HOW TO BET

DIFFERENT TYPES OF BETS

WIN

You're choosing the horse you think will **WIN** the race.

EXACTA

You're choosing the horses you think will finish 1st and 2nd in **EXACT** order.

SWINGER

You're choosing two horses to finish either 1st, 2nd, or 3rd – both horses must end up in the **TOP THREE**.

QUARTET

You're choosing four horses (or more!) to finish in the top 4. If you choose the **BOX** option, the order they finish won't matter, as long as they're in the top 4.

JACKPOT

The jackpot is made up of 4 pre-selected races, and you must pick the winner in each correctly to win.**
(you can pick more than 1).

PICK 6

To win the Pick 6 you need to correctly select the winners of 6 pre-selected races **on the day**.**
(the simplest way to bet on this is to choose 2 horses per race)

** Check the info boxes next to each race in the race card to see whether the race is part of a Jackpot, Pick 6 etc.

HOW TO PLACE YOUR BET

This is the NB info you need to include:

Race course

Bet type

Race number

Amount of your bet

Horse number

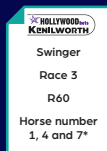

*Note, NOT betting advice,
for example only

HOW MUCH DOES A BET COST?

Just a R6 minimum!
(R2 minimum for a Swinger)

HOW DO PAYOUTS WORK?

Have you won!? Take your winning betslip to a Tote counter and the operator will scan it through the terminal – the winnings will be calculated based on the odds and pool of that race.

IMPORTANT TO REMEMBER

You have until the start of the race (or group of races) to get your bets in.

**ALWAYS CHECK YOUR TICKET
BEFORE LEAVING THE COUNTER TO
MAKE SURE IT'S CORRECT.**

HOLLYWOODBETS KENILWORTH RACE 1 - Abt/1400m

END RACE

RESULT:

PREVIEW

2 DIXIELAND BAND and 12 BABELICIOUS faced off over 1200m with the latter beating the former by 0,5 length. Both stepping up in trip to 1400m for the first time it will be interesting to see how they adapt to the trip but there is a slight preference for Dixieland Band to reverse the form. 13 DARLING GIRL showed good improvement over 1400m against older company in her last start and should continue that trend here now that she's back in a juvenile plate. 1 RUBY CLAIRE is another runner who is dropping back to racing against her same age group and has tried the 1400m before.
(Devon Pretorius: 2-12-13-1)

The Quartet bet

BETTING MADE EASY!

What is it? To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

Why would I take one? You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

What's it cost? Your 4-horse 'straight line' Quartet will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 4 horses, or more.

4 horses 'straight line' = R1 (take 6 times)

4 horses 'boxed' = R24

5 horses 'boxed' = R120

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

PREVIEW

Half the field is made up of 2YO debutantes so one must respect any betting support for the first timers. However, of the raced runners, 2 TEQUILA SKY has finished runner up in her last three starts and is well overdue for a win. Her biggest danger is 9 GIMMETHELIMELIGHT who returns after a break but might be in need of this run. 4 PINK MOON is lightly raced and ran a good race after a lengthy break. She'll strip fitter here and is capable of a big run (Devon Pretorius: 2-9-4-3)

The Pick 3 bet

What is it? To win a Pick 3 you must predict the winners of any three consecutive races.

Why would I take one? You must apply the principle of risk and reward. Your Pick 3 is harder to win than a Double, but is therefore likely to return a bigger dividend. Then again, a Pick 3 is easier to win than a Jackpot...

What's it cost? Your 3-horse 'straight line' Pick 3 will cost R1 - but you must take it 6 times to meet the minimum bet requirement: To improve your chance of winning, you can also take a 'Permutation' - several horses per leg.

BETTING MADE EASY!

'Straight line' = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R8
Easy permutation: 3 horses in each leg = R27

How do I ask for it? You must tell the tote operator which venue you're betting on and then the race number of the first leg of the Pick 3 you wish to take. Then give your horse numbers stating clearly which horses are to be included in your first leg, second leg and third leg. End off by stating how many times you wish to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

No fractional betting.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

1 DAIMYO as well as 7 ETOILEFILLANTE have both finished second in their last two starts and should fight this one out. The stronger formlines certainly lie with DAIMYO and from pole position, there should be no excuses here. 4 PRINCE OF TIBET is never far off the action and stepping back up in trip again, he should finish a lot closer. 3 AMANCIO caught the eye in his second start over 1400m. However, there hasn't been a lot of betting support in his starts which is a slight concern.
(Devon Pretorius: 1-7-4-3)

The Jackpot bet

BETTING MADE EASY!

What is it? In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

Why would I take one? Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

What's it cost? Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)

Easy permutation: 2 horses in each leg = R16

Easy permutation: 3 horses in each leg = R81

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule...Does not apply to the Jackpot.

Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.

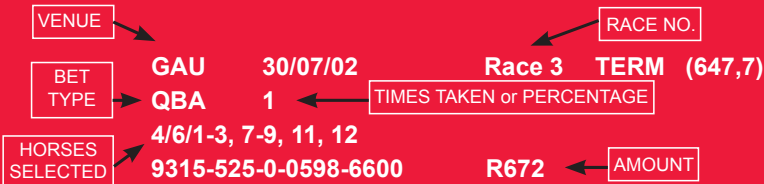

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

THE RESPONSIBILITY IS YOURS!

RESULT:

PREVIEW

Open maidens are never easy to assess but there was a lot of talk about 3 APACHE CHIEF in his last start but the saddle slipped early in the race and was never able to recover. Ignore that run and a chance is taken on him to win here. 10 KWITE A KING and 12 LOCKHEEDLIGHTNING are consistent and never far off the action and should be in contention once again. 11 POINTDEXTER; 9 FRENCH TRIP and 8 RED RACKHAM are runners that can't be ignored.
(Devon Pretorius: 3-10-12-11)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

4 VERONIQUE reopposes with a few runners such as 3 GRANDIOSA and 11 United We Stand and based on the weight turnarounds, Veronique is the best off from that last formline and with the jockey booking of Richard Fourie, she should go very close to winning. Grandiosa can follow up after only a three point penalty for her win. 2 TICKING BOMB is a maiden taking on winners but she has raced against stronger and it wouldn't be surprising to see her win. 6 LITTLE MISS PINK; 9 YOU'REYESONLY and 10 CLOUD CHASER must be respect in bigger permutations.
(Devon Pretorius: 4-3-2-9)

The Jackpot bet

BETTING MADE EASY!

What is it? In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

Why would I take one? Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

What's it cost? Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:
Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R16
Easy permutation: 3 horses in each leg = R81

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

TOTE

First time runners rule...Does not apply to the Jackpot.
Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

JUVENILE BONUS INCENTIVES

- The CRS R100,000 Bonus is a juvenile bonus incentive for all graduates.
- Bonuses of R100,000 will be paid for the first juvenile win of ANY race, this will be payable in Juvenile races and open Maiden races won by juveniles.
- R75,000 to the winning owner
- R25,000 to the winning vendor
- Bonuses are limited to the first 40 juvenile winners
- Total Payout of R 4 Million
- 2024 Premier Yearling Graduates will be eligible for both the CRS Bonus and the Cape Sales Slipper.

PREVIEW

2 PORT LOUIS finished 2nd in the Variety Club Mile Gr 3 in his last start behind Rascallion and was unlucky not to have finished closer. He looks hard to beat here. Stable companions 6 ZIL MORIS and 7 ZOOMIE finished 2nd and 3rd in the Eastern Cape Guineas and should be involved in the placings with the best weighted horse in the race 8 COASTAL COMMANDER.

PREVIEW

4 KYTHERA quickened up smartly in her last start and won in a comfortable fashion. She's one of the best weighted in the race and should give another good account of herself. 11 ONI SAN looks like a good each way bet. She last ran in a Gr 3 which is best ignored but finished second in her penultimate start. She is also well weighted here and could start at good odds. 7 MISS MARGUERITE was one paced in her last start and is better than that effort. 9 KINKY BOOTS is having her third run after a lengthy break and there looks like there is more to come from her.
(Devon Pretorius: 4-11-7-9)

The All to Come bet

What is it? The All-To-Come allows you to take up to six Win or Place bets for the cost of just one original stake. If your first bet wins, all your winnings become your stake for the second bet, and so on. You must take a minimum of two bets, and a maximum of six. The bets must all be on the same racemeeting, but not necessarily consecutive races.

Why would I take one? Convenience - plus the advantage of multiplying your stake value each time you win - for no extra cost!

What's it cost? R1- but you must take the bet a minimum of six times.

How do I ask for it? You must tell the tote operator which venue you are betting on and then the race number of your first bet. Choose a Win OR Place - not both - and specify the horse number. Then specify each race number you wish to bet on, and repeat the process.

Or... You can mark this bet on a Betmark card and hand it to a tote operator. Remember - specify the amount of your opening stake, minimum R6.

Future Events – From time to time TAB will operate a special ALL TO COME which will allow customers to include a bet on a selected race at a FUTURE race meeting. In these cases, the last grid of the card must be completed in the normal way with either FUTURE 1 or FUTURE 2 marked to denote the special event (watch press for details).

TOTE

Scratchings: If a selected horse is scratched your stake is transferred to the next subsequent race.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

12 WORDSWORTH has finished third in his last three starts and brings the best form into the race. Jockey Richard Fourie has been engaged for the ride and must be a lively contender. 8 WHISKEY BRAVO looked really well in his last start and finished off his race in an eye catching manner. 6 WYLIE JACK hasn't been far off in recent starts and should be finishing off strongly. 7 SEEKING PEACE won her penultimate start and should bounce back after a disappointing run last time out. (Devon Pretorius: 12-8-6-7)
