The Bipot bet

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

BETTING MADE EASY!

Costs:

Straight line = R1 (take six times)

Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

REDLIGHT LANE (1) is an interesting runner and was only 5.5 lengths off the winner last time. She could still improve and is the each-way value suggestion. FANTINE (8) is improving with racing and should go very close to winning. AUTUMN RUSH (4) ran a fair race last time and can earn again. GATHERING WINTER (5) has quartet credentials. PREVIEW									
CUTIE PATOOTIE (7) caught the eye on debut when placing third of eleven and with natural progression, could be tough to beat. AURELIAN (2) went close last time and should not be a maiden for too much longer - big chance. KISSES (6) can do way better than her last three but is never far off the action and has a bright place chance. BEAUTIFUL ONE (9) is a must for trifectas and quartets. END RACE					
RESULT:					
PREVIEW					
IN MOTION (3) is banging loudly at the door having achieved four seconds in his last four runs and has only had five career starts. If he doesn't win today, he may battle going forward. TIME HONORED (4) is never far off the winner and should be in the firing line and a must for all bets. MONTESSORI (5) surely has plenty scope for more progression and can be included in on the shortlist. BARRY'S BOY (1) could be the quartet value. (Warren Lanterna 3-4-5-1)					

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

ELUSIVE WINTER (2) is speedy, has solid form and rates an obvious bright winning chance. FIRE ATTACK (1) wants further but in saying that his last run was huge when racing over 1160m finishing second to Buffalo Storm Cody on the Highveld. Despite needing further and getting ready for other races to come - he can go very close - each way chance. TENANGO (3) and WINTER SNAP (4) are must includes for the quartet. PREVIEW

RATTLESNAKE (2) is holding consistent form, again gets weight off the back from the talented apprentice and is the warm order first choice. CAVALRY COMMANDER (10) ran a much better race last time when nearly beating Gold Giboski and can go one more. CATCH A PENNY (6) is a stunning filly that won a gutsy race last time. She is one for the shortlist and must be factored into all bets. MOODY BLUE (5) is a recent maiden winner but could fair well and place first time in open company - quartet inclusion. (Warren Lenferna 2-10-6-5)

The Exacta bet

BETTING MADE EASY!

What is it? To win an Exacta you have to predict two horses to finish first and second in the exact order.

Why would I take one? There are 2 horses in the race that you really fancy. You could take them as a Swinger - lower risk but also invariably a lower dividend. So you opt for the Exacta - harder to win than the Swinger, but will pay more if you do!

What's it cost? Your 2-horse 'straight line' Exacta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can also 'box' your 2 horses, or more than 2 horses. This will cost you:

2 horses 'straight line' = R1 (take 6 times)

2 horses 'boxed' = R2 (take 3 times)

3 horses 'boxed' = R6

4 horses 'boxed' = R12

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take an Exacta on. For a simple 'straight line' Exacta, give your horse number for 'first' followed by your horse number for 'second'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating how many times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

Trainer Herman Brown holds a strong hand here with two hugely competitive runners. THE NIGHT FERRY (7) is likely to punch forward and take the race by the scruff of the neck and can hold on. Richard Fourie sticks with the ride which is always a great sign. Stable mate GOLD INDEX (6) is consistent and never far off the action - big chance. DEVIL A SAINT (4) is taking time for the next win but went close last time and must be respected and included. MELA STRENGTH (5) always has claims and a warrants inclusion in the quartet. (Warren Lenfema 7-6-4-5)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

END RACE																
RESULT:																

PREVIEW																
SILVER SALUTE (2) showed encouraging progression at the second time of asking and with the likelihood of more to come, could rate a hard horse to oppose. SOUTH OF FRANCE (3) keeps running third but should get it all right soon - strong place chance. BURNING DESIRE (6) ran a good race on debut and would have come on from the experience and can be expected to get way closer this time - big runner. GREEK HEIRESS (7) went close last time and should again finish in the money. (Warren Lenferma 2-3-6-7)																

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the “All Clear” is given.
