The Bipot bet

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

BETTING MADE EASY!

Costs:

Straight line = R1 (take six times)

Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

The Place bet

BETTING MADE EASY!

What is it? To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

Why would I take one? You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

What's it cost? A Place bet on your horse will cost you R1 - but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)...but you will get paid out 6 times the

dividend if you win: 1 horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

Permutations

BETTING MADE EASY!

How to calculate the cost...

A lady is about to dress for a day at the races, and she's fretting. What should she wear? Finally, she shortlists her options down to: 2 dresses, 7 pairs of shoes, 3 hats, and 5 handbags. This is a real help, because now she only has 210 possible ways to mix 'n match. She may even make it to the track on time for the main race!

210? How did we get that number?

Simply by multiplying

2 (dresses) x 7 (shoes) x 3 (hats) x 5 (bags).
Result = 210.

Calculate your Permutations the same way - count the number of selections you've made in each leg, and multiply to get the total combinations.

Here's a Jackpot example:

LEG 1	LEG 2	LEG 3	LEG 4
5	2	8	4
9	3	10	7
	5	13	9
	7		10
	10		15
	11		
	14		

$$2 \times 7 \times 3 \times 5 = 210 \times R1 = R210$$

Explanation: This Permutation results in 210 different straight line combinations.

PREVIEW

MAGICAL PLACE (3) has run two very good races and looks ready for the win. OBJET D' ART (4) caught the eye on debut and with the Apprentice claim again, can go very close - big runner. FRANKIE FINGERS (12) and TRIP TO CAMELOT (11) might be able to get into the thick of things first time at the races. Watch the betting. (Warren Lenferna 3-4-12-11)

The Pick 6 bet

BETTING MADE EASY!

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)

Easy permutation: 2 horses in each leg = R64

Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting, e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6...If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

LATE DECEMBER (3) won his maiden well and followed up with an even more impressive, run-away victory straight out in open company and is confidently selected to win again and achieve the hat-trick. JET FORCE (2) is rested but also clearly talented and can race fresh and race well - include. ROLAND GARROS (5) can be forgiven for the last run and is a horse with ability - each way claims. SCOTTISH KISS (6) has claims and is a must for the quartet. (Warren Lenfema 3-2-5-6)

WESTERN CAPE
EQUINE TRUST
REHOMING PROGRAMME

LOOKING OUT FOR THE FUTURE OF EX-RACEHORSES

Our Mission

-  Dedicated to the safe & secure future of ex-racehorses
-  Each horse assessed for temperament & ability
-  Holistic re-schooling focused on ground work with basic riding
-  Only when ready, advertise for re-homing via social media
-  Applicants obliged to work with chosen horse prior to adoption
-  Re-homing process includes property inspection of future home
-  Ongoing monitoring of each re-homed horse
-  Run by volunteers, funded by donors
-  Western Cape Equine Trust is a Public Benefit Organization & may provide Tax Certificates

COMMENT: Making steady progress					

END RACE					
RESULT:					
PREVIEW					
SIGNOR DANTE (3) is showing promise and gets an attractive draw. He can be given serious consideration for the win position. YAMAZAKI (7) is improving with racing and should win soon - big danger. LOVE FROM AFAR (6) can start really making an impression and JOSHUA (8) is the selected place value. (Warren Lenferna 3-7-6-8)

COMMENT: Gutsy last win						

END RACE							
RESULT:							
PREVIEW							
RULE OF THUMB (1) boasts solid and consistent form, is never far adrift the action and with the weight off, will have a sparkling winning chance. WE HAVE TOUCHDOWN (5) is taking time for the next win but showed last time that the next victory is near. Strong place claims. TENPENNY (4) won well last time and has an undeniable chance of following up. KAMCHATKA (2) can never be ignored - her form is very consistent. (Warren Lenferna 1-5-4-2)

COMMENT: Easy maiden win, tougher now

END RACE

RESULT:						
---------	--	--	--	--	--	--

PREVIEW

NARETOI (2) is still a maiden as are many others in this D Stakes but his last run was good. STATE CAPITOL (4) was in the same race as Naretol won by Baton Rouge and should be right at the finish again. TORI'S GIRL (1) and FORT IMPREZA (6) are worth including on the shortlist. (Warren Lenferna 2-4-1-6)

TRAINER COMMENT: Will need this first run back

END RACE					
RESULT:					

PREVIEW					
BLIND DATE (5) beat Black Eagle in the maidens last time and Blace Eagle has franked the form. He could be anything, this colt and record back-to-back wins. He is the first choice. SPIRIT (6) caught the eye first time out the maidens and should be in the first three again. GREEN PLANET (3) finished 2nd at long odds last time and if reproducing that effort again, will be there - include. SARDINIA BAY (4) gets weight off the back - quartet must. RESULT:

PREVIEW

TAMBOURINE MAN (7) ran a cracker last time when nearly getting it all right. He is confidently selected to go one more. LOVERS LANE (1) can be forgiven for the below par last run and expected to bounce right back to near best - each way. ROYAL LYTHAM (10) is the value and must be respected and included and VIVO PER LEI (9) has a place chance. (Warren Lenferna 7-1-10-9)

The Win bet

What is it? You must predict the first horse past the post – that's it!

Why would I take one? You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

What's it cost? A Win bet on your horse will cost you R1 - but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win : 1 horse = R1 (take 6 times)

BETTING MADE EASY!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

HOW TO BET

DIFFERENT TYPES OF BETS

WIN

You're choosing the horse you think will **WIN** the race.

EXACTA

You're choosing the horses you think will finish 1st and 2nd in **EXACT** order.

SWINGER

You're choosing two horses to finish either 1st, 2nd, or 3rd – both horses must end up in the **TOP THREE**.

QUARTET

You're choosing four horses (or more!) to finish in the top 4. If you choose the **BOX** option, the order they finish won't matter, as long as they're in the top 4.

JACKPOT

The jackpot is made up of 4 pre-selected races, and you must pick the winner in each correctly to win.**
(you can pick more than 1).

PICK 6

To win the Pick 6 you need to correctly select the winners of 6 pre-selected races on the day.**
(the simplest way to bet on this is to choose 2 horses per race)

** Check the info boxes next to each race in the race card to see whether the race is part of a Jackpot, Pick 6 etc.

HOW TO PLACE YOUR BET

This is the NB info you need to include:

Race course

Bet type

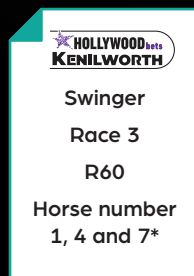

Race number

Amount of your bet

Horse number

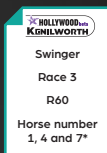

*Note, NOT betting advice,
for example only

HOW MUCH DOES A BET COST?

Just a R6 minimum!
(R2 minimum for a Swinger)

HOW DO PAYOUTS WORK?

Have you won!? Take your winning betslip to a Tote counter and the operator will scan it through the terminal – the winnings will be calculated based on the odds and pool of that race.

IMPORTANT TO REMEMBER

You have until the start of the race (or group of races) to get your bets in.

ALWAYS CHECK YOUR TICKET BEFORE LEAVING THE COUNTER TO MAKE SURE IT'S CORRECT.
