The **Bipot** bet

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win or come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over seven consecutive races. The Bipot gives you an 'inbetween' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

BETTING MADE EASY!

Costs:

Straight line = R1 (take six times)
Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39,06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

Permutations (BETTING MADE EASY!

How to calculate the cost...

A lady is about to dress for a day at the races, and she's fretting. What should she wear? Finally, she shortlists her options down to: 2 dresses, 7 pairs of shoes, 3 hats, and 5 handbags. This is a real help, because now she only has 210 possible ways to mix 'n match. She may even make it to the track on time for the main race!

210? How did we get that number? Simply by multiplying

2 (dresses) x 7 (shoes) x 3 (hats) x 5 (bags). Result = 210.

Calculate your Permutations the same way - count the number of selections you've made in each leg, and multiply to get the total combinations.

Here's a Jackpot example:

LEG 1	LEG 2	LEG 3	LEG 4	
5	2	8	4	
9	3	10	7	
- 1	5	13	9	
- 1	7	- ;	10	
- 1	10		15	
i	11		- ;	
	14			
i	- ;		1	
2)	(7)	3 3	(5 = 2	$210 \times R1 = R210$

Explanation: This Permutation results in 210 different straight line combinations.

The **Place** bet

What is it? To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

Why would I take one? You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

What's it cost? A Place bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)....but you will get paid out 6 times the

BETTING MADE EASY!

dividend if you win: 1horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

5 THAT'LL B THE DAY ran a great race at Hollywoodbets Durbanville on the 25th of October, he stayed on strongly for second behind William's Woman, the blinkers stay on, and he gets 4kgs off the back with the apprentice claim, if he can build on his last performance, he will be very hard to beat in this field. 4 MOODY BLUE must have a big winning chance, he ran fourth in the same race as That'll B The Day last time, he was only beaten just over three lengths by the winner, he will be right there in the finish on his best form. 6 ETERNAL DIAMOND has been rested for 67 days, he was disappointing behind Typically French on the 9th of September, ignore that run, he is much better than that performance, if he doesn't need the run back from a small break, he could finish amongst the places. 1 PRETTY BOY can certainly win on debut, this is not a strong field, watch him closely. (Bradon Bailey: 5 - 4 - 6 - 1)

The **Exacta** bet

BETTING MADE EASY!

What is it? To win an Exacta you have to predict two horses to finish first and second in the exact order.

Why would I take one? There are 2 horses in the race that you really fancy. You could take them as a Swinger - lower risk but also invariably a lower dividend. So you opt for the Exacta - harder to win than the Swinger, but will pay more if you do!

What's it cost? Your 2-horse 'straight line' Exacta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can also 'box'* your 2 horses, or more than 2 horses. This will cost you:

- 2 horses 'straight line' = R1 (take 6 times) 2 horses 'boxed' = R2 (take 3 times)
- 3 horses 'boxed' = R6
- 4 horses 'boxed' = R12
- * 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take an Exacta on. For a simple 'straight line' Exacta, give your horse number for 'first' followed by your horse number for 'second'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating how many times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will recieve a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

7 ELUSIVE WINTER has been rested for 73 days, he won well at Hollywoodbets Durbanville on the 3rd of September, he was given four points for that impressive victory, he is very fast, on his best form, he can certainly win a race like this. 4 AIR RAID has dropped one point in the ratings, and the tongue tie has been fitted, he is much better than his recent hom, watch him closely, he will go very close to winning at a decent price. 3 WINTER SNAP has been rested and gelded, he is a beautiful horse with a great action, the yard thinks highly of this individual, if he doesn't need the run back after a long break, he will be tong ho beat. 6 LITTLE BOY BLUE ran a terrific race at Hollywoodbets Greyville on the 3rd of October, he was drawn poorly on that occasion, and he still managed to run a good second behind Exocet, the cheek pieces have been fitted for his race on Saturday, he will be ompetitive. (Brandon Bailey: 7 - 4 - 3 - 6)

2 GIMMIE RULES quickened up like a smart horse to win in great fashion on the 15th of October, he was given eight points for that wim at Hollywoodbets Durbanville, there is no doubt that he will love the step up in trip to 1400m, from a good draw, he will be hard to beat. 1 JET FORCE has been rested for 73 days, he won a great race at Hollywoodbets Durbanville on the 3rd of September, he is still improving, from a neat draw, he will go close, include him into all bets. 6 GOODNESSGRACIOUSME has been rested for 69 days, she stayed on well for second last time behind her stable companion (Swiatek), her form is solid, she is a big filly with lots of ability, watch her closely. 3 COASTAL COMMANDER has been rested for 63 days, the blinkers have been removed, and he has dropped even further in the ratings, on his best form, he could sneak into the Quartet. (Brandon Bailey: 2 -1 -6 -3).

PREVIEW

8 MELA STRENGTH won a gutsy race at Hollywoodbets Durbanville on the 8th of October, he was given two points for that win, the tricky draw here will make life tough for him, if he manages to get some luck in running, he can certainly win again. 3 FLYING SOUTH won her maiden well on the 18th of October, the form of that race has worked out well, she is a young filly that is still improving, the step up in trip to 1400m should be no problem at all, include her into all bets. 4 CEDAR POINT is still a maiden, he stayed on well for fourth behind Milami Summer on the 29th of October, from a neat draw on Saturday, he can be completive at a decent price. 7 TRES CHIC never runs a bad race, she tries hard, with some luck in running, she can sneak into the places. (Brandon Bailey: 8 - 3 - 4 - 7)

RESULT: PREVIEW

9 GALIC VICTOR flew past many to run a super race for second behind Mente Et Manu on the 18th of October, that was his first run back after a small break, there is no doubt that he will be much fitter on Saturday, with some luck in running, he can certainly win a race like this quite easily, 1 HeAL AND SOUL stayed on well for third behind Master Of Paris on the 5th of October, he is in good form at the moment, and he gets a good draw on Saturday, he will be competitive. 4 GENTLEMAN JOE ran a great race behind Western World on the 25th of October, it was a close finish, at this level he will always have a winning chance, include him into all bets. 6 WESTERN WORLD bounced back to his best form to win a lovely race at Hollywoodbets Durbanville last time, he was given three points for that win, if he can bring that run to the track again on Saturday, he will have a massive each way cance. (Brandon Balley; 9 - 1 - 4 - 6)

The Quartet bet Betting MADE EASY!

What is it? To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

Why would I take one? You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

What's it cost? Your 4-horse 'straight line' Quartet will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box'* your 4 horses, or more.

- 4 horses 'straight line' = R1 (take 6 times)
- 4 horses 'boxed' = R24
- 5 horses 'boxed' = R120

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

4 TWO A PENNY stayed on strongly for fourth behind Western World at Hollywoodbets Durbanville on the 25th of October, she was given way too much to do on that occasion, hopefully she settles a lot closer to the speed on Saturday from a good draw, she is a lovely looking mare, on her best form, she will go close to winning, 9 LAVENDER BAY was touched off in the finish last time, she was doing some good work late behind Strawberry Thief on the 25th of October, unfortunately she has a bad draw here, and she was igwen two points for getting beat last time, but she is honest and she will run a good race again. 8 BENEATH THE CLOUDS ran a top race for third in the same race as Lavender Bay last time, she was in front, and she fought hard all the way to the line on that occasion, if she gets some cheap sectionals in front again, she will be hard to peg back late. 1 HELIOTROPE is as honest as they come, she has a good draw here, and she gets the apprentice claim, watch her closely, she can pop up at a decent price. (Brandon Bailey: 4 - 9 - 8 - 1)

PREVIEW

2 BONNE BOUCHE could be some decent value in this tricky race, she is much better than her recent performance at Hollywoodbets Durhanville on the 8th of Cotober, she is very fast, the drop in trip here will help her improve, and she will enjoy the straight track at Hollywoodbets Kenilworth, watch her closely, she can win a race like this on her best form. 4 AVIGNON needed his last run back from a long break, he stayed on well for fourth behind Country Time on the 15th of Cotober, he will be much fitter on Saturday, if he gets away from the field at the right time, he will be hard to beat. 5 BLACK PATH never runs a bad race, her form of late is good, even though she wants further, she will be doing some good work towards the end of the race. 9 WINTERONTHEGREEN has been in great form of late, she ran a good race last time behind Country Time, with some luck in running, she will be competitive. (Brandon Bailey; 2 - 4 5 - 9)

The **Win** bet

What is it? You must predict the first horse past the post – that's it!

Why would I take one? You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

What's it cost? A Win bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win: 1horse = R1 (take 6 times)

BETTING MADE EASY!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

2 CHURCHILLIAN needed his last run back after a long break, he ran a terrific race for fourth behind Gimmie Rules on the 15th of October at Hollywoodbets Durbanville, he will be much fitter on Saturday, the yard thinks highly of this gelding, on his best form, he can definitely win. 4 DEMANDING DAVE lost his race in the stipes room last time, it got very tight at the finish on that occasion, he is a young horse that is improving with every start, there is no doubt that he will be right there in the finish again. 7 BILLY COOL had absolutely no luck in running at Hollywoodbets Durbanville on the 22nd of September, he was finishing like a train for fourth behind Steadfast, he can be a tricky ride, if the race works out for him, he will be competitive. 1 ALL DOUT AL finished second behind Sardinia Bay on the 5th of October, he is honest and he tries hard, include him into all bets. (Brandon Bailey: 2 - 4 - 7 - 1)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

1 DAME OF TRIX will go close to winning the lucky last, she ran a great race last time from a poor draw at Hollywoodbets Durbanyille on the 25th of October, she is certainly enjoying her racing at the moment, she will be on speed early, include her into all bets. 6 LOVE SHACK has run two excellent races in succession, she caught the eye for third behind Sardina Bay on the 5th of October, this race should work out perfectly for her, she will be just off the speed early, and she will be low flying late, watch her closely. 4 PEACE OF MIND is better than her recent form, she is much better up the straight at Hollywoodbets Kernorth, watch for sharp improvement. 9 OCTOBER FEST ran a great race for third behind Queen Regent on the 15th of October, she has dropped a point in the ratings, and she gets the services of top jockey Andrew Fortune, her chances must be respected.
