The Bipot bet

BETTING MADE EASY!

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line = R1 (take six times)

Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value, OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

The Place bet

BETTING MADE EASY!

What is it? To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

Why would I take one? You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

What's it cost? A Place bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)....but you will get paid out 6 times the

dividend if you win: 1 horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

The majority of the field step out for the very first time, so the market will be our best guide-watch for any strong support late on. With no exposed form to go on, breeding, stable confidence and parade ring impressions could prove crucial. The only runner with race experience didn't show much on debut and was well beaten, that said, natural improvement second time out is always possible. (Brandon Bailey: 2 - 7 - 3 - 1)

The **Exacta** bet

BETTING MADE EASY!

What is it? To win an Exacta you have to predict two horses to finish first and second in the exact order.

Why would I take one? There are 2 horses in the race that you really fancy. You could take them as a Swinger - lower risk but also invariably a lower dividend. So you opt for the Exacta - harder to win than the Swinger, but will pay more if you do!

What's it cost? Your 2-horse 'straight line' Exacta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can also 'box' your 2 horses, or more than 2 horses. This will cost you:

- 2 horses 'straight line' = R1 (take 6 times)**
- 2 horses 'boxed' = R2 (take 3 times)**
- 3 horses 'boxed' = R6**
- 4 horses 'boxed' = R12**

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take an Exacta on. For a simple 'straight line' Exacta, give your horse number for 'first' followed by your horse number for 'second'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating how many times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

<p>1 TENPENNY won a great race at Hollywoodbets Durbanville on the 11th of February, he was given six points for that victory, provided that he stays this trip of 2500m, he will be hard to beat. 5 ERIC LIDDELL stayed on nicely for third behind Note To Self on the 31st of January, he is a big horse with a great action, he will love this trip, watch him closely, he can definitely win a race like this.</p> <p>6 GENTLEMAN JOE finished just over two lengths behind Eric Liddell last time, he carried top weight on that occasion, and still managed to run a super race, he is honest, and he tries hard, there is no doubt that he will be competitive on his best form.</p> <p>2 LANDOFTHESISINGSUN ran third behind Tenpenny on the 11th of February at Hollywoodbets Durbanville, he likes to be on speed early, if he stays this trip, he can finish amongst the places. (Brandon Bailey: 1 - 5 - 6 - 2)</p>

PREVIEW

5 FREQUENT TRAVELLER is much better than his last start, he finished just under seven lengths behind Fort Liam on the 11th of February, in hope that he is ridden positively on Saturday afternoon, he will be competitive at a decent price, include him into all bets. 6 PHANTOM MAN never runs a bad race, he finished second in the same race as Frequent Traveller last time, he will be on speed early, and he will try and get away from the field at the right time, watch him closely, 10 ROYAL INFLUENCER must have a big winning chance in this field, he ran a super race for third behind Klein Karoo on the 11th of February, that was his first run back from a small break, he will love the step up in trip to 1800m, if he gets some luck in running from a bad draw, he can make them all work for victory. 3 SPANISH VERSE caught the eye late for third behind Fort Liam last time, he should get the run of the race from a good draw. (Brandon Bailey: 5 - 6 - 10 - 3)

The Pick 6 bet

BETTING MADE EASY!

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R64
Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting.e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6...If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

1 CASPERITA won impressively at Fairview Racecourse on the 6th of February, she could be absolutely anything, there was plenty to like about the way she hit the line, she looks smart, and she looks progressive, include her into all bets. 7 QUERARI DANCER had no luck last time, she finished just under two lengths behind Red Spice on the 31st of January, she is a decent filly with lots of ability, if the gaps open at the right time on Saturday, she will be competitive. 5 RED SPICE quickened up smartly to win a good race at Hollywoodbets Kenilworth on the 31st of January, the yard thinks highly of this colt, he can definitely win again. 9 LADY NANCY ran a great race behind Red Spice on the 31st of January, she was flying at the finish when beaten just under two lengths at the line, the extra 100m on Saturday will help her chances. (Brandon Bailey: 1 - 7 - 5 - 9)

PREVIEW

1 QUEEN REGENT stayed on well for third behind Time For Love on the 31st of January, she never runs a bad race this filly, the drop in trip to 1800m is key for this individual on Saturday, there should be no excuses from a good draw, include her into all bets. 2 BEACH VERSE travelled like a winner last time when finishing second behind Rose Woott in the Clapham Stakes, she is extremely well-bred, if she stays the 1800m, she will go close to winning. 7 KATTEKWAADKWADRAAD finished third in the same race as Beach Verse on the 4th of February, she is in a great space at the moment, her form is very good, she will be competitive again. 4 KUBU ran a lovely race for third behind Educator on the 17th of January, she is a young filly that is still improving with every start, she might be able to sneak into the places. (Brandon Bailey: 1 - 2 - 7 - 4)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

1 SWIATEK is much better than her last run in the Grade 3 Summer Fling Stakes, she didn't stay last time, jockey Richard Fourie gets the best out of this filly, from a neat draw, she will run a big race, watch her closely at a decent price. 5 PRINCESS OF GAUL stayed on well for second behind Babelicious on the 31st of January, the step up in trip to 1400m on Saturday will help this filly, she is packed with class, and she has a sharp turn of foot late, she will go close here. 4 STORMWATCH won a good race at Hollywoodbets Kenilworth on the 4th of February, she was given four points for that win last time, she will be just off the speed early, and she will be running on strongly late. 2 BABELICIOUS was in great fashion at Hollywoodbets Kenilworth on the 31st of January, she was given six points for that impressive win, she will run a cracker here from a good draw. (Brandon Bailey: 1 - 5 - 4 - 2)

PREVIEW

13 ALL THE RAGE quickened up super impressively to win a good race on the 31st of January, he was given three points for that win, even though the race didn't go according to plan early for this colt last time, he still managed to win going away at the line, he is packed with class, there is no doubt he can win again. 1 TEFLON MAN had absolutely no luck in the Winchester Sprint Cup on the 31st of January behind All The Rage, he will be switched off early, and he will be low-flying late, include him into all bets. 8 I AM GIANT will have a good each way chance, he ran a blinder for second in the Grade 1 Cape Flying Championship on the 10th of January, if the gaps open at the right time for this gelding, he will be competitive. 2 OUTLAW KING finished third in the same race as I Am Giant last time, top jockey Craig Zackey sticks with this gelding, he will right there in the finish. (Brandon Bailey: 13 - 1 - 8 - 2)

PREVIEW

5 NOTE TO SELF won like a smart horse in the making on the 31st of January, he is a beautiful horse with a big action, even though this is a big step up in class for him, he looks progressive, and he looks exciting, he should be right there in the finish. 1 STAR MAJOR had to work hard to win the Grade 3 Politician Stakes at Hollywoodbets Kenilworth on the 31st of January, the yard thinks highly of this colt, he should love the step up in trip to 2000m, watch him closely at a decent price. 2 WISH LIST was given a terrific ride by jockey Andrew Fortune in the Grade 1 Paddock Stakes on the 10th of January, she quickened up beautifully to beat a good field on that occasion, if she stays the 2000m trip on Saturday, she has a big winning chance. 6 HAPPY VERSE travelled like a winner behind Star Major in the Grade 3 event on the 31st of January, he moved up at the right time, and he was nailed on the post in a driving finish, if he behaves going down to the start on Saturday, he will be competitive. (Brandon Bailey: 5 - 1 - 2 - 6)

RESULT:															
PREVIEW															
<p>9 GARRIX must be the value horse in this tricky race, he was only beaten just over three lengths in the Grade 1 World Sports Betting Cape Town Met on the 31st of January, the drop in trip is key for this gelding on Saturday, and the blinkers have been fitted, he will be low-flying late. 10 JET FORCE quickened up like a smart horse to win a good race at Hollywobdets Durbanville on the 14th of February, he will be switched off early from a wide draw, and he will be storming home late, include him into all bets. 4 ZEITZ was a touch disappointing in the Grade 2 Premier Trophy on the 10th of January, he finished just over four lengths behind I Salute You, he could bounce back to his best form now that he drops in trip to 1600m. 8 I SALUTE YOU must have a good each way chance in this field, Trainer Peter Muscutt has done a wonderful job with this gelding, if he gets some luck in running from a tricky draw, he will make them all work for victory. (Brandon Bailey: 9 - 10 - 4 - 8)</p>															

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

The Jackpot bet

BETTING MADE EASY!

What is it? In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

Why would I take one? Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

What's it cost? Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:
Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R16
Easy permutation: 3 horses in each leg = R81

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting, e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule...Does not apply to the Jackpot.
Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

2 TRIP TO CAMELOT has been rested and gelded, he caught the eye late when finishing just over five lengths behind Chance Encounter on the 10th of December, even though he is a maiden running against winners, he looks progressive, top jockey Richard Fourie has been booked to ride this individual from a good draw, he will go close. 5 MIDWAY is much better than his recent start, he finished just under five lengths behind Double Dash on the 11th of February, the drop in trip to 1600m will help this gelding on Saturday, he should be competitive on his best form. 1 PRINCE OF TIBET has been rested for 110 days, he was last seen running third behind Boundless Love on the 10th of November, he ALWAYS has a winning chance at this level. 4 DOUBLE DISTILLED has run two excellent races in succession, he should be able to sneak into the places on his current form. (Brandon Bailey: 2 - 5 - 1 - 4)
