The Bipot bet

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

BETTING MADE EASY!

Costs:

Straight line = R1 (take six times)

Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

The Place bet

BETTING MADE EASY!

What is it? To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

Why would I take one? You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

What's it cost? A Place bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)....but you will get paid out 6 times the

dividend if you win: 1horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

A STAKES

For All Horses

- Benchmark at 61,5 kg = 113 & above
- Benchmark at 60,0 kg = 110 to 112
- Benchmark at 58,5 kg = 107 to 109
- Benchmark at 57,0 kg = 104 to 106
- Benchmark at 55,5 kg = 101 to 103
- Benchmark at 54,0 kg = 98 to 100
- Benchmark at 52,5 kg = 95 to 97
- Benchmark at 51,0 kg = 94 & below
- The winner of this race will not incur a penalty of more than 6 Rating points
- There will be no rating increase for placed & unplaced horses
- Sex allowance of 2.5 kg for Fillies and Mares, subject to a minimum weight of 50 kg

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

10 BLACK EAGLE moved up like a winner in his last start, he travelled really well in his race, he only got caught very late by Blind Date, this looks to be the perfect race for him to exit the maiden ranks, he will be hard to beat. 3 SUNSHINE SUPERMAN was terribly green on debut, he was caught a long way back in running, he absolutely took off late to run a great race behind his stable companion on the 10th of July, he will make tons of improvement, watch him closely, he can certainly earn for the connections here. 9 IN MOTION was gelded on the 19th of June 2025, he ran a lovely race on debut behind Late December, watch for big improvement, he should be amongst the places. 4 PRINCE OF EGYPT ran a much better race last time, even though he wants further, he could sneak into the Quartet. (Brandon Bailey: 10 - 3 - 9 - 4)

HOLLYWOODBETS KENILWORTH RACE 2 - Abt/1200m

END RACE				
RESULT:				
PREVIEW				
10 POMP IT UP drifted badly in the market on debut, he was just off the speed early, and really caught the eye late behind African Memoir on the 15th of July, he should make tons of improvement from his first run into his second run, this looks to be a nice race for him to be super competitive. 6 IKO IKO ran a great race behind Note To Self last time up the straight at Hollywoodbets Kenilworth, he is very consistent, he should be right there in the finish again. 9 PRINS JASPAR has been rested for 104 days, he ran a fair race on debut behind Happy Verse, if he doesn't need the run badly on Sunday, he should be amongst the places. 5 DAY IN DAY OUT ran a shocking race in testing conditions on the 10th of July, he is much better than that performance, the blinkers have been fitted, hopefully he can bounce back to his best form. (Brandon Bailey: 10 - 6 - 9 - 5)				

The Pick 6 bet

BETTING MADE EASY!

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)

Easy permutation: 2 horses in each leg = R64

Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting.e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6...If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

THE RESPONSIBILITY IS YOURS!

PLEASE CHECK YOUR TICKETS

as errors cannot be rectified after the running of the race –
Tickets should be checked as follows:

VENUE → **GAU** 30/07/02 **Race 3** ← RACE NO.

WESTERN CAPE
EQUINE TRUST
REHOMING PROGRAMME

LOOKING OUT FOR THE FUTURE OF EX-RACEHORSES

Our Mission

-  Dedicated to the safe & secure future of ex-racehorses
-  Each horse assessed for temperament & ability
-  Holistic re-schooling focused on ground work with basic riding
-  Only when ready, advertise for re-homing via social media
-  Applicants obliged to work with chosen horse prior to adoption
-  Re-homing process includes property inspection of future home
-  Ongoing monitoring of each re-homed horse
-  Run by volunteers, funded by donors
-  Western Cape Equine Trust is a Public Benefit Organization & may provide Tax Certificates

10th	R50 000	20th	R25 000

HOW IT WORKS?

POINTS ALLOCATION:

1ST = 20 | 2ND = 15 | 3RD = 10 | 4TH = 8 | 5TH = 6 | 6TH to last = 5

QUALIFYING RACES:

ALL CLASS 4,5, C & D STAKES RACES

Horses earn points for runs in qualifying races throughout the racing season (AUG-JUL):

- Horses are paid out according to their final table position on July 31.
- Horses that have deemed to have raided outside the WC during the season (Aug-July), will be excluded from the final table and all Country Championship Finals.
- Horses must have completed at least **ONE** qualifying run.

THE COUNTRY CHAMPIONSHIP FINALS:

Summer Country Championship Finals (February)	Winter Country Championship Finals (August)
1000m	1000m
1200m	1200m
1400m	1400m
1800m	1950m

- Each Final will be run for R200 000
- Horses qualify for the final field based on their current position on the championship table.
- CR reserves the right to cancel or merge any Finals races at the time of nominations or acceptances if the field sizes are inadequate

PREVIEW

12 GIMME WHAT I WANT caught the eye late behind her stable companion on debut, she was very green and still managed to run on strongly to finish just over six lengths behind the winner, she is a lovely filly that will make tons of improvement with every start, include her into all bets, she will run a cracker. 10 PITERAQ ran a great race on the 26th of July behind Splash Of Colour, she stayed on nicely for third and was only beaten just under four lengths by the winner, she is definitely improving and her chances must be respected. 8 AMAYAH was slightly slow into stride out the gates on debut, it was a big field and she was terribly green, this doesn't look to be a strong race on paper, if she has made any improvement back at home, she could sneak into the places at a big price. 9 ONE DANCE ran a fair race on debut behind Heritage Ridge, she went down to the start exceptionally well on that occasion, watch her closely, she should run a much better race here. (Brandon Bailey: 12 - 10 - 8 - 9)

The Swinger bet

BETTING MADE EASY!

What is it? To win a Swinger, you have to predict 2 horses that finish either first and second, or first and third, or second and third - and there is a dividend for each of these outcomes.

Why would I take one? Because you fancy 2 horses that you think can at least place – and you've calculated that the Swinger dividend on your chosen horses will pay more than the individual Place dividends combined. (TV monitors display progressive Swinger dividends.)

What's it cost? A Swinger bet on your horses will cost you R1 – but the minimum bet for a Swinger is R2. (All other horseracing bet types have a R6 minimum bet.) To increase your chances of winning, you can 'box' more than 2

horses, and the cost rises like this:

2 horses = R1 (take twice to comply with R2 minimum)
3 horses = R3
4 horses = R6
5 horses = R10

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Swinger on. Then give your chosen horse numbers, and the number of times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

6 QUEEN REGENT has been in terrific form of late, she ran a super race last time behind a very smart filly, she is definitely improving with every start, this looks to be a great opportunity for her to exit the maiden ranks. 12 SOUTH OF FRANCE has been rested for 89 days, she was heavily backed in the market last time when finishing third behind Lowveld Lily, the yard thinks highly of this individual, if she doesn't need the run badly, she will be right there in the finish. 8 LA LANDONNE ran a great race on debut at a massive price behind her stable companion Wish List, she was just off the speed early, and then stayed on nicely late to finish just over seven lengths behind the winner, she is undoubtedly looking for further, but she should run a fair race here, include her into all bets. 11 HOMING PIGEON was far from disgraced on debut behind Stormwatch, she has a lovely action and she will enjoy the extra 200m, she could sneak into the Quartet at a decent price. (Brandon Bailey: 6 - 12 - 8 - 11)

The Quartet bet

BETTING MADE EASY!

What is it? To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

Why would I take one? You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

What's it cost? Your 4-horse 'straight line' Quartet will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 4 horses, or more.

4 horses 'straight line' = R1 (take 6 times)
4 horses 'boxed' = R24
5 horses 'boxed' = R120

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

END RACE									
RESULT:									
PREVIEW									
1 NOTE TO SELF won very impressively on debut up the straight at Hollywoodbets Kenilworth on the 22nd of July, he is a beautiful colt with a magnificent action, he will absolutely love the step up in trip, from a good draw, he will be hard to beat. 8 THE NIGHT FERRY was given a great ride by jockey Grant van Niekerk to win a good race last time, he went to the front and kept plugging away to win with lots in hand, champion apprentice Brevan Plastjies has been booked to ride this gelding, he will be right there in the finish. 10 MELA STRENGTH never runs a bad race, he is extremely honest, unfortunately the bad draw will make life tough for him, if he gets some luck in running, he will run a good race again. 5 SUMMER NIGHT CITY could be the value in this tricky looking contest, she has dropped even further in the ratings, and she gets 4kgs off her back from the apprentice claim, she has run two fair races in succession, she definitely has a good each way chance on her best form. (Brandon Bailey: 1 - 8 - 10 - 5)									

The Trifecta bet

BETTING MADE EASY!

What is it? To Win a Trifecta, you have to predict the first 3 horses past the post in the exact order.

Why would I take one? All indicators are that there are 3 outstanding horses in the race. You could take the 3 as a boxed Swinger, but the Trifecta dividend invariably pays out much more than all three individual Swinger dividends combined! More risk, more reward!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Trifecta on. For a simple 'straight line' Trifecta, give your horse number for 'first' followed by your horse numbers for 'second' and for 'third'. If you're boxing, simply call your numbers and specify that you want them

boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

What's it cost? Your 3-horse 'straight line' Trifecta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 3 horses, or more than 3 horses.

3 horses 'straight line' = R1 (take 6 times)
3 horses 'boxed' = R6
4 horses 'boxed' = R24
5 horses 'boxed' = R60

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

END RACE						
RESULT:						

PREVIEW						
1 AFRICAN MEMOIR quikened up smartly to win impressively on the 15th of July, he is very quick with lots of ability, even though this is a stronger race for him on paper, he definitely looks to be better than his current rating of 79, he will take lots of beating again. 6 ESCARPMENT burst through the field to win well on the 15th of July, he was given three points for that victory, he absolutely loves the softer under foot conditions, he will be storming at them late, include him into all bets. 7 IN A TIMELY MANNER has been rested for 77 days, he finished like a train to win well on debut, the form of that race has worked out well, even though he wants further, he certainly has a good winning chance again. 4 RATTLESNAKE has been rested for 98 days, ignore his last run completely, he is much better than that poor performance, if he bounces back to his best form, he certainly has a good each way chance. (Brandon Bailey: 1 - 6 - 7 - 4)

END RACE

PREVIEW							
4 THE US OF A has won two very good races in succession, he was given four points for his recent victory, he sat just off the speed early, and powered past his field to win in great fashion, he is progressive with lots of ability, he will be right there in the finish again. 2 ARCTIC WIZARD beat a strong field last time, he is a smart colt with a great action, he never runs a bad race and he tries hard, even though he has gone up in the ratings, he will run a huge race. 7 ELUSIVE WINTER is very fast, if he jumps out the gates cleanly, he will make them all work for victory, on his current form, he definitely has a good place chance in this field. 8 NORDIC QUEST ran a terrific race on the 21st of June behind Dean Street, she would have needed that run back from a small break, if she has made the necessary improvement back at home, she will be competitive at a good price. (Brandon Bailey: 4 - 2 - 7 - 8)

COMMENT: Won very well. Bad draw

END RACE									
RESULT:									
PREVIEW									
7 WISH LIST won her maiden in scintillating fashion on the 10th of July, she is extremely exciting, there is no doubt that she will love the step up in trip to 1400m, if she finds herself in a good position turning for home, she will be very hard to beat. 6 VIVA LA VIDA quickened up smartly to win really well on the 24th of June, she hit a flat spot going through the 300m mark last time, and then quickly put it all together to win her race by just over two lengths, she will enjoy the step up in trip, include her into all bets. 2 DREAM SEARCHER has been rested for 96 days, she won a good race on the 6th of May at Hollywoodbets Kenilworth, she loves this trip of 1400m, even though she has gone up in the ratings, she should be in the places from a good draw. 1 RAHHABBA has been rested for 70 days, she ran a super race last time from a poor draw, she now gets the perfect draw of one, and she gets 4kgs taken off her back from the apprentice claim, if she doesn't need the run badly, she could certainly trouble them in the finish. (Brandon Bailey: 7 - 6 - 2 - 1)									

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

END RACE																
RESULT:																
PREVIEW																
7 CHANCE ENCOUNTER has run two good races in succession, he ran second last time to a very nice horse called Saudi Cat, the form of that race has worked out well, he should love the step up in trip to 1400m, he will be hard to beat in the lucky last. 9 FUTURE FREE had absolutely no luck in running on the 15th of July, the gaps didn't open at the right time in the home straight, he still managed to run a fair race behind Dricus, if he gets some luck in running from a bad draw on Sunday, he will certainly make a big impression in the finish. 3 GALLIC FORGE ran a much better race on the 15th of July, he ran third in a tight finish, if he can build on that performance from a good draw, he will be amongst the places again. 8 MAGNUS THE GOOD has been rested for 77 days, he has run some fair races behind nice types, on his best form, he could sneak into the Quartet. (Brandon Bailey: 7 - 9 - 3 - 8)																

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

HOW TO BET

DIFFERENT TYPES OF BETS

WIN

You're choosing the horse you think will **WIN** the race.

EXACTA

You're choosing the horses you think will finish 1st and 2nd in **EXACT** order.

SWINGER

You're choosing two horses to finish either 1st, 2nd, or 3rd – both horses must end up in the **TOP THREE**.

QUARTET

You're choosing four horses (or more!) to finish in the top 4. If you choose the **BOX** option, the order they finish won't matter, as long as they're in the top 4.

JACKPOT

The jackpot is made up of 4 pre-selected races, and you must pick the winner in each correctly to win.**
(you can pick more than 1).

PICK 6

To win the Pick 6 you need to correctly select the winners of 6 pre-selected races on the day.**
(the simplest way to bet on this is to choose 2 horses per race)

HOW TO PLACE YOUR BET

This is the NB info you need to include:

Race course

Bet type

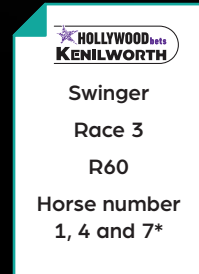

Race number

Amount of your bet

Horse number

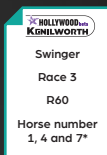

*Note, NOT betting advice,
for example only

HOW MUCH DOES A BET COST?

Just a R6 minimum!
(R2 minimum for a Swinger)

HOW DO PAYOUTS WORK?

Have you won!? Take your winning betslip to a Tote counter and the operator will scan it through the terminal – the winnings will be calculated based on the odds and pool of that race.

IMPORTANT TO REMEMBER

You have until the start of the race (or group of races) to get your bets in.

ALWAYS CHECK YOUR TICKET BEFORE LEAVING THE COUNTER TO MAKE SURE IT'S CORRECT.
