The Bipot bet

BETTING MADE EASY!

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line = R1 (take six times)

Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value, OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

Permutations

BETTING MADE EASY!

How to calculate the cost...

A lady is about to dress for a day at the races, and she's fretting. What should she wear? Finally, she shortlists her options down to: 2 dresses, 7 pairs of shoes, 3 hats, and 5 handbags. This is a real help, because now she only has 210 possible ways to mix 'n match. She may even make it to the track on time for the main race!

210? How did we get that number?

Simply by multiplying

2 (dresses) x 7 (shoes) x 3 (hats) x 5 (bags).

Result = 210.

Calculate your Permutations the same way - count the number of selections you've made in each leg, and multiply to get the total combinations.

Here's a Jackpot example:

LEG 1	LEG 2	LEG 3	LEG 4
5	2	8	4
9	3	10	7
5	13	9	
7		10	
10			15
11			
14			

$$2 \times 7 \times 3 \times 5 = 210 \times R1 = R210$$

Explanation: This Permutation results in 210 different straight line combinations.

The Place bet

BETTING MADE EASY!

What is it? To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

Why would I take one? You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

What's it cost? A Place bet on your horse will cost you R1 - but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)...but you will get paid out 6 times the

dividend if you win: 1 horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

8 WINTER PIRATE ran a great race on debut, he stayed on well for third behind World Series on the 4th of February at Hollywoodbets Kenilworth, with natural improvement expected from this well-bred colt, he definitely has a winning chance in this field. There's very little exposed form to go on, so the betting market will be our best guide. We have some well-bred runners from powerful yards lining up in this race, it would be no surprise to see one of them win. (Brandon Bailey: 8 - 7 - 6 - 1)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

3 RHYTHM KING stayed on nicely for second behind Klein Karoo at Hollywoodbets Durbanville on the 11th of February, the blinkers have been fitted to this gelding on Wednesday, there is no doubt that he can win a race like this on his best form. 9 TROIS SEPT HUIT ran a great race last time, he was doing some good work late for third behind Trailfinder on the 13th of January, he is improving with every start, if he brings that last run to the track on Wednesday, he will be tough to beat. 7 RED WAVE was a touch disappointing at Hollywoodbets Durbanville on the 11th of February, he went extremely fast early, and he stopped to a walk late, he is much better than that performance, if he bounces back to his best form, he will be competitive. 8 HEDRIVESMECRAZY ran a much better race last time, he finished fourth behind Different World on the 4th of February, the blinkers stay on, he could sneak into the places at a decent price. <p>2 TOTHOMOONANDBACK finished two lengths behind Midway at Hollywoodbets Durbanville on the 21st of January, he stays well, he is in good form at the moment, and top jockey Andrew Fortune has been booked to ride this gelding, he never runs a bad race, he will be right there in the finish from a good draw. 6 HELIOTROPE needed her last run back after a long rest, she caught the eye late for third behind Double Dash on the 11th of February, she steps up in trip now to 2500m, in hope that she stays, she will be competitive in this tricky race. 5 TWICE THE MASTER finished just over two lengths behind Gentleman Joe on the 4th of January, he has dropped a point in the ratings from his last run, and he gets the 4kgs apprentice claim off his back on Wednesday, he will go close to winning. 1 ELEGANT NOBLE could be the value play in this race, he ran a cracker last time behind Note To Self on the 31st of January, he is a beautiful horse with a big action, if he stays the trip of 2500m, he definitely has a winning chance. RESULT:											
PREVIEW											
<p>5 KITUBA ran a fair race at Hollywoodbets Durbanville on debut, she finished just under seven lengths behind Raffish Trend on the 21st of January, she is very well-bred this filly, with natural improvement expected, she should go close to winning. 4 ALESSIAASHEVILLE had absolutely no luck in running from a wide draw at Hollywoodbets Durbanville on the 11th of February, she still ran a great race finishing just over one length behind Winter In Auckland, even though she is a well tried maiden, she will be competitive in this field. 8 KISSES has been rested for 77 days, she stayed on well for fifth behind Cassandra on the 10th of December, she is a speedy filly that likes to be handy in her races, the drop in trip to 1200m could be key for this individual, watch her closely. 10 GQEBERHA disappointed terribly at Hollywoodbets Durbanville on the 17th of January, she was beaten just under eight lengths by South Of France, she is much better than that poor performance, if she brings her debut run to the track on Wednesday, she will be there amongst the places. (Brandon Bailey: 5 - 4 - 8 - 10)</p>											

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

The Jackpot bet BETTING MADE EASY!

What is it? In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

Why would I take one? Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

What's it cost? Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:
Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R16
Easy permutation: 3 horses in each leg = R81

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule...Does not apply to the Jackpot.
Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

3 BEAUTIFUL ONE ran a brilliant race behind her stable companion on the 21st of January, she certainly caught the eye late for second behind Amayah, the form of that race has worked out nicely, this doesn't look to be the strongest maiden, from a good draw on Wednesday, she will be tough to beat. 5 PACIFIC WATERS has been rested for 77 days, she ran a terrific race for third behind Cassandra on the 10th of December, she loved the 1600m trip, jockey Andrew Fortune has been booked to ride this filly on Wednesday, she will be right there in the finish. 4 RED TAFFETY finished just over two lengths behind South Of France on the 17th of January, she will appreciate the step up in trip here, include her into all bets. 9 UP IN FLAMES disappointed last time at Hollywoodbets Kenilworth, she was beaten just over ten lengths by Lark's Song on the 13th of January, even though she is drawn wide, the key for this filly will be the drop in trip to 1600m, watch for major improvement. The background of the advertisement is a composite image. On the left, a woman is wearing a large, elaborate costume that resembles a fish, with a large, colorful headpiece featuring a fish face and blue bubbles. She is looking towards the camera. On the right, a jockey in a pink helmet and green and red vest is riding a brown horse on a racetrack. The overall scene is bright and festive.

<p>8 PRAIRIE DAWN won his maiden super impressively at Hollywoodbets Durbanville on the 21st of January, he quickened up like a smart horse, this is a stronger field on Wednesday, but he has a wonderful turn of foot, and he looks extremely progressive, he can definitely win again. 4 UNITED FRONT finished strongly for second behind Foudre on the 31st of January, the blinkers and the tongue tie stay on this gelding, the yard thinks highly of this individual, he has a big winning chance in this field. 1 SOMMERSTERN won a good race at Hollywoodbets Durbanville on the 17th of January, he was given six points for that win, from a neat draw, he will be storming home late, include him into all bets. 2 IN A TIMELY MANNER was drawn poorly last time, he finished just over five lengths behind Foudre on the 31st of January, he should get the run of the race from a good draw on Wednesday on Wednesday, watch him closely. (Brandon Bailey: 8 - 4 - 1 - 2)</p>

<p>1 HIAWATHA GOLDBERG stayed on well for fifth behind Sooty on the 11th of February at Hollywoodbets Durbanville, he will be just off the speed early, and he will be doing some good work late, watch him closely now that he is back sprinting at Hollywoodbets Kenilworth. 5 CELTIC CHIEF needed his last run badly, he still ran a good race finishing just over three lengths behind Rattlesnake on the 4th of February, he will be much fitter on Wednesday, include him into all bets. 9 OZARK has been rested for 66 days, he was doing some good work late for second behind Hiawatha Goldberg on the 21st of December, if he doesn't need the run back from a small break, he will be competitive. 2 TRUE HORIZON finished just under four lengths behind Wyze Declaration at Hollywoodbets Durbanville on the 21st of January, she will be running on strongly late, if the gaps open at the right time, she will be right there in the finish. HOLLYWOODBETS KENILWORTH RACE 8 - Abt/1400m

END RACE				
RESULT:				
PREVIEW				
<p>2 GIVEN TO FLY must have a good winning chance in this field, she was doing some good work late for fourth behind Black Path on the 17th of January, she has a good draw on Wednesday, and she has the 4kgs apprentice claim coming off her back, there is no doubt she will run a big race. 3 ACT OF GRACE just got touched off last time, she ran a lovely race for second behind Lovers Lane on the 21st of January, jockey Chad Little sticks with this filly, from a good draw, she will be right there in the finish again. 8 BLACK PATH finished four lengths behind Gin Palace on the 4th of February at Hollywoodbets Kenilworth, she will be towards the back of the field early, and she will be eating up the ground late. watch her closely here. 10 MEG'S LEGACY stayed on really well for third in the same race as Black Path last time, she travelled well in her race, and she fought hard all the way to the line, even though she is drawn poorly here, she will be switched off early, and she will be running on strongly, include her into all bets. (Brandon Bailey: 2 - 3 - 8 - 10)</p>

The Win bet

What is it? You must predict the first horse past the post – that's it!

Why would I take one? You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

What's it cost? A Win bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win :
1horse = R1 (take 6 times)

BETTING MADE EASY!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.
