to how well it will run in the future.

Your challenge, when studying form, is to answer the question:

"Given all this information, how will each horse perform today?"

The formline gives you literally hundreds of variables to ponder – and serious students of form are fascinated by all of it. To keep it simple, we suggest you stick to studying three main aspects to start with:

1. Finishing Position. Has the horse won recently? Has it placed recently? Does it consistently run unplaced?

2. Lengths Behind. When beaten, has the horse been well-beaten, or only narrowly-defeated?

3. Distance. Has the horse competed over today's race distance – or reasonably similar distance – before? If so, how did it do?

You can find your form in the official racecard, several commercially published formguides, or in the newspapers.

PREVIEW					
2 ASHIKULE stayed on powerfully behind Military Command on debut, he was still very green and managed to finish second behind a smart horse that went on to win the Cape Slipper, with form like that and with natural improvement on the cards, he will be very hard to beat here. 5 SPIRIT is a lovely colt, there is no doubt that he will mature into a nice horse with time, the yard thinks highly of this individual, he must be included into all bets. 11 DEMANDING DAVE showed good improvement from his first start into his second start, he should be finishing off his race strongly, watch him closely. 8 CALL OF THE KAROO has been rested for 77 days, she is much better than her last run, if she can put that poor performance behind her, she could sneak into the places. (Brandon Bailey: 2 - 5 - 11 - 8)					

The Place bet

BETTING MADE EASY!

What is it? To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

Why would I take one? You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

What's it cost? A Place bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)....but you will get paid out 6 times the

dividend if you win: 1horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

12 MARKETA ran a super race on debut behind Cliffscape on the 22nd of March, she was drawn poorly at Hollywoodbets Durbanville and she still managed to run just three lengths behind the winner, there is no doubt that she will improve tons from that performance, watch her closely, she has a big winning chance. 1 UNA THE UNICORN improved nicely in her second start at the races behind Cliffscape, she will be stalking the speed early, and she will be storming home late, include her into all bets. 2 PARALEGAL ran a lovely second behind Jordash on the 11th of February, her form is good, she will be right there in the finish. 7 GOT THE LOOK was only beaten just over five lengths on debut, the form of that race has worked out well, she could sneak into the places at a big price. (Brandon Bailey: 12 - 1 - 2 - 7)

The Quartet bet

BETTING MADE EASY!

What is it? To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

Why would I take one? You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

What's it cost? Your 4-horse 'straight line' Quartet will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 4 horses, or more.

- 4 horses 'straight line' = R1 (take 6 times)
- 4 horses 'boxed' = R24
- 5 horses 'boxed' = R120

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

4 THINGAMABOB ran a fair race behind Wehaveasituation on the 26th of March, she was unfortunately drawn badly on that occasion which didn't help her chances, now that she drops back in trip, she should have a good winning chance here. 9 CAPE CAPTAIN has improved nicely in her last two runs up the straight at Hollywoodbets Kenilworth, the yard is in great form at the moment, she must have a good each way chance in this wide open race. 6 ALEX MILLER drops back in trip for this Open Maiden on Saturday afternoon, she never runs a bad race, this looks to be a good opportunity for her to exit the maiden ranks, include her into the play. 15 ALESSIA ASHEVILLE could be some decent value, she has been drawn terribly in her last two starts at Hollywoodbets Durbanville, and she has run two very nice races from those bad draws, with some luck in running on Saturday, she could absolutely trouble them all in the finish. (Brandon Bailey: 4 - 9 - 6 - 15)

The Pick 6 bet

BETTING MADE EASY!

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R64
Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting.e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value, OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6...If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

5 HERITAGE RIDGE has run two very good seconds in succession, she is gutsy and she tries hard, this looks to be the perfect race for her to exit the maiden ranks, she will be tough to beat. 2 TRIPPING THUNDER is as consistent as they come, he never runs a bad race, he will be on speed and should be in it for a long way, include him into all bets. 10 DIGBY has been rested for a long time, he ran a super race on debut behind Billy Cool, if he doesn't need the run badly, he could certainly win a race like this. 11 IKO IKO has been rested for 298 days, his form is good, if he doesn't need the run, he could be a major factor here. (Brandon Bailey: 5 - 2 - 10 - 11)

The Swinger bet

BETTING MADE EASY!

What is it? To win a Swinger, you have to predict 2 horses that finish either first and second, or first and third, or second and third - and there is a dividend for each of these outcomes.

Why would I take one? Because you fancy 2 horses that you think can at least place – and you've calculated that the Swinger dividend on your chosen horses will pay more than the individual Place dividends combined. (TV monitors display progressive Swinger dividends.)

What's it cost? A Swinger bet on your horses will cost you R1 – but the minimum bet for a Swinger is R2. (All other horseracing bet types have a R6 minimum bet.) To increase your chances of winning, you can 'box' more than 2

horses, and the cost rises like this:

2 horses = R1 (take twice to comply with R2 minimum)

3 horses = R3

4 horses = R6

5 horses = R10

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Swinger on. Then give your chosen horse numbers, and the number of times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

8 KONNICHIWA stayed on strongly last time behind Bel Canto Dream, his last two runs have been very good, it's not a straight forward race on paper, but he definitely has a good each way chance on Saturday. 4 GOLD DUST ran a terrific race behind Dubbelosix on the 5th of March, there is no doubt that he is improving with every start, he should get the run of the race from a good draw, include him into all bets. 2 VAPOUR TRAIL has been rested for 66 days, he is a two-year old taking on older horses which won't be easy, but he is packed with ability and should love the step up in trip from a good draw. 1 SMART HORSE was well beaten last time behind Noble Hero, he could sneak into the places at best. It's a tricky race, you will need to go wide in all your bets. (Brandon Bailey: 8 - 4 - 2 - 1)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

5 KINDA WONDERFUL stayed on exceptionally well behind the improving Give Me Everything in the Listed Cape Fillies Classic, she will be stalking the speed early and running on strongly late, she must have a good winning chance here. 3 PRINCESS IZZY ran a lovely race in the Grade 3 Prix Du Cap on the 22nd of February, she absolutely loves this trip of 1400m, from a good draw, she will be competitive and must be respected. 9 SCARLET MACAW is much better than her last run, ignore that poor performance, even though she is drawn awkwardly, she should appreciate dropping in trip and will be hitting the line hard late. 7 CALLMEGETRIX is as honest as they come, it will be a tough task for her to win, but she could earn some place money for the connections. (Brandon Bailey: 5 - 3 - 9 - 7)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

3 GARRIX was gelded on the 24th of February, he is undoubtedly one of the better three year old's in the country, his form is excellent and he will love the drop in trip to 1600m, he will be very hard to beat. 4 ZAPATILLAS ran a much better race in the Listed Jet Master Stakes behind The Real Prince, he is a good looking sport packed with tons of ability, he is slowly starting to drop in the ratings, watch him closely, he should be right there in the finish on his best form. 9 LET IT BE SAID won well on the 8th of March at Hollywoodbets Durbanville, he can be quite strong in his races, if he relaxes early and settles into a good rhythm, he could be competitive with no weight on his back. 5 BILLY BOWLECS had no luck in running last time, he was taken up for a number of strides in the home straight, with a clear passage on Saturday, he could sneak into the places at a decent price. (Brandon Bailey: 3 - 4 - 9 - 5)

The Trifecta bet

BETTING MADE EASY!

What is it? To Win a Trifecta, you have to predict the first 3 horses past the post in the exact order.

Why would I take one? All indicators are that there are 3 outstanding horses in the race. You could take the 3 as a boxed Swinger, but the Trifecta dividend invariably pays out much more than all three individual Swinger dividends combined! More risk, more reward!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Trifecta on. For a simple 'straight line' Trifecta, give your horse number for 'first' followed by your horse numbers for 'second' and for 'third'. If you're boxing, simply call your numbers and specify that you want them

boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

What's it cost? Your 3-horse 'straight line' Trifecta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 3 horses, or more than 3 horses.

- 3 horses 'straight line' = R1 (take 6 times)
- 3 horses 'boxed' = R6
- 4 horses 'boxed' = R24
- 5 horses 'boxed' = R60

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

COMMENT: Better run last time. Bad draw															

RESULT:					
PREVIEW					
7 LA PULGA absolutely took off late to run a great race behind All Out For Six on the 16th of March, he was a long way back in running and really caught the eye late, he should love the step up in trip to 1800m, on his best form, he will be hard to beat here. 5 PINOT GRIGIO has been rested for 115 days, he is still improving with every start, if he doesn't need the run badly, he could be a serious threat with no weight on his back. 8 RULE OF THUMB won well on the 8th of February at Hollywoodbets Kenilworth, he was given three points for that victory, he is a gutsy sort that tries hard, if the race works out for him, he could earn again in this competitive race. 3 FIBONACCI hasn't won for a long time, he ran a fair race last time behind Legal Counsel, if he can improve from that performance, he will have a money chance. (Brandon Bailey: 7 - 5 - 8 - 3)					

THE RESPONSIBILITY IS YOURS!

PLEASE CHECK YOUR TICKETS

as errors cannot be rectified after the running of the race –
Tickets should be checked as follows:

The Win bet

What is it? You must predict the first horse past the post – that's it!

Why would I take one? You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name – but you think it can win the race.

What's it cost? A Win bet on your horse will cost you R1 – but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win : 1horse = R1 (take 6 times)

BETTING MADE EASY!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

NOTE: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

7 KAIBOY is packed with ability, he ran a lovely second behind Symphony In White on the 26th of February, the yard have always spoken highly of this individual, he should get a good run in transit just behind the speed, and he will be low flying late. 9 ARCTIC WIZARD had no luck in running from a wide draw last time at Hollywoodbets Durbanville, ignore that run completely, he will be on speed and should run a cracker now that he is back up the straight at Hollywoodbets Kenilworth. 1 ELUSIVE WINTER has been in excellent form of late, he is a real speedball, he looks to be maturing into a nice sprinter, this is the horse they will all need to fetch late, he must be respected. 8 NORDIC CHIEF quickened up smartly to win a good race on the 5th of March, he was given four points for that win, he must be included into the Quartet. (Brandon Bailey: 7 - 9 - 1 - 8)

PREVIEW

7 THE US OF A has been rested and gelded, he is much better than his last run on the 25th of January, if he doesn't need the run badly, he will be super competitive on his best form. 8 PIROSHKA has dropped nicely in the ratings, his form of late has been very good, he could be some decent value in the lucky last. 11 RATTLESNAKE stayed on strongly late last time behind Peace Of Mind, if he gets the right run in transit, he will be hitting the line hard, include him into all bets. 16 PEACE OF MIND led the field from start to finish on the 16th of March, she won a good race, she was only given two points for that victory, with similar tactics here, she could be hard to fetch, watch her closely. (Brandon Bailey: 7 - 8 - 11 - 16)

PREVIEW

1 LITTLEMISSPLENDID made a good debut behind a good sort and then won well second time out over this course and distance and she has a chance from a nice high draw despite having to give 3kg to the rest of the runners. 5 JINGLEBERRY is by Gimmethgreenlight out of a Western Winter mare who comes from a strong family. 6 MATCHA MINT is by Gimmethgreenlight out of a Fastnet Rock mare. 7 RED CARAMEL has shown some ability and has the standside draw. PREVIEW

1 ARISTOTLE has plenty of class and went close over 1600 metres last time and should also enjoy this trip despite being bred for further, but does have a tricky draw. 4 GRAND CRESCENDO is much better than his last start and with Gavin Lerena now up he should bounce back over a trip which should suit. 5 SALUTE THE FLAG can also do better than last time and will enjoy the step down in trip. 2 GIMMEANOTHERCHANCE is ideally distance suited and has a middle draw but does come off a disappointing run in the Hawaii Stakes. PREVIEW

1 ART NOUVEAU made a good Highveld debut for the Peter yard over a trip which was likely too sharp, so she will enjoy the step-up and trip here, although she was due to run in midweek and it remains to be seen whether she'll line up here. 8 JINGER JAM choked up last time and was pulled up, but in her previous race she looked likely to run second before being squeezed out between another horse and the rail, so she has a much better chance here than her form suggests. 7 CITY LIGHTS is a long time maiden but is usually thereabouts and could be again in this line-up. 2 ARTIC SILVER should enjoy the step-up in trip being out of a Silvano mare and she has drawn well. (1-8-7-2)

PREVIEW

1 THUNEE PLAYA has class and should do well here as he has likely been freshened up and this trip is on the sharp side.
 2 RADICCHIO should enjoy this trip and is in fine form but does have a tricky draw. 4 MUSICAL SCORE bounced back with a good run last time and from a good draw with Gavin Lerena up, he should be involved. 3 NAVAJO NATION has been running in stronger fields, but back in this company should have a chance from pole position. PREVIEW														
1 DREAMLAND loves this course and distance and with a 4kg climber aboard, he should go close. 8 YAMADORI is in good form and should be also involved in the finish. 4 COSMIC STAR is drawn towards the right side and can be involved in the finish. 6 CHYAVANA has plenty of ability and coming back from a rest over this trip should not pose too much of a problem. 4 THE SPECIALIST has plenty of ability and could have benefitted from a lay off. 2 BUFFALO STORM CODY impressed last time and should also make a bold bid. 1 MOUNT PINATUBO beat the Specialist by 1.3 lengths last time but is now 3kg worse off. 5 SALENIO PENINSULA could earn in this line up from a high draw. PREVIEW						
9 FREE IN SEATTLE is knocking on the door and over a suitable trip from a good draw should go close. 3 FLAMBOYANT FLYER is drawn in pole and with Piere Strydom up should be right there. 10 LAPIS LAZULI won a good race last time and looks to be on the up so could earn here. 4 KEY WORKER is a capable sort and should be in the shake up.
