# The Bipot bet

BETTING MADE EASY!

**What is it?** To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

**Why would I take one?** In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

**What's it cost?** Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:

**Straight line = R1 (take six times)**

**Easy permutation: 2 horses in each leg = R64**

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

**Scratchings:** There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

**Note:** Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

# The Place bet

BETTING MADE EASY!

**What is it?** To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

**Why would I take one?** You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

**What's it cost?** A Place bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)....but you will get paid out 6 times the

dividend if you win: 1horse = R1 (take 6 times)

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

*NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.*

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

Great race. Almost a full field of well-bred first timers that will line up at the 1000m mark, my only advice would be to watch the market closely, and watch them move down to the gates before making your final selections. 6 CHAMPAGNE CASTLE ran a great race on debut behind her stable companion (Querari Dancer) on the 22nd of November, she was a touch slow out the gates, and she really stayed on strongly to finish just under two lengths behind the winner, she will improve tremendously from that run, watch her closely, now that she has some experience, she could be hard to beat here, 7 FYFIELD LEGEND ran a cracker on debut in the same race as Champagne Castle last time, he showed great speed early, and stayed on well to finish just under three lengths behind the winner on that occasion, he will love the extra 200m on Saturday, include him into all bets. | 4 GALLIC KING ran a terrific race for third behind Foudre on the 19th of November at Hollywoodbets Kenilworth, he is a lovely looking colt with a great action, he is getting better and better with more racing, this looks to be the right race for him to exit the maiden ranks. 2 ROCKANROLLIN has been rested for 77 days, he is very consistent, he ran a nice race for third behind Coco's Hero at Hollywoodbets Durbanville on the 27th of September, the yard have dropped this colt in trip on Saturday, if he doesn't need the run badly, he will have a big say in the finish. 1 THESHOWMUSTGOON has run two excellent races in succession, he ran fifth in his last start up the straight at Hollywoodbets Kenilworth, even though he wants a bit further, he will be doing some good work late. Watch the first timers closely, they could be anything on debut. (Brandon Bailey: 4 - 2 - 1 - 6) |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |

# The Exacta bet

BETTING MADE EASY!

**What is it?** To win an Exacta you have to predict two horses to finish first and second in the exact order.

**Why would I take one?** There are 2 horses in the race that you really fancy. You could take them as a Swinger - lower risk but also invariably a lower dividend. So you opt for the Exacta - harder to win than the Swinger, but will pay more if you do!

**What's it cost?** Your 2-horse 'straight line' Exacta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can also 'box' your 2 horses, or more than 2 horses. This will cost you:

2 horses 'straight line' = R1 (take 6 times)

2 horses 'boxed' = R2 (take 3 times)

3 horses 'boxed' = R6

4 horses 'boxed' = R12

\* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take an Exacta on. For a simple 'straight line' Exacta, give your horse number for 'first' followed by your horse number for 'second'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating how many times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

5 CHURCHILLIAN was mighty unlucky in his last start behind Demanding Dave, it was his first run back after a small break, he was inconveniently at the start of the race, and that quite simply cost him victory on the 15th of November, he is supremely talented, even though he has a big weight to shoulder on Saturday, he will go close to winning. 3 SPIRIT ran a fair race in the Listed Sophomore Sprint on the 22nd of November, he was beaten just over four lengths by Green Gateway, the yard thinks highly of this individual, top jockey Richard Fourie has been booked to ride, include him into all bets. 8 MAURITIUS KESTREL could be some nice value for the places, he travelled powerfully in his last start behind Pomp It Up on the 22nd of November, he has dropped significantly in the ratings, he will be doing some good work late. 1 NIGHTRAIN was gelded on the 4th of November, he was beaten just under six lengths by One Liner on the 2nd of November, if the gelding has helped, he will be competitive on his best form. (Brandon Bailey: 5 - 3 - 8 - 1)

# The Pick 6 bet

**What is it?** In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

**Why would I take one?** The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

**What's it cost?** Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

**BETTING MADE EASY!**

Costs:

**Straight line (1 horse in each leg) = R1 (take 6 times)**  
**Easy permutation: 2 horses in each leg = R64**  
**Easy permutation: 3 horses in each leg = R729**

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting.e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

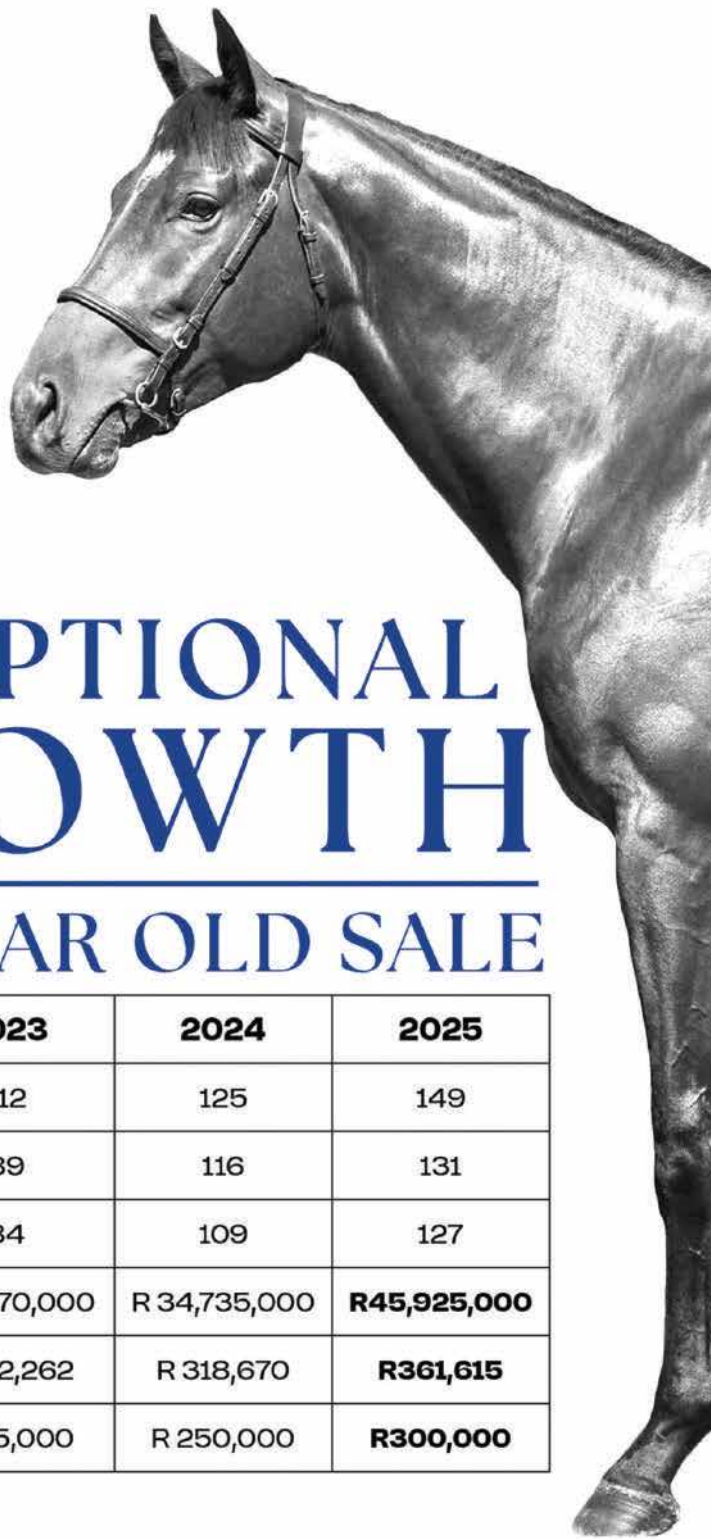

**First time runners rule in the Pick 6...***If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.*

**Scratchings:** There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

**Note:** Dividends are paid out in respect of the official finishing position in each race, as determined by the Judges.

| 8 SWIATEK finished like a train in her last start behind Double Grand Slam on the 22nd of November, she has no weight on her back for this race, and she steps up in trip to 1800m, if the gaps open at the right time, she will go close to winning. 9 RED PALACE ran a great race behind Legal Counsel on the 8th of November at Hollywoodbets Kenilworth, she was entitled to need that run after a long break, she is a quality mare with tons of ability, if she gets some luck in running from a wide draw, she will be competitive. 5 RAINBOW LORIKEET stayed on well for fourth in the same race as Swiatek on the 22nd of November, she will improve tremendously going into this race on Saturday, now that she steps up in trip, she should bounce back to her best form. 4 LITTLE SUZIE needed her last run badly on the 19th of November, the step up in trip will help her chances on Saturday, watch her closely at a decent price. # The Quartet bet

BETTING MADE EASY!

**What is it?** To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

**Why would I take one?** You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

**What's it cost?** Your 4-horse 'straight line' Quartet will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 4 horses, or more.

4 horses 'straight line' = R1 (take 6 times)

4 horses 'boxed' = R24

5 horses 'boxed' = R120

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet.

\* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

---

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

**IMPORTANT NOTICE**

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

## PREVIEW

2 GLADATORIAN must have a big winning chance, he was all heart to win a super race over 1200m at Hollywoodbets Greyville on the 7th of November, he will absolutely love the 1600m trip at Hollywoodbets Kenilworth on Saturday, from a neat draw, he will go close.  
3 THE REAL PRINCE has been rested for 139 days, he moved up like a winner in the Grade 1 Champions Cup at Hollywoodbets Greyville on the 27th of July, he is a wonderful horse with tons of ability, there is no doubt that he will be right there in the finish.  
9 GARRIX needed his last run badly after a long break, he was beaten just over four lengths by Legal Counsel on the 8th of November, he should be much fitter on Saturday, if he bounces back to his best form, he will run a cracker.  
6 MON PETIT CHERIE won a cheeky race up the straight at Hollywoodbets Kenilworth on the 26th of November, she was entitled to need that run after a lengthy break, there is no doubt that she is packed with class and ability, watch her closely here, she will make the boys work hard for victory.  
(Brandon Bailey: 2 - 3 - 9 - 6)

## IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

## PREVIEW

2 GIMMIE RULES won well at Hollywoodbets Kenilworth on the 15th of November, he was given four points for that win, the yard thinks highly of this colt, he will be just off the speed early, and he will be motoring home late. 4 JAN VAN GOYEN was touched off in the Grade 2 Dingaans at Turffontein Racecourse on the 29th of November, that was his first run back after a long break, in hope that this run hasn't come too soon, he will go very close to winning. 10 RANDOLPH HEARST came from stone last to run a great second in the Grade 2 Cape Punters Cup on the 22nd of November, the bump close to the finish may have cost him victory on that occasion, he will be switched off early from a wide draw on Saturday, and he will be low flying late, include him into all bets. 7 HAPPY VERSE had absolutely no luck behind Good For You last time, he was caught deep throughout the race, and he was taken up for running close to the finish line, he could be the value horse in this race if everything goes according to plan. (Brandon Bailey: 2 - 4 - 10 - 7)

| 5 REGULATION sprinted away from his field impressively on the 22nd of November, he was given six points for that win, if he brings that performance to the track again on Saturday, with no weight on his back, he will go very close to winning again.                                                                                                                                                                                                                                                                               |  |  |  |  |  |
| 1 LANDOFTHERISINGSUN has been rested for 77 days, he was given a great ride by jockey Muzi Yeni on the 27th of September at Hollywoodbets Durbanville, he fought hard to win a good race, he is clearly improving with every start, from a good draw, and with no weight on his back, he is a serious runner in this race. 6 MAJOR MASTER quickened up beautifully to win a good race on the 3rd of December, he was given five points for that win, jockey Sean Veale knows this gelding well, he will be doing some good work late. |  |  |  |  |  |
| 3 ZEITZ was heavily backed in the market when finishing fourth behind Legal Counsel last time, he only got going when the race was over on that occasion, the blinkers have been removed, and he steps up in trip to 1800m, watch for sharp improvement.                                                                                                                                                                                                                                                                              |  |  |  |  |  |

PREVIEW

3 MENTE ET MANU ran a lovely race for fourth behind Chasingtherainbow on the 10th of November, he needs a particular ride, Richard Fourie sticks with this gelding, from a neat draw, he will go close to winning the lucky last. 4 KING'S QUEST ran a fair race behind Coco's Hero on the 15th of November, he was only beaten just over three lengths at the line, he should love the drop in trip to 1600m on Saturday, include him into all bets. 6 MARCUS AURELIUS won going away at the line last time, he quickened up smartly to beat Givethatmanabells impressively on the 10th of November, even though he has gone up in the ratings, he is improving, he will be right there in the finish late. 7 GALLIC VICTOR is much better than his last run, he was heavily supported in the market when finishing just under five lengths behind Coco's Hero, the drop in trip could be key for this colt on Saturday, he definitely has the ability to win a race like this. (Brandon Bailey: 3 - 4 - 6 - 7)

# The Win bet

**What is it?** You must predict the first horse past the post – that's it!

**Why would I take one?** You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

**What's it cost?** A Win bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win : 1horse = R1 (take 6 times)

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

BETTING MADE EASY!

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

*NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.*

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.
