# The Bipot bet

BETTING MADE EASY!

**What is it?** To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

**Why would I take one?** In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win or come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over seven consecutive races. The Bipot gives you an 'in-between' alternative.

**What's it cost?** Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:

**Straight line = R1 (take six times)**

**Easy permutation: 2 horses in each leg = R64**

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

**Scratchings:** There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

**Note:** Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

# The Place bet

**BETTING MADE EASY!**

**What is it?** To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

**Why would I take one?** You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

**What's it cost?** A Place bet on your horse will cost you R1 - but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)....but you will get paid out 6 times the

dividend if you win: 1 horse = R1 (take 6 times)

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

*NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.*

**Scratchings: If your horse is scratched, you will receive a full refund.**

**Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.**

#### PREVIEW

8 PANJANDRUM ran a great race behind Saachi One at Hollywoodbets Durbanville on the 18th of October, she ran third and was only beaten just over two lengths at the line, she is a young filly that will keep improving with every start, the drop in trip to 1000m will help her chances, include her into all bets. 6 PLAYING TRIX ran a much better race at Hollywoodbets Kenilworth on the 2nd of November, she was well supported in the market on that occasion, if she can bring that run to the track again on Wednesday, she will go close to winning. 1 LOVELY DANCER ran a fair race on debut behind Morfeihla on the 2nd of November, she ran fourth and was beaten just over five lengths by the winner, with natural improvement expected, she can finish amongst the places. 3 NEBULOUS has been rested for 88 days, she was disappointing last time behind Miss William on the 30th of August, if she bounces back to her best form after a small break, she will be competitive. Watch the first timers closely. (Brandon Bailey: 8 - 6 - 1 - 3)

1 MADRA RUA ran a super race behind Navaseven at Hollywoodbets Kenilworth on the 8th of November, it was his first run back after a small break, and he moved up well to finish second in a close finish, there is no doubt that he will be much fitter on Wednesday, he will go close to winning here. 5 MONTESSORI caught the eye late on debut behind Objet D'Art, he met some interference up the lane at a crucial stage in the race, and he still managed to finish just over three lengths behind the winner, he will improve big time going into his second run, watch him closely. 9 SUNSHINE SUPERMAN stayed on well for third last time, he was only beaten just over two lengths in the same race as Montessori on the 8th of November at Hollywoodbets Kenilworth, it was his first run after gelding, and the blinkers stay on for his race on Wednesday, he could be the value horse in this tricky race. 7 BOURBON KING is well-bred, watch him in the parade ring, and watch the market closely with this individual. RESULT:																
PREVIEW																
<p>1 BLUE LAGOON stayed on well for second behind Call Me Secret on the 2nd of November, she will love the step up in trip to 1400m, and she has a good draw, on her best form, she will go close to winning. 8 GIN PALACE ran a terrific race behind her stable companion on the 25th of October, she was doing some good work late for second behind Lady Veritas, if she gets some luck in running from a bad draw, she will be competitive. 6 DESTINY'S DREAM improved nicely in her second start on the 18th of October, she hit the line well to finish third behind Midnight Lady, there is no doubt that she will love the step up in trip to 1400m, watch her closely. 9 WYZE DECLARATION ran a fair race behind Flying South on the 18th of October, she was well supported in the market when finishing third at Hollywoodbets Durbanville, she will improve even further now that she steps up in trip, include her into all bets. (Brandon Bailey: 1 - 8 - 6 - 9)</p>																

# The Pick 6 bet

**BETTING MADE EASY!**

**What is it?** In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

**Why would I take one?** The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

**What's it cost?** Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

**Straight line (1 horse in each leg) = R1 (take 6 times)**  
**Easy permutation: 2 horses in each leg = R64**  
**Easy permutation: 3 horses in each leg = R729**

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting, e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

*First time runners rule in the Pick 6... If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.*

*Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.*

**Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.**

**PREVIEW**

7 PROTECTOR OF PEACE has run two great races in succession, he was doing some good work late behind Touched By Angels on the 2nd of November, he should enjoy the step up in trip to 1400m on Wednesday, with some luck in running, he will go close to winning. 5 ZAGREB stayed on well for second in the same race as Protector Of Peace last time, he is a beautiful horse with a great action, jockey Andrew Fortune knows this colt well, he will run a big race now that he steps up in trip. 1 BALZI ROSSI caught the eye 1 ate for third at Hollywoodbets Kenilworth on the 10th of November, he was drawn badly on that occasion, and he still managed to finish just over two lengths behind Clark Griswold, now that he gets a good draw, he will make them all work for victory. 2 DISTRICT MASTER has been well tried in the maiden ranks, he has run some good races of late, the blinkers have been fitted, and he gets a neat draw, watch him at a decent price. (Brandon Bailey: 7 - 5 - 1 - 2)

PREVIEW											
<p>1 MON PETIT CHERIE has been rested for 144 days, she is a top filly with tons of ability, she ran a cracker behind Double Grand Slam in the Grade 1 Garden Province Stakes at Hollywoodbets Greyville on the 5th of July, she might need this run after a long break, and this trip will be on the sharp side for her, but she is classy and she will be right there in the finish. 7 SCARLET MACAW won a good race at Hollywoodbets Durbanville on the 18th of October, she quickened well to beat a strong field on that occasion, the yard thinks highly of this filly, she will be much fitter on Wednesday, there is no doubt that she can win a race like this. 4 TANNERON nearly caused a major upset in the Listed Laisserfaire Stakes on the 8th of November, she ran a big race for second behind Distling in a tight finish, on her best form, she will be amongst the places. 5 GIMME WHAT I WANT was only beaten just over two lengths in the Grade 2 Fillies Championship on the 8th of November, she will be just off the speed early, and she will be finishing strongly late.</p> <p>(Brandon Bailey: 1 - 7 - 4 - 5)</p>

<b>END RACE</b>					
RESULT:					
<b>PREVIEW</b>					
<p>7 ONE LINER won a good race at Hollywoodbets Kenilworth on the 2nd of November, he was given three points for that impressive victory, with no weight on his back, he can win again. 2 NORDIC CHIEF needed his run last time on the 2nd of November, he ran a super race in the Listed Southeaster Sprint behind The US Of A, the blinkers have been removed, if he has made any improvement back at home, he will go close to winning. 6 MASTEROFTHEDESERT stayed on well for third behind Scottish Kiss on the 5th of October, he is consistent, and he tries hard, he will be doing some good work late, watch him closely. 4 DEAN STREET is much better than his last run, ignore that effort completely, if he bounces back to his best form, he could trouble them all. (Brandon Bailey: 7 - 2 - 6 - 4)</p>					

# Permutations

**BETTING MADE EASY!**

**How to calculate the cost...**

A lady is about to dress for a day at the races, and she's fretting. What should she wear? Finally, she shortlists her options down to: 2 dresses, 7 pairs of shoes, 3 hats, and 5 handbags. This is a real help, because now she only has 210 possible ways to mix 'n match. She may even make it to the track on time for the main race!

210? How did we get that number?  
Simply by multiplying  
2 (dresses) x 7 (shoes) x 3 (hats) x 5 (bags).  
Result = 210.

Calculate your Permutations the same way - count the number of selections you've made in each leg, and multiply to get the total combinations.

Here's a Jackpot example:

LEG 1	LEG 2	LEG 3	LEG 4
5	2	8	4
9	3	10	7
:	5	13	9
:	7	:	10
:	10	:	15
:	11	:	:
:	14	:	:
:	:	:	:

2 x 7 x 3 x 5 = 210 x R1 = R210

**Explanation:** This Permutation results in 210 different straight line combinations.

<p>3 SHOWGIRL won impressively at Hollywoodbets Kenilworth on the 10th of November, she quickened away from the field like a smart filly, she is absolutely beautiful, even though she has gone up in the ratings, she can definitely win again. 1 CALANQUE ran a fair race behind Miss William on the 29th of October, she had a few excuses, and she still managed to stay on really well for second, this will be her first race up the straight at Hollywoodbets Kenilworth, with some luck in running, she will be right there in the finish. 9 MISS WILLIAM powered away from the field to win in style on the 29th of October, she was drawn wide on that occasion, and she still managed to win with absolute ease, she was given eight points for that win at Hollywoodbets Durbanville, her chances must be respected here. 2 SHESGOTCLASS ran a big race behind One Liner on the 2nd of November, she ran third and was beaten just over one length in a strong field, watch her closely, she can pop up at a decent price. (Brandon Bailey: 3 - 1 - 9 - 2)</p>

**PREVIEW**

10 COMMANDING must have a big winning chance in this field, he is in great form at the moment, even though he was given three points for running second at Fairview last time, the drop in trip, and the blinkers being fitted are key for this gelding, he will go close to winning on Wednesday. 5 GALLIC FORGE ran a super race in a competitive field on the 25th of October, he can be a tricky customer, if the race works out for him, he will go close. 6 PARATROOPER ran a much better race behind Showgirl on the 10th of November, he was doing some good work late on that occasion, he has dropped even further in the ratings, he will be storming home, watch him closely at a decent price. 8 UMZINGELI WENYATHI won well at Hollywoodbets Kenilworth on the 10th of November, if he has made any improvement back at home, he can sneak into the places. (Brandon Bailey: 10 - 5 - 6 - 8)

# The Jackpot bet

**BETTING MADE EASY!**

**What is it?** In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

**Why would I take one?** Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

**What's it cost?** Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

**Costs:**  
**Straight line (1 horse in each leg) = R1 (take 6 times)**  
**Easy permutation: 2 horses in each leg = R16**  
**Easy permutation: 3 horses in each leg = R81**

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

**First time runners rule...Does not apply to the Jackpot.**  
**Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.**

---

**Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.**

13 BEACH VERSE quickened up smartly to win a good race at Hollywoodbets Durbanville on the 29th of October, she was given six points for that win, the blinkers have been removed for her race on Wednesday, if she gets some luck in running from a terrible draw, she can definitely win again. 6 LADY VERITAS won impressively on the 25th of October, she is still improving, jockey Muzi Yeni has been booked to ride this filly on Wednesday, she will be storming home late, include her into all bets. 1 DREAM SEARCHER was given a great ride by jockey Craig Bantam on the 29th of October, she ran on well to get her head down at exactly the right time when beating La Landonne in a tight finish, she was given three points for that victory, from a neat draw, she will be competitive again. 9 MIDNIGHT LADY got left out the gates in her last start, she ran a decent race for fourth behind Match That on the 10th of November, if she stays the 1400m trip here, she will be there amongst the places. (Brandon Bailey: 13 - 6 - 1 - 9)

1 GREEK HEIRESS easily brings in the best form into this race, she stayed on well for fourth behind Diogenes at Hollywoodbets Durbanville on the 18th of October, she gets a good draw on Wednesday, and the blinkers have been fitted, she will be hard to beat. 5 TAYLOR'S VERSION ran a fair race up the straight at Hollywoodbets Kenilworth on the 2nd of November, she was beaten just over five lengths by Call Me Secret, the blinkers stay on, and she steps up in trip to 1400m, on her best form, she will be competitive. 9 IONA CASTLE must have a big each way chance in this field, she is a young filly that is improving with every start, she ran a great race for third in a big field on the 2nd of November, unfortunately the wide draw here will make it tough for her, but if the gaps open at the right time and she gets the luck needed, she will go close. 8 LARK'S SONG disappointed terribly in her last start on the 5th of October, she was beaten just over six lengths by Red Beryl, if she can put that performance behind her and improve, she can sneak into the Quartet at a decent price. (Brandon Bailey: 1 - 5 - 9 - 8)

# The Win bet

**What is it?** You must predict the first horse past the post – that's it!

**Why would I take one?** You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

**What's it cost?** A Win bet on your horse will cost you R1 - but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win : 1horse = R1 (take 6 times)

BETTING MADE EASY!

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

*NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.*

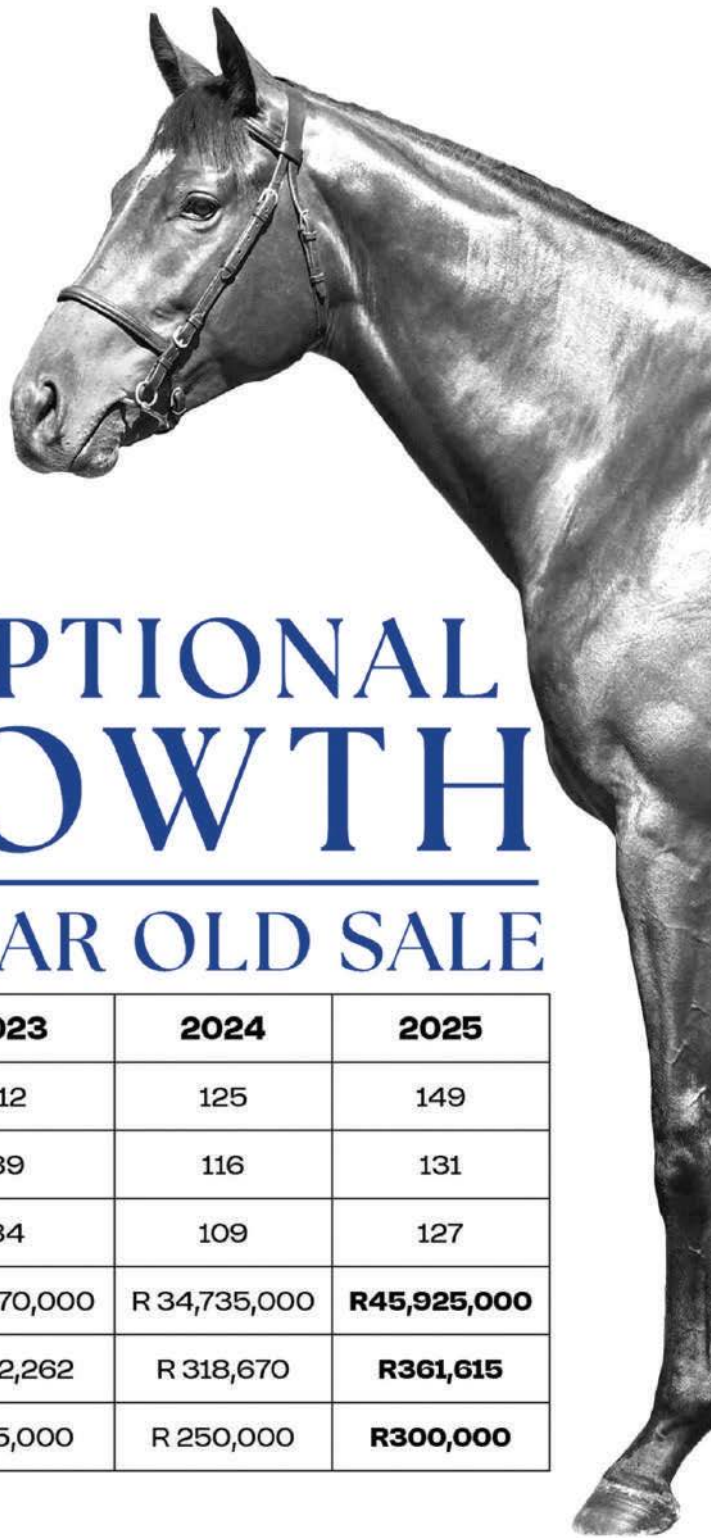

**Scratchings:** If your horse is scratched, you will receive a full refund.

---

**Note:** Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.
