# The Place bet

**BETTING MADE EASY!**

**What is it?** To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

**Why would I take one?** You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

**What's it cost?** A Place bet on your horse will cost you R1 - but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)...but you will get paid out 6 times the

dividend if you win: 1 horse = R1 (take 6 times)

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

*NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.*

**TOTE**

*Scratchings: If your horse is scratched, you will receive a full refund.*

**Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.**

# "Form" is information!

**BETTING MADE EASY!**

The basic theory of form is that a horse's past performances are a good indicator as to how well it will run in the future.

Your challenge, when studying form, is to answer the question:

***"Given all this information, how will each horse perform today?"***

The formline gives you literally hundreds of variables to ponder – and serious students of form are fascinated by all of it. To keep it simple, we suggest you stick to studying three main aspects to start with:

- 1. Finishing Position.** Has the horse won recently? Has it placed recently? Does it consistently run unplaced?
- 2. Lengths Behind.** When beaten, has the horse been well-beaten, or only narrowly-defeated?
- 3. Distance.** Has the horse competed over today's race distance – or reasonably similar distance – before? If so, how did it do?

*You can find your form in the official racecard, several commercially published formguides, or in the newspapers.*

PREVIEW

7 BETTER MAN was unfortunately scratched at the gates when he was due to run just over 4 weeks ago, he comes back to the races from a small break and gelding, the yard thinks highly of this individual, on his best form, he will be tough to beat here. 4 NEW WORLD ran a great race on the 21st of May behind Vapour Trail, he stayed on beautifully for second, the blinkers have been removed and he steps up in trip, from a good draw, he will be right there in the finish. 9 DIAMOND DAYS moved up like a winner in his last start behind Star Major, it was a strong maiden juvenile plate with many talented young horses, he is still improving, unfortunately the bad draw won't make life easy for him, but he definitely has a good place chance if he gets some luck in running. 8 YAMAZAKI ran a much better race on the 24th of June behind Captains Alliance, if he can build on that performance, he could certainly sneak into the Quartet. (Brandon Bailey: 7 - 4 - 9 - 8)

PREVIEW

5 STORMWATCH ran a lovely race on debut behind Between The Lines, she was green and stayed on strongly for second, if she has made the improvement expected back at home, she will be very hard to beat in this race. 2 SWIFT SERENITY made good improvement from her first run into her second run, she ran fourth last time in the same race as Stormwatch, she is clearly still improving, watch her closely, she should be there amongst the places. 3 SPLASH OF COLOUR ran a disappointing race on the 21st of June behind Oncidium, she was in a great position early, and then failed to kick on when they turned for home, she is much better than that performance, the drop in trip could help her chances. Watch the first timers, they are well-bred and could be anything.  
(Brandon Bailey: 5 - 2 - 3 - 9)

# The Pick 6 bet

BETTING MADE EASY!

**What is it?** In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

**Why would I take one?** The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

**What's it cost?** Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

**Costs:**  
**Straight line (1 horse in each leg) = R1 (take 6 times)**  
**Easy permutation: 2 horses in each leg = R64**  
**Easy permutation: 3 horses in each leg = R729**  
  
Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting.e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

*First time runners rule in the Pick 6...If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.*  
**Scratchings:** There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

**Note:** Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

## IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

7 NIGHTRAIN ran a great race on debut behind Late December, he showed good speed early, and then stayed on really well to finish third, he is a beautiful looking colt with tons of ability, this looks to be a nice race for him, he will be very hard to beat. 6 AFRICAN MEMOIR has run two lovely races in succession, he finished just in front of Nightrain last time, he will be right there in the finish, include him into all bets. 3 FEAR OF FIRE ran a fair race on debut behind Follow Your Heart, he was beaten just under eight lengths by the winner, he drops in trip now to 1000m, if he has made some improvement back at home, he could certainly run into the places at a decent price. 8 FLEUR DE VILLE has been well tried in the maiden ranks, on her best form, she could make the Quartet pay. PREVIEW

8 UNITED FRONT will be very hard to beat here, he ran a super race on debut behind Star Major, he was drawn wide in a strong maiden juvenile plate, he showed tremendous speed early and fought hard to finish second in a driving finish, the yard thinks highly of this colt, it will take a smart horse to beat him in this race. 3 SIERRA SAGRADA comes back to the races from a 63 day break and gelding, he was heavily supported in the market last time when running a disappointing fifth behind Roland Garros on the 13th of May, he is much better than that performance, respect his chances from a neat draw. 9 KONNICHIWA has been rested for 92 days, he never runs a bad race, unfortunately the draw will make life tough for him, but he tries hard, and he will be running on powerfully late. 6 FUTURE FREE ran a shocker up the straight at Hollywoodbets Kenilworth on the 12th of June, now that he steps up in trip, he could make massive improvement, watch him closely. (Brandon Bailey: 8 - 3 - 9 - 6)

PREVIEW

1 APRICITY absolutely took off late to run a super race behind Oncidium on the 21st of June, she was a long way back from a bad draw, once they straightened for home, she made up solid ground to finish second, she clearly enjoyed the step-up in trip to 1400m, from a good draw on Tuesday afternoon, she will go very close to winning. 2 KISSES must be respected, her last two runs over ground have been good, she ran a lovely race from a bad draw last time behind Ocotillo, if she can build on her recent form, she will have a nice each way chance. 3 PACIFIC WATERS ran a fair race on debut behind Between The Lines, even though the market suggested she was unfancied, she stayed on really well in a big field, she now steps-up in trip and she gets the services of jockey Gavin Lerena, watch for a big run from this filly. 6 SPECIAL GLAMOUR ran a much better race with the tongue tie fitted last time, if she can bring that run to the track on Tuesday, she will have a say in the finish. (Brandon Bailey: 1 - 2 - 3 - 6)

PREVIEW

1 CHURCHILLIAN ran the race of his life in the Listed Somerset 1200 on the 1st of June behind Absolutely Yes, he showed good speed early, and stayed on strongly for second in a tight finish, the yard thinks highly of this colt, he can certainly win a race like this on pure ability. 11 OCTOBER STORM quickened up smartly to win really well on debut, even though it wasn't the strongest maiden plate around, he was still green and got the job done impressively, he can only improve from that, include him into all bets. 2 ESCARPMENT ran a much better race last time behind The Us Of A, he was just off the speed early, and then stayed on nicely for second, on his best form, he could certainly finish amongst the places at a decent price. 4 IRELAND FOREVER will need to improve dramatically to win, he has been rested for 72 days, he has been gelded, and the blinkers go on, watch for sharp improvement, he is definitely better than his recent form. (Brandon Bailey: 1 - 11 - 2 - 4)

# The Quartet bet

**What is it?** To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

**Why would I take one?** You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

**What's it cost?** Your 4-horse 'straight line' Quartet will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 4 horses, or more.

4 horses 'straight line' = R1 (take 6 times)  
4 horses 'boxed' = R24  
5 horses 'boxed' = R120

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet.

\* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

## TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

## PREVIEW

5 TRIP TO MAPUTO ran a great race on the poly last time in PE, her penultimate run up the straight at Hollywoodbets Kenilworth was super impressive, she was closer to last early, and then quickened up impressively to win going away at the line, she has lots of ability, if the gaps open at the right time for her here, she will be hard to beat. 1 BABELICIOUS won a good race on the 21st of May, she was given two points for that gutsy performance, she tries hard, and her form is very consistent at this level, include her into all bets. 4 WINTER RAINFALL has run three decent races in succession, she likes to be switched off early, and then comes with a powerful run late, watch her closely at a decent price. 8 SUMMER LILY has been rested for 79 days, her last run in the Grade 3 Poinsettia Stakes at Hollywoodbets Scottsville was good, if she doesn't need the run badly on Tuesday, she will run a massive race. (Brandon Bailey: 5 - 1 - 4 - 8)

PREVIEW

5 SUGAR MOUNTAIN won a terrific race on the 12th of June at Hollywoodbets Kenilworth, he was given two points for that victory, he has a striking turn of foot, from a good draw, he must have a solid winning chance again in this field. 7 PROMETTERE must have a huge winning chance, he was very unlucky last time behind Please Be True, the gaps opened late, and he flew home to finish second, jockey Richard Fourie knows this gelding well, he will be right there in the finish. 9 SEEKING THE STARS ran a lovely race for third behind Sugar Mountain on the 12th of June, he might find it hard to turn the form around, but he has dropped in the ratings, if he gets some luck in transit from a wide draw, he could certainly finish in the places. 4 SONG TO THE MOON ran a fair race behind Congressman on the 24th of June, he drops in trip now, and he carries a low weight for this A stakes race, he will be doing good work late with Jockey Muzi Yeni. (Brandon Bailey: 5 - 7 - 9 - 4)

# The Trifecta bet

BETTING MADE EASY!

**What is it?** To Win a Trifecta, you have to predict the first 3 horses past the post in the exact order.

**Why would I take one?** All indicators are that there are 3 outstanding horses in the race. You could take the 3 as a boxed Swinger, but the Trifecta dividend invariably pays out much more than all three individual Swinger dividends combined! More risk, more reward!

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Trifecta on. For a simple 'straight line' Trifecta, give your horse number for 'first' followed by your horse numbers for 'second' and for 'third'. If you're boxing, simply call your numbers and specify that you want them

boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

**What's it cost?** Your 3-horse 'straight line' Trifecta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 3 horses, or more than 3 horses.

3 horses 'straight line' = R1 (take 6 times)

3 horses 'boxed' = R6

4 horses 'boxed' = R24

5 horses 'boxed' = R60

\* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW																
2 BOOGIFIED ran a top race behind a lovely horse last time, he likes to race up on speed, even though he has gone up in the ratings, he gets a good draw, and he tries hard, there is no doubt he will run a good race again, include him into all bets. 8 AZZURRI quickened up smartly to win impressively over 1200m on the 24th of June, he was given five points for that win, the step up in trip to 1400m should unlock further improvement, if the apprentice can get him into a good position early from a wide draw, he will have a massive winning chance. 12 HAPPY DAYS has unfortunately drawn wide again on Tuesday afternoon, he has run three excellent races in succession, if he gets some luck in running, he will be storming home late, watch him closely. 13 WAR CHARIOT is as honest as they come, it's very hard to find fault with his form, he is consistent and jockey Richard Fourie knows him well, the only negative is the bad draw. (Brandon Bailey: 2 - 8 - 12 - 13)

PREVIEW

7 KING'S QUEST won like a really nice horse last time, he was beautifully ridden by jockey Grant van Niekerk, even though he was given four points for that win, and he carries a big weight on Tuesday, he will be right there in the finish. 3 ELEGANT NOBLE finished well to run third behind King's Quest on the 24th of June, if he can build on that performance, he could certainly have a good each way chance in this tricky race. 5 ARBITRATION has run some fair races of late, at this level, he will always have a good place chance, include him into all bets. 8 WATER DRAGON has been rested for 70 days, he stayed on nicely for second in his last start on the 6th of May at Hollywoodbets Kenilworth, if he doesn't need the run badly from a small break, he will be competitive.  
(Brandon Bailey: 7 - 3 - 5 - 8)

## IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

# The Win bet

**What is it?** You must predict the first horse past the post – that's it!

**Why would I take one?** You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

**What's it cost?** A Win bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win : 1horse = R1 (take 6 times)

## BETTING MADE EASY!

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

**NOTE:** You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

## HOW TO BET

### DIFFERENT TYPES OF BETS

#### WIN

You're choosing the horse you think will **WIN** the race.

#### EXACTA

You're choosing the horses you think will finish 1st and 2nd in **EXACT** order.

#### SWINGER

You're choosing two horses to finish either 1st, 2nd, or 3rd – both horses must end up in the **TOP THREE**.

#### QUARTET

You're choosing four horses (or more!) to finish in the top 4. If you choose the **BOX** option, the order they finish **won't matter**, as long as they're in the top 4.

#### JACKPOT

The jackpot is made up of 4 pre-selected races, and you must pick the winner in each correctly to win.\*\*  
(you can pick more than 1).

#### PICK 6

To win the Pick 6 you need to correctly select the winners of 6 pre-selected races **on the day**.\*\*  
(the simplest way to bet on this is to choose 2 horses per race)

\*\* Check the info boxes next to each race in the race card to see whether the race is part of a Jackpot, Pick 6 etc.

# HOW TO PLACE YOUR BET

This is the NB info you need to include:

**Race course**

**Bet type**

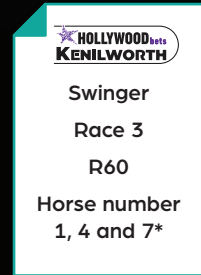

**Race number**

**Amount of your bet**

**Horse number**

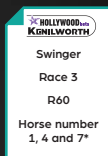

\*Note, NOT betting advice,  
for example only

## HOW MUCH DOES A BET COST?

**Just a R6 minimum!**  
(R2 minimum for a Swinger)

## HOW DO PAYOUTS WORK?

**Have you won!?** Take your winning  
bet slip to a Tote counter and the  
operator will scan it through the terminal  
– the winnings will be calculated based on  
the odds and pool of that race.

## IMPORTANT TO REMEMBER

**You have until the start of  
the race (or group of races)  
to get your bets in.**

**ALWAYS CHECK YOUR TICKET BEFORE LEAVING  
THE COUNTER TO MAKE SURE IT'S CORRECT.**
