PREVIEW

We open the card with a fascinating contest, barring the reserve runners who have had one run each, the field is made up of unraced babies. There is no exposed form, some will be here for the experience, others will be tuned up and ready to fire first time out, we will need to watch them closely moving down to the start, and we will need to monitor the market. (Brandon Bailey: 4 - 9 - 8 - 7)

The Bipot bet

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win or come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over seven consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

BETTING MADE EASY!

Costs:

Straight line = R1 (take six times)

Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

Again, it's a tough race to assess, with plenty unraced youngsters lining up and bringing that unknown factor with them. Some have already had their first outing and showed encouraging signs, running on well and gaining valuable experience. Race fitness could be absolutely crucial here, 6 FROM THE ISLAND stayed on well for fourth on debut behind World Series on the 4th of February, with natural improvement expected from this colt, he should go close to winning. 5 VIBE CHECK might be the value play in this race, even though he ran last on debut finishing just under ten lengths behind Red Spice, he ran against winners on that occasion, and he was very green, watch for big improvement from this well-bred individual. 14 LADY JEAN finished just over five lengths behind St Harry on the 13th of January, she was entitled to be green first time at Hollywoodbets Kenilworth, the form of that race has worked out well, she could sneak into the places at a fair price. (Brandon Bailey: 6 - 5 - 14 - 4)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

Permutations

BETTING MADE EASY!

How to calculate the cost...

A lady is about to dress for a day at the races, and she's fretting. What should she wear? Finally, she shortlists her options down to: 2 dresses, 7 pairs of shoes, 3 hats, and 5 handbags. This is a real help, because now she only has 210 possible ways to mix 'n match. She may even make it to the track on time for the main race!

210? How did we get that number?

Simply by multiplying
2 (dresses) x 7 (shoes) x 3 (hats) x 5 (bags).
Result = 210.

Calculate your Permutations the same way - count the number of selections you've made in each leg, and multiply to get the total combinations.

Here's a Jackpot example:

LEG 1	LEG 2	LEG 3	LEG 4
5	2	8	4
9	3	10	7
	5	13	9
	7		10
	10		15
	11		
	14		

2 x 7 x 3 x 5 = 210 x R1 = R210

Explanation: This Permutation results in 210 different straight line combinations.

PREVIEW															
11 ZAGREB has been rested for 88 days, he was heavily supported in the market last time when finishing just under two lengths behind Balzi Rossi, the drop in trip on Sunday is key for this individual, he will go very close to winning on his best form. 2 BIG DEAL had absolutely no luck at Hollywoodbets Durbanville on the 17th of January, he turned for home a long way out of his ground, and he quickened up beautifully to run second behind Behave Harris, he will be just off the speed early here, and he will be low flying late, include him into all bets. 13 VOLEGOV stayed on well for third behind Meet The King on the 17th of January, he is in good form at the moment, the drop in trip will be no problem for this gelding, he will be right there in the finish. 12 FAST TRAIN just got touched off in the finish by Different World last time, he is a young horse that is still improving with racing, the extra 200m on Sunday will help his chances, watch him closely. (Brandon Bailey: 11 - 2 - 13 - 12)															

The Pick 6 bet

BETTING MADE EASY!

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)

Easy permutation: 2 horses in each leg = R64

Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting, e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6... If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

RESULT:									
PREVIEW									
5 SWIFT SERENITY ran a great race for third with the blinkers fitted last time, she stayed on nicely in a driving finish behind Different World on the 4th of February, the blinkers stay on, this looks to be the right race for her, she will take lots of beating here. 3 LOVE HER MADLY ran a much better race at Hollywoodbets Kenilworth on the 4th of February, she got going late to finish second behind Cantona, back sprinting and the tongue tie has definitely helped this filly, if she brings her last run to the track again on Sunday, she will go close. 4 STARTING POINT improved nicely with the blinkers on last time, she was just behind Love Her Madly on that occasion, she is improving with every start, watch her closely here, she can win a race like this. 6 DELAROCHE ran a fair race for fourth behind Raffish Trend on the 21st of January, she is speedy, and she drops in trip again to 1000m, she might be able to sneak into the places. (Brandon Bailey: 5 - 3 - 4 - 6)									

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

The **Exacta** bet **BETTING MADE EASY!**

What is it? To win an Exacta you have to predict two horses to finish first and second in the exact order.

Why would I take one? There are 2 horses in the race that you really fancy. You could take them as a Swinger - lower risk but also invariably a lower dividend. So you opt for the Exacta - harder to win than the Swinger, but will pay more if you do!

What's it cost? Your 2-horse 'straight line' Exacta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can also 'box'* your 2 horses, or more than 2 horses. This will cost you:

- 2 horses 'straight line' = R1 (take 6 times)
- 2 horses 'boxed' = R2 (take 3 times)
- 3 horses 'boxed' = R6
- 4 horses 'boxed' = R12

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take an Exacta on. For a simple 'straight line' Exacta, give your horse number for 'first' followed by your horse number for 'second'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating how many times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

RESULT:						
PREVIEW						
4 FERRYMAN must have a big winning chance in this race, he was a touch unlucky on debut when finishing second behind Wave Of Glory on the 4th of January, he will love the step up in trip on Sunday to 1400m, with natural improvement expected from this colt, he will be hard to beat. 5 GREENCHOICE has been rested and gelded, top jockey Andrew Fortune has been booked to ride this individual, he is very consistent, if he doesn't need the run back from a small break, he will go close to winning. 3 CHARLIE BUCKET ran a fair race for fourth behind District Master on the 13th of January, he was unfortunately drawn badly on that occasion, he should have no excuses on Sunday from a good draw, include him into all bets. 2 BLIZZARDBOY finished just under three lengths behind Meet The King at Hollywoodbets Durbanville on the 17th of January, from a good draw, he could sneak into the Quartet. (Brandon Bailey: 4 - 5 - 3 - 2)						

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

The Jackpot bet

BETTING MADE EASY!

What is it? In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

Why would I take one? Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

What's it cost? Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:
Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R16
Easy permutation: 3 horses in each leg = R81

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule...Does not apply to the Jackpot.
Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

RESULT:					
PREVIEW					
2 DISTRICT MASTER won his maiden impressively at Hollywoodbets Kenilworth on the 13th of January, he will be on speed from a good draw, if he gets cheap sectionals in front on Sunday, he will be hard to peg back late, include him into all bets. 9 THE NIGHT FERRY has run two good races in succession, he stayed on well for second behind Devil A Saint last time, the tongue tie has been removed for his race on Sunday, if he gets some luck in running from a wide draw, he will be competitive. 10 KLEIN KAROO quickened up smartly to win his maiden well at Hollywoodbets Durbanville on the 11th of February, he will be switched off early from a wide draw, and he will be eating up the ground late, watch him closely with jockey Andrew Fortune in the irons. 3 ROCKANROLLIN has been rested for 71 days, he had to fight hard to win his maiden at Hollywoodbets Kenilworth on the 13th of December, he is well-bred, and he should enjoy the step up in trip to 1400m. (Brandon Bailey: 2 - 9 - 10 - 3)					

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

The Quartet bet

What is it? To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

Why would I take one? You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

What's it cost? Your 4-horse 'straight line' Quartet will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 4 horses, or more.

4 horses 'straight line' = R1 (take 6 times)
4 horses 'boxed' = R24
5 horses 'boxed' = R120

BETTING MADE EASY!

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

11 FOUDRE won a brilliant race at Hollywoodbets Kenilworth on the 31st of January, he was given six points for that impressive victory, even though he is up in class and he is drawn wide on Sunday, he has tremendous gate speed early, and he quickens well, there is no doubt that he can win again. 6 CHASINGTHERAINBOW ran a great race behind Roland Garros on the 10th of January, he was only beaten just over one length at the finish, but he was finishing like a train, if he settles early, he will run a big race here. 1 MAJOR MASTER is much better than his run last time, ignore that completely, he finished just over five lengths behind I Salute You on the 10th of January, he drops in trip on Sunday, and he has a good draw, he will be right there in the finish. 4 MENTE ET MANU won well last time, it was a great ride by Richard Fourie, he was given three points for that win on the 13th of December, if he doesn't need the run back from a small break, he could sneak into the places. (Brandon Bailey: 11 - 6 - 1 - 4)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

RESULT:					
PREVIEW					
7 SHESGOTCLASS ran a cracker behind Pink Pigeon on the 10th of January, she finished second in a close finish, now that she is better off at the weights, she must have a good winning chance in this field. 3 PINK PIGEON stayed on well for fourth behind Babelicious at Hollywobets Kenilworth on the 31st of January, jockey Richard Fourie sticks with this filly, she is very consistent, include her into all bets. 6 TANNERON was a touch disappointing behind Babelicious last time, she is much better than that performance, if she gets some cover early, she will run a huge race, watch her closely here. 5 DAME OF TRIX never runs a bad race, she finished third in the same race as Pink Pigeon and Tanneron on the 31st of January, she is in a good space at the moment, there is no doubt she will be right there in the money again. (Brandon Bailey: 7 - 3 - 6 - 5)

COMMENT: Good run last time. Can win													

RESULT:

6 RAVEN BLACK moved up like a winner when finishing third behind Snow Pilot on the 31st of January, he is packed with ability, if he jumps on terms on Sunday, he will go very close to winning, there is no doubt that he is the class package in this race. 12 BLACK EAGLE was extremely tough last time, he ran a great race for second behind North Point on the 4th of February, the yard thinks highly of this gelding, on his best form, he will be competitive. 3 GOLD GIBOSKI only got going very late last time, he finished third in the same race as Black Eagle on the 4th of February, he will be just off the speed early, and he will be storming home late, watch him closely. 11 THREE TIGERS is much better than his last performance, he probably just needed to run back after gelding, he is a lovely looking horse with a great action, he should run a better race on Sunday. (Brandon Bailie: 6 - 12 - 3 - 11)

PREVIEW							
11 WHIRLWIND quickened up beautifully to win a good race at Hollywoodbets Kenilworth on the 31st of January, again it was a top ride by jockey Richard Fourie, she was given three points for that impressive win, she is a young filly with tons of improvement still to come, she can definitely win again. 3 WANDER DUNE has been rested for 130 days, she was fancied in the market to run a big race last time, unfortunately she finished last and was beaten just over six lengths by Viva La Vida, there is no doubt she is better than that, the drop in trip on Sunday might help this filly get back to winning ways, include her into all bets. 6 MARITZBURG MEMORY might be the value play in this tricky race, she was only beaten just under three lengths by Dame Of Trix on the 13th of January, she has dropped even further in the ratings, if the gaps open at the right time for this filly, she will run a big race at a good price. 7 GIRL LIKE US never runs a bad race, she finished just over three lengths behind Dream Searcher on the 4th of February, the yard is in good form at the moment, she might be able to sneak into the places on her best form. (Brandon Bailey: 11 - 3 - 6 - 7)

PREVIEW

14 GALLIC VICTOR has been rested and gelded, he finished just under three lengths behind Mente Et Manu at Hollywoodbets Kenilworth on the 13th of December, he is a beautiful horse with tons of ability, even though this trip of 1200m will be on the short side, he will be running on strongly late, include him into all bets. 6 WORLDLY didn't have much luck in running last time, he finished just under three lengths behind Whirlwind on the 31st of January, he can be a bit slow out the gates, but he will be finishing fast late, watch him closely at a decent price. 8 SPIRIT must have a good each way chance in this race, he finished fourth in the same race as Worldly last time, the key could be the blinkers fitted to this gelding on Sunday, he should run a nice race. 1 AZZURRI ran third behind Whirlwind on the 31st of January, he always has a place chance at this level. (Brandon Bailey: 14 - 6 - 8 - 1)
