The All to Come bet

BETTING MADE EASY!

What is it? The All-To-Come allows you to take up to six Win or Place bets for the cost of just one original stake. If your first bet wins, all your winnings become your stake for the second bet, and so on. You must take a minimum of two bets, and a maximum of six. The bets must all be on the same racemeeting, but not necessarily consecutive races.

Why would I take one? Convenience - plus the advantage of multiplying your stake value each time you win - for no extra cost!

What's it cost? R1- but you must take the bet a minimum of six times.

How do I ask for it? You must tell the tote operator which venue you are betting on and then the race number of your first bet. Choose a Win OR Place - not both - and specify the horse number. Then specify each race number you wish to bet on, and repeat the process.

Or... You can mark this bet on a Betmark card and hand it to a tote operator. Remember - specify the amount of your opening stake, minimum R6.

Future Events - From time to time TAB will operate a special ALL TO COME which will allow customers to include a bet on a selected race at a FUTURE race meeting. In these cases, the last grid of the card must be completed in the normal way with either FUTURE 1 or FUTURE 2 marked to denote the special event (watch press for details).

Scratchings: If a selected horse is scratched your stake is transferred to the next subsequent race.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

END RACE

RESULT:

PREVIEW

1 STAR MAJOR has gone close in both starts and could get it right here. 2 GOLD GIBOSKI has also run two crackers and should be in the shake-up. 5 DIAMOND DAYS is an improving sort who relished the step up to this trip last time and a with a repeat can go close from a fair draw. 9 NEW WORLD is knocking on the door and Richard Fourie retains the ride in his second start with blinkers on. (David Thiselton 1-2-5-9)

RACECAPE HOLLYWOOD POWERED BY bets

UNDERSTANDING INCENTIVES

COUNTRY CHAMPIONSHIPS 2024/25:

Give your horse every chance to earn! The Country Championships Incentive is curated to maximise your horses' earning potential for all Class 4, 5, C & D Stakes races. Come Summer or Winter, there is no better time to race in the Cape.

PRIZE MONEY BREAKDOWN:

1st	R100 000	6th	R70 000	11th	R47 500	16th	R35 000
2nd	R90 000	7th	R65 000	12th	R45 000	17th	R32 500
3rd	R85 000	8th	R60 000	13th	R42 500	18th	R30 000
4th	R80 000	9th	R55 000	14th	R40 000	19th	R27 500
5th	R75 000	10th	R50 000	15th	R37 500	20th	R25 000

HOW IT WORKS:

POINTS ALLOCATION

1ST = 20 | 2ND = 15 | 3RD = 10 | 4TH = 8 | 5TH = 6 | 6TH to last = 5

QUALIFYING RACES: ALL CLASS 4, 5, C & D STAKES RACES

Horses earn points for runs in qualifying races throughout the racing season (AUG–JUL).

THE COUNTRY CHAMPIONSHIPS FINAL:

SUMMER COUNTRY CHAMPIONSHIPS FINALS (FEBRUARY)		WINTER COUNTRY CHAMPIONSHIPS FINALS (AUGUST)

PREVIEW

6 SPLASH OF COLOUR has Gavin Lerena up from a middle draw of six and having gone close last time over this course and distance she should be in the shake-up. 1 LOVE HER MADLY has run some good races and on pedigree should relish the step up in trip so she should be right there from pole position. 2 GREEK HEIRESS is a well-bred filly by Fire Away out of a decent Fort Wood mare and Craig Zackey rides from a plum draw. 7 ONCIDIUM has Richard Fourie up from a tricky draw of seven but she could improve on her first start. (David Thiselton 6-1-2-7)

END RACE

RESULT:

PREVIEW

1 MEG'S LEGACY ran a fine race over course and distance last time and is now drawn in pole and should be right there. 2 TAYLOR'S VERSION also went close last time and from draw two should be in the shake-up. 5 RED CORAL improved second time out and should enjoy this further step up in trip and has a chance. 10 RED STATE has run two good races in succession over 1200 meters and should relish the step up in trip but does have a wide draw. (David Thiselton 1-2-5-10)

The Bipot bet

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

BETTING MADE EASY!

Costs:

Straight line = R1 (take six times)

Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

2 ARIOVISTUS won easily last time out in an open maiden and starts off on a fair merit rating of 73 with Richard Fourie up over an ideal course and distance. 3 KWITE A KING ran well last time over 2200 and from a good draw will also enjoy this trip. 4 AHEAD OF THE FACTS has won two of his last three over middle distances and should be in the shake-up from a fair draw. 5 WOOD WORLD has been in good form and with Gavin Lerena up for the third time in succession he has a chance. (David Thiselton 2-3-4-5)

The **Exacta** bet

BETTING MADE EASY!

What is it? To win an Exacta you have to predict two horses to finish first and second in the exact order.

Why would I take one? There are 2 horses in the race that you really fancy. You could take them as a Swinger - lower risk but also invariably a lower dividend. So you opt for the Exacta - harder to win than the Swinger, but will pay more if you do!

What's it cost? Your 2-horse 'straight line' Exacta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can also 'box' your 2 horses, or more than 2 horses. This will cost you:

2 horses 'straight line' = R1 (take 6 times)

2 horses 'boxed' = R2 (take 3 times)

3 horses 'boxed' = R6

4 horses 'boxed' = R12

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take an Exacta on. For a simple 'straight line' Exacta, give your horse number for 'first' followed by your horse number for 'second'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating how many times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

3 ELECTROMAGNETISM has won her last two and on pedigree should relish the step-up in trip. 6 UKUDUMA is a well-bred sort being Vercingetorix out of dual Gr 1 winner Thunder Dance and she should go close after a good debut win. 7 LOWVELD LILY won well second time out and should enjoy the step-up in trip. 2 SHE'S MY WORLD is well drawn and should be thereabouts. (David Thiselton 3-6-7-2)

PREVIEW

5 HAPPY VERSE is a talented horse and should enjoy the step up in trip here and looks the one to beat. 6 ROLAND GARROS has won his last two in fine fashion and should be in the shake-up. 3 VAPOUR TRAIL is a half brother to one stripe and should enjoy this trip and is a contender from a good draw. 2 DREAMWORLD has fine form and tries a step up in trip from a good draw, although the jury is out on whether he will stay. (David Thiselton 5-6-3-2)

The Jackpot bet

BETTING MADE EASY!

What is it? In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

Why would I take one? Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

What's it cost? Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)

Easy permutation: 2 horses in each leg = R16

Easy permutation: 3 horses in each leg = R81

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule...Does not apply to the Jackpot.

Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

2 LADY LOOK ALIKE is in hard knocking form and from a good draw over a suitable trip should go close. 5 MIRACULOUS is knocking hard too and might enjoy the step up and trip. 6 KAMCHATKA ran well last time over 1400m and will enjoy this trip, but does have a tricky draw. 1 PENTOLINA has pole position and can be right there if repeating penultimate start. (David Thiselton 2-5-6-10)

PREVIEW

3 RIKKITIKITAVI beat a good sort last time and is the one to beat. 4 OCTOBER FEST is well bred and is coming to hand. 2 MARITZBURG MEMORY has the form to be a contender. 8 HOPE CHEST has ability and could bounce back. (David Thielson 3-4-2-8)					
--	--	--	--	--	--

The Place Accumulator bet

What is it? To win a Place Accumulator you must predict horses that place in the top 3 in all of the 7 races designated in the racecard as 'Place Accumulator' races.

Why would I take one? This is a fun bet that's often played by individuals, office pools or mates at the races. Because your selection only has to run in the top 3, and not necessarily win the race, you have more of a chance to survive each leg and go on to collect some cash.

What's it cost? Your straight line Place Accumulator will cost you R1 but must be taken 6 times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R128

Tip: If you want to cut down the cost of your permutation, use Fractional betting e.g. a R128 permutation taken for R60 will give you 46.87% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Place Accumulator bet. Then give your horse numbers stating clearly which horse numbers are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

TOTE

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

TOTE

SPEED. POWER. GLORY!

HOW TO BET

DIFFERENT TYPES OF BETS

WIN

You're choosing the horse you think will **WIN** the race.

EXACTA

You're choosing the horses you think will finish 1st and 2nd in **EXACT** order.

SWINGER

You're choosing two horses to finish either 1st, 2nd, or 3rd – both horses must end up in the **TOP THREE**.

QUARTET

You're choosing four horses (or more!) to finish in the top 4. If you choose the **BOX** option, the order they finish **won't matter**, as long as they're in the top 4.

JACKPOT

The jackpot is made up of 4 pre-selected races, and you must pick the winner in each **correctly to win.****
(you can pick more than 1).

PICK 6

To win the Pick 6 you need to correctly select the winners of 6 pre-selected races **on the day.****
(the simplest way to bet on this is to choose 2 horses per race)

**** Check the info boxes next to each race in the race card to see whether the race is part of a Jackpot, Pick 6 etc.**

HOW TO PLACE YOUR BET

This is the NB info you need to include:

Race course

Bet type

Race number

Amount of your bet

Horse number

HOLLYWOOD bets
KENILWORTH

Swinger

Race 3

R60

Horse number
1, 4 and 7*

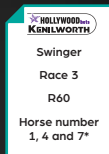

*Note, NOT betting advice,
for example only

HOW MUCH DOES A BET COST?

Just a R6 minimum!
(R2 minimum for a Swinger)

HOW DO PAYOUTS WORK?

Have you won!? Take your winning betslip to a Tote counter and the operator will scan it through the terminal – the winnings will be calculated based on the odds and pool of that race.

IMPORTANT TO REMEMBER

You have until the start of the race (or group of races) to get your bets in.

ALWAYS CHECK YOUR TICKET BEFORE LEAVING THE COUNTER TO MAKE SURE IT'S CORRECT.

PREVIEW

1 BECKY SHARP is knocking hard and could get it right here. 4 SAINT BRIGID ran a cracker last time, stepped down to 1400m and is interesting over a further step down in trip. 3 EASY MONEY beat Becky Sharp last time and is only 1.5kg worse off for a 1,75 length beating so might confirm the form. 7 IM THE BUZZ has the form to earn a cheque. (David Thelison 1-4-3-7)

The Pick 6 bet

BETTING MADE EASY!

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R64
Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting.e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6...If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

1 MISS WORLD is well regarded and Richard Fourie could make all the distance. 3 DEAN STREET has the ability and can never be ignored. 5 TANNERON won well last time and looks to be coming into her own. 6 ELUSIVE WINTER is consistent and should be right there. (David Thiselton 1-3-5-6)

The Quartet bet

What is it? To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

Why would I take one? You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

What's it cost? Your 4-horse 'straight line' Quartet will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 4 horses, or more.

4 horses 'straight line' = R1 (take 6 times)
4 horses 'boxed' = R24
5 horses 'boxed' = R120

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.
