The Bipot bet

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

BETTING MADE EASY!

Costs:

Straight line = R1 (take six times)

Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

The Jackpot bet

BETTING MADE EASY!

What is it? In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

Why would I take one? Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

What's it cost? Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)

Easy permutation: 2 horses in each leg = R16

Easy permutation: 3 horses in each leg = R81

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule...Does not apply to the Jackpot.

Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

The Place bet

BETTING MADE EASY!

What is it? To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

Why would I take one? You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

What's it cost? A Place bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)....but you will get paid out 6 times the

dividend if you win: 1horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

Stakes Won:R20,900

COMMENT: Smart debut. Should go well.

END RACE					
RESULT:					

PREVIEW

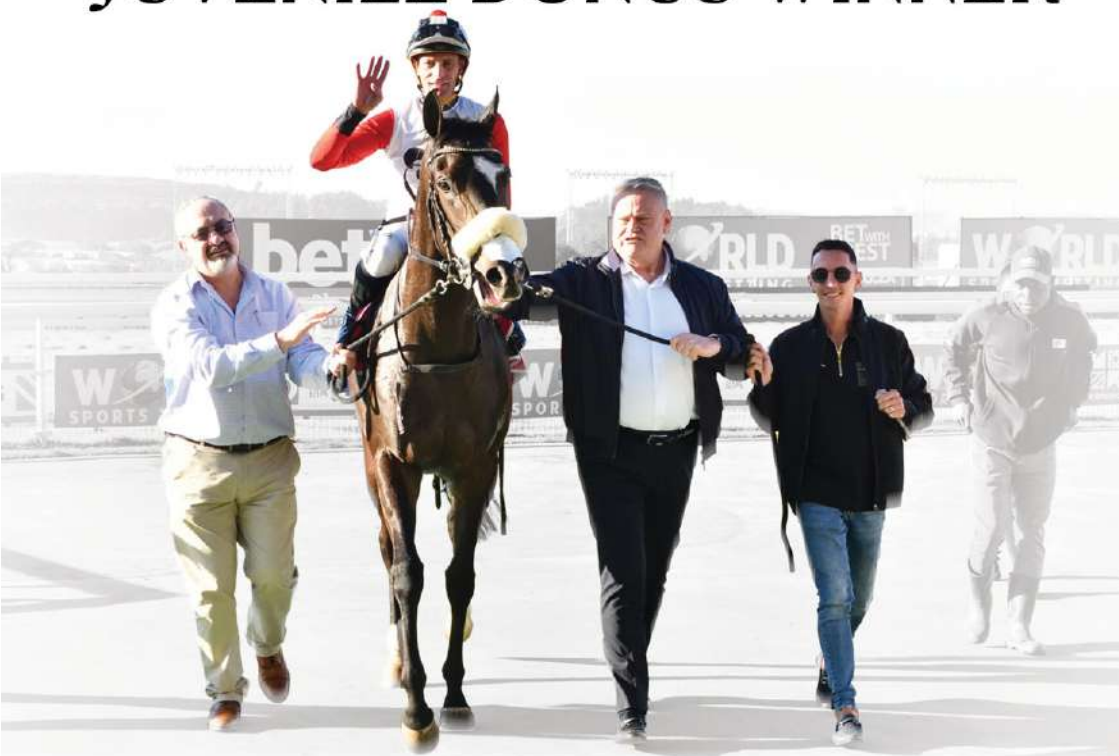

MAGICAL PLACE (11) ran a cracker on debut and with natural improvement, should be hard to beat. SARDINIA BAY (5) improved at the second run and has to be respected for all bets - strong each way chance. WAROFDYNAMITE (9) with weight off can earn and WORLD CHAMPION (8) can improve to get closer. (Warren Lenferna 11-5-9-8)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

END RACE				
RESULT:				
PREVIEW				
MEGHAN'S DIAMOND (2) is showing some ability and can improve further and could be tough to get past. NEBULOUS (3) has not been far away in both her runs thus far and will be a huge chance. HAZEL GREEN (6) improved lengths wise last time and could be the place value. WAIT FOR ME (7) can build on the debut performance. (Warren Lenferna 2-3-6-7)

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

BEACH VERSE (7) improved at long odds last time and with further progression expected, can go very close to winning.
CHICKASAW (8) caught the eye last time and can go one more. PITERAQ (1) was far from disgraced first up and can improve to earn her first cheque. UP IN FLAMES (5) is a must for trifectas and quartets. (Warren Lenferna 7-8-1-5)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

RIKKITIKITAVI (3) never justified favoritism last time but was far from disgraced and can bounce right back to winning ways. The weight off will help. GOODNESSGRACIOUSME (7) can run fresh back in Cape Town from KZN and is a massive runner. MIRACULOUS (4) has a huge place chance and FUN ZONE (2) is ultra-consistent and can win - big chance as always. (Warren Lenferma 3-7-4-2)

7th	R65 000	17th	R32 500
8th	R60 000	18th	R30 000
9th	R55 000	19th	R27 500
10th	R50 000	20th	R25 000

HOW IT WORKS?

POINTS ALLOCATION:

1ST = 20 | 2ND = 15 | 3RD = 10 | 4TH = 8 | 5TH = 6 | 6TH to last = 5

QUALIFYING RACES:

ALL CLASS 4,5, C & D STAKES RACES

Horses earn points for runs in qualifying races throughout the racing season (AUG-JUL):

- Horses are paid out according to their final table position on July 31.
- Horses that have deemed to have raided outside the WC during the season (Aug-July), will be excluded from the final table and all Country Championship Finals.
- Horses must have completed at least **ONE** qualifying run.

THE COUNTRY CHAMPIONSHIP FINALS:

Summer Country Championship Finals (February)

1000m
1200m
1400m
1800m

Winter Country Championship Finals (August)

1000m
1200m
1400m
1950m

- Each Final will be run for R200 000
- Horses qualify for the final field based on their current position on the championship table.
- CR reserves the right to cancel or merge any Finals races at the time of nominations or acceptances if the field sizes are inadequate

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

ONCIDIUM (3) caught the eye when trotting up in the maidens and could be anything - follow. MISS NEW YORK (1) is never far off the action and has each way claims. IM THE BUZZ (5) is taking time to win again but is running well and can place as always. ANGEL'S OASIS (9) has a quartet chance. Form is solid. (Warren Lenfema 3-1-5-9)

The Pick 6 bet

BETTING MADE EASY!

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R64
Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting.e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6...If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

LANDOFHERISINGSUN (1) has won his last two well and is confidently selected to reel off the hat-trick. CAPTAIN WEST (3) is holding form and should be in the first four with a winning shout. AIR RAID (7) has won two out of his last three and can continue on these ways - serious chance. SAN PEDRO (5) could be the place value - respect and include. (Warren Lenferna 1-3-7-5)

The Quartet bet

BETTING MADE EASY!

What is it? To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

Why would I take one? You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

What's it cost? Your 4-horse 'straight line' Quartet will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box'* your 4 horses, or more.

4 horses 'straight line' = R1 (take 6 times)

4 horses 'boxed' = R24

5 horses 'boxed' = R120

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

WEHAVEASITUATION (4) from gate 4 will have every opportunity to reel off the hat-trick and is selected to do so. BENEATH THE CLOUDS (11) is another searching for the hat-trick and will be very competitive for it - big danger to the first choice. TAKE IT AS RED (6) was far from disgraced last time and can get much closer - bright chance. GOLDEN ANGEL (3) must make the quartet shortlist. (Warren Lenferna 4-11-6-3)

The Place Accumulator bet BETTING MADE EASY!

What is it? To win a Place Accumulator you must predict horses that place in the top 3 in all of the 7 races designated in the racecard as 'Place Accumulator' races.

Why would I take one? This is a fun bet that's often played by individuals, office pools or mates at the races. Because your selection only has to run in the top 3, and not necessarily win the race, you have more of a chance to survive each leg and go on to collect some cash.

What's it cost? Your straight line Place Accumulator will cost you R1 but must be taken 6 times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line = R1 (take 6 times)

Easy permutation: 2 horses in each leg = R128

Tip: If you want to cut down the cost of your permutation, use Fractional betting e.g. a R128 permutation taken for R60 will give you 46.87% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Place Accumulator bet. Then give your horse numbers stating clearly which horse numbers are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

TOTE

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

LHASA (2) ran a good race last time and has each way claims in a tough race. WILD APPLAUSE (10) ran an absolute cracker first time out the maidens and can go one more. SHE'S MY WORLD (8) has huge each way claims and MUSIC OF THE NIGHT (7) has a first four chance. (Warren Lenerma 2-10-8-7)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

The Win bet

What is it? You must predict the first horse past the post – that's it!

Why would I take one? You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

What's it cost? A Win bet on your horse will cost you R1 - but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win : 1 horse = R1 (take 6 times)

BETTING MADE EASY!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

LOOKING OUT FOR THE FUTURE OF EX-RACEHORSES

Our Mission

-  Dedicated to the safe & secure future of ex-racehorses
-  Each horse assessed for temperament & ability
-  Holistic re-schooling focused on ground work with basic riding
-  Only when ready, advertise for re-homing via social media
-  Applicants obliged to work with chosen horse prior to adoption
-  Re-homing process includes property inspection of future home
-  Ongoing monitoring of each re-homed horse
-  Run by volunteers, funded by donors
-  Western Cape Equine Trust is a Public Benefit Organization & may provide Tax Certificates

HOW TO BET

DIFFERENT TYPES OF BETS

WIN

You're choosing the horse you think will **WIN** the race.

EXACTA

You're choosing the horses you think will finish 1st and 2nd in **EXACT** order.

SWINGER

You're choosing two horses to finish either 1st, 2nd, or 3rd – both horses must end up in the **TOP THREE**.

QUARTET

You're choosing four horses (or more!) to finish in the top 4. If you choose the **BOX** option, the order they finish won't matter, as long as they're in the top 4.

JACKPOT

The jackpot is made up of 4 pre-selected races, and you must pick the winner in each correctly to win.**
(you can pick more than 1).

PICK 6

To win the Pick 6 you need to correctly select the winners of 6 pre-selected races on the day.**
(the simplest way to bet on this is to choose 2 horses per race)

** Check the info boxes next to each race in the race card to see whether the race is part of a Jackpot, Pick 6 etc.

HOW TO PLACE YOUR BET

This is the NB info you need to include:

Race course

Bet type

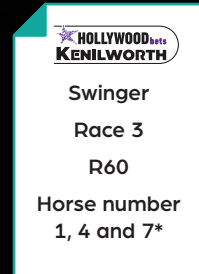

Race number

Amount of your bet

Horse number

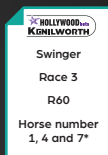

*Note, NOT betting advice,
for example only

HOW MUCH DOES A BET COST?

Just a R6 minimum!
(R2 minimum for a Swinger)

HOW DO PAYOUTS WORK?

Have you won!? Take your winning betslip to a Tote counter and the operator will scan it through the terminal – the winnings will be calculated based on the odds and pool of that race.

IMPORTANT TO REMEMBER

You have until the start of the race (or group of races) to get your bets in.

ALWAYS CHECK YOUR TICKET BEFORE LEAVING THE COUNTER TO MAKE SURE IT'S CORRECT.
