# The Bipot bet

**BETTING MADE EASY!**

**What is it?** To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

**Why would I take one?** In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

**What's it cost?** Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:

**Straight line = R1 (take six times)**

**Easy permutation: 2 horses in each leg = R64**

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

**TOTE** 

**Scratchings:** There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

**Note:** Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

# The Place bet

**BETTING MADE EASY!**

**What is it?** To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

**Why would I take one?** You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

**What's it cost?** A Place bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets),...but you will get paid out 6 times the

dividend if you win: 1horse = R1 (take 6 times)

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

*NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.*

**Scratchings: If your horse is scratched, you will receive a full refund.**

**Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.**

# The **Exacta** bet

BETTING MADE EASY!

**What is it?** To win an Exacta you have to predict two horses to finish first and second in the exact order.

**Why would I take one?** There are 2 horses in the race that you really fancy. You could take them as a Swinger - lower risk but also invariably a lower dividend. So you opt for the Exacta - harder to win than the Swinger, but will pay more if you do!

**What's it cost?** Your 2-horse 'straight line' Exacta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can also 'box'\* your 2 horses, or more than 2 horses. This will cost you:

**2 horses 'straight line' = R1 (take 6 times)**  
**2 horses 'boxed' = R2 (take 3 times)**  
**3 horses 'boxed' = R6**  
**4 horses 'boxed' = R12**

\* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take an Exacta on. For a simple 'straight line' Exacta, give your horse number for 'first' followed by your horse number for 'second'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating how many times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

*Scratchings: If your horse is scratched, you will receive a full refund.*

**Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.**

## IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

**END RACE**

RESULT:															
---------	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

**PREVIEW**

7 SAUDI CAT won very impressively on debut, even though the market suggested that he may need the run, he quickened away from his field like a smart horse, he will take lots of beating again. 3 ALL THE RAGE ran a cracker over 1500m last time, he ran third behind Roland Garros in a tight finish, the yard thinks highly of this individual, now that he is back up the straight again at Hollywoodbets Kenilworth, he could certainly trouble them all in the finish. 2 DEMANDING DAVE has been rested for 86 days, he finished like a train in the Grade 3 Winter Nursery on the 4th of May, his form is very good, if he doesn't need the run badly, he will have a good place chance in this field. 5 SPIRIT won a good race on the 12th of June, it was his first run back after gelding, and he finished strongly to win going away at the line, he is clearly still improving, watch him closely. (Brandon Bailey: 7 - 3 - 2 - 5)

<b>RESULT:</b>					
----------------	--	--	--	--	--

**PREVIEW**

2 SWIFT SERENITY has shown good improvement with every run, she was just off the speed early last time, and then stayed on nicely for third behind Stormwatch, this doesn't look to be the strongest race on paper, if she can build on her recent performance, she will have a massive winning chance here. 4 ALESSIA ASHEVILLE has been rested for 125 days, she has run two very good races in succession from wide draws at Hollywoodbets Durbanville, if she doesn't need the run badly on Tuesday, she will have a big winning chance at a decent price. 3 HERITAGE RIDGE ran a fair race on the 12th of June behind Clair De Lune, she has been well tried in the maiden ranks, her form is consistent, she must have a good place chance in this field. 7 PENNY'S CHOICE disappointed terribly on the 17th of June, she was very one paced, the blinkers have now been fitted, hopefully that will help her improve. (Brandon Bailey: 2 - 4 - 3 - 7)

**IMPORTANT NOTICE**

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

<b>END RACE</b>					
RESULT:					

**PREVIEW**

2 SIERRA SAGRADA was a touch unlucky in his last start behind Dricus, it was his first run back after gelding, he really caught the eye late when running on powerfully from a long way back, he will take lots of beating in this field from a good draw. 3 RED WAVE has been rested for 69 days, he ran a terrific race over 1000m last time behind Three Tigers, he now steps up in trip and he gets a neat draw, watch him closely. 1 GETUPANDGO has been rested for 65 days, he will need to improve quite a bit to win, he is definitely better than what his form is showing, watch for major improvement now that he steps up in trip. 7 GREEN COMMANDER ran a shocker on the 12th of June behind Late December, perhaps the step up in trip will help him improve. (Brandon Bailey: 2 - 3 - 1 - 7)

# The Pick 6 bet

BETTING MADE EASY!

**What is it?** In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

**Why would I take one?** The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

**What's it cost?** Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

**Costs:**

**Straight line (1 horse in each leg) = R1 (take 6 times)**  
**Easy permutation: 2 horses in each leg = R64**  
**Easy permutation: 3 horses in each leg = R729**

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting.e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

*First time runners rule in the Pick 6...If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.*

*Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totallator favourite.*

**Note:** Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

9th	R55 000	19th	R27 500
10th	R50 000	20th	R25 000

#### HOW IT WORKS?

##### POINTS ALLOCATION:

1<sup>ST</sup> = 20 | 2<sup>ND</sup> = 15 | 3<sup>RD</sup> = 10 | 4<sup>TH</sup> = 8 | 5<sup>TH</sup> = 6 | 6<sup>TH</sup> to last = 5

#### QUALIFYING RACES:

##### ALL CLASS 4,5, C & D STAKES RACES

Horses earn points for runs in qualifying races throughout the racing season (AUG-JUL):

- Horses are paid out according to their final table position on July 31.
- Horses that have deemed to have raided outside the WC during the season (Aug-July), will be excluded from the final table and all Country Championship Finals.
- Horses must have completed at least **ONE** qualifying run.

#### THE COUNTRY CHAMPIONSHIP FINALS:

Summer Country Championship Finals (February)	Winter Country Championship Finals (August)
1000m	1000m
1200m	1200m
1400m	1400m
1800m	1950m

- Each Final will be run for R200 000
- Horses qualify for the final field based on their current position on the championship table.
- CR reserves the right to cancel or merge any Finals races at the time of nominations or acceptances if the field sizes are inadequate

**END RACE**

RESULT: 

--	--	--	--

**PREVIEW**

5 GIMMELIGHTNING has run two lovely races in succession behind progressive sorts, he enjoys the underfoot conditions being on the softer side, he will be switched off early, and he will come with a strong run late, include him into all bets. 1 SURGE OF POWER bounced back to form last time, he won a super race on the 1st of June, he has always been a talented sprinter, he was given two points for that gutsy victory, if he can back that performance up on Tuesday, he will go very close to winning. 4 SCOTTISH KISS must have a good each way chance here, he ran a nice race on the 1st of June behind Boogieified over 1400m, if the drop in trip doesn't worry him, he will be right there in the finish. 3 MAURITIUS KESTREL gets the tongue tie fitted on Tuesday afternoon, he is very consistent and he has dropped in the ratings, watch him closely. (Brandon Bailey: 5 - 1 - 4 - 3)

TRAINER COMMENT: First run for stable

END RACE					
RESULT:					

**PREVIEW**

9 DU MAURIER won her maiden in stylish fashion on the 24th of June up the straight at Hollywoodbets Kenilworth, she travelled beautifully in her race, and then quickened away from the field to win convincingly, she is a young filly with lots of potential, there is absolutely no doubt that she will go very close to winning again. 11 ROSA OSIRIA ran a lovely race last time behind Over The Atlantic, she fought hard all the way to the line, she never really runs a bad race, if she can bring her last performance to the track again on Tuesday, she will be very competitive. 7 GOLDEN TATJANA ran a shocker behind Pink Pigeon on the 12th of June, she is much better than that, she has dropped even further in the ratings, and she gets the services of leading jockey Gavin Lerena, she could be the value in this tricky looking race. 1 GOLDEN IDEAL has run some fair races in her career, top jockey Richard Fourie gets the ride on this filly, on her best form, she will have a good winning chance. (Brandon Bailey: 9 - 11 - 7 - 1)

# The Jackpot bet

BETTING MADE EASY!

**What is it?** In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that.

**Why would I take one?** Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

**What's it cost?** Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Costs:  
**Straight line (1 horse in each leg) = R1 (take 6 times)**  
**Easy permutation: 2 horses in each leg = R16**  
**Easy permutation: 3 horses in each leg = R81**

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the bet.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

**First time runners rule...Does not apply to the Jackpot. Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.**

---

**Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.**

PREVIEW

3 KING'S QUEST won really well on the 24th of June at Hollywoodbets Kenilworth, he was given four points for that impressive victory, again he gets a good draw, he must have a good winning chance in this field. 2 AFRIQUE ran second to King's Quest last time, he was doing some good work late, now that he is better off at the weights, he must have an obvious winning chance, include him into all bets. 6 BEL CANTO DREAM ran a good race in testing conditions on the 17th of June, he was just off the speed early, and then stayed on well enough to finish just over four lengths behind the winner, even though he carries a big weight on Tuesday, he should be amongst the places on his best form. 5 SHOW OFF had no luck in running from a wide draw last time, he still managed to run a decent race behind King's Quest, now that he gets a decent draw, he certainly can be very dangerous in the finish. (Brandon Bailey: 3 - 2 - 6 - 5)

**THE RESPONSIBILITY IS YOURS!**

as errors cannot be rectified after the running of the race –  
Tickets should be checked as follows:

# The Quartet bet

**BETTING MADE EASY!**

**What is it?** To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

**Why would I take one?** You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

**What's it cost?** Your 4-horse 'straight line' Quartet will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 4 horses, or more.

- 4 horses 'straight line' = R1 (take 6 times)
- 4 horses 'boxed' = R24
- 5 horses 'boxed' = R120

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet.

\* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

4 STATE CAPITOL moved up like a winner in her last start behind Baton Rouge, her form of late has been excellent, if this race hasn't come too soon for her, she will take lots of beating. 5 MIDWAY found solid support in the market on the 17th of June, he was given a great ride by jockey Luyolo Mxothwa to win a gutsy race, it was a deserved victory for this gelding, he was given two points for that win, on his current form, he can certainly win again. 2 SAINT BRIGID stayed on well for third behind Music Of The Night on the 21st of June up the straight at Hollywoodbets Kenilworth, she is consistent, and this does look to be a better trip for her, she will be running on strongly. 10 MELA STRENGTH never runs a bad race, unfortunately the wide draw and the big weight won't make life easy for him, if he gets some luck in running, he could sneak into the Quartet. (Brandon Bailey: 4 - 5 - 2 - 10)

**THE RESPONSIBILITY IS YOURS!**

*PLEASE CHECK YOUR TICKETS*

as errors cannot be rectified after the running of the race –  
Tickets should be checked as follows:

# The Win bet

**BETTING MADE EASY!**

**What is it?** You must predict the first horse past the post – that's it!

**Why would I take one?** You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

**What's it cost?** A Win bet on your horse will cost you R1 - but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win : 1horse = R1 (take 6 times)

**How do I ask for it?** You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

*NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.*

**Scratchings:** If your horse is scratched, you will receive a full refund.

**Note:** Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

# HOW TO BET

## DIFFERENT TYPES OF BETS

### WIN

You're choosing the horse you think will WIN the race.

### EXACTA

You're choosing the horses you think will finish 1st and 2nd in EXACT order.

### SWINGER

You're choosing two horses to finish either 1st, 2nd, or 3rd - both horses must end up in the TOP THREE.

### QUARTET

You're choosing four horses (or more!) to finish in the top 4. If you choose the BOX option, the order they finish won't matter, as long as they're in the top 4.

### JACKPOT

The jackpot is made up of 4 pre-selected races, and you must pick the winner in each correctly to win.\*\* (you can pick more than 1).

### PICK 6

To win the Pick 6 you need to correctly select the winners of 6 pre-selected races on the day.\*\* (the simplest way to bet on this is to choose 2 horses per race)

\*\* Check the info boxes next to each race in the race card to see whether the race is part of a Jackpot, Pick 6 etc.

# HOW TO PLACE YOUR BET

This is the NB info you need to include:

**Race course**

**Bet type**

**Race number**

**Amount of your bet**

**Horse number**

\*Note, NOT betting advice,  
for example only

## HOW MUCH DOES A BET COST?

**Just a R6 minimum!**  
(R2 minimum for a Swinger)

## HOW DO PAYOUTS WORK?

**Have you won!?** Take your winning betslip to a Tote counter and the operator will scan it through the terminal – the winnings will be calculated based on the odds and pool of that race.

## IMPORTANT TO REMEMBER

You have until the start of the race (or group of races) to get your bets in.

**ALWAYS CHECK YOUR TICKET BEFORE LEAVING THE COUNTER TO MAKE SURE IT'S CORRECT.**
