## The **Bipot** bet

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win or come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over seven consecutive races. The Bipot gives you an 'inbetween' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

#### BETTING MADE EASY!

Costs:

Straight line = R1 (take six times)
Easy permutation: 2 horses in each leg = R64

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR.... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

## The **Place** bet

What is it? To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

Why would I take one? You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

What's it cost? A Place bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)....but you will get paid out 6 times the

#### **BETTING MADE EASY!**

dividend if you win: 1horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend, OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

RESULT

#### **PREVIEW**

1 MADRA RUA has been rested for 194 days, he was well supported in the market on debut when finishing just over five lengths behind Happy Verse on the 28th of April, he is a lovely looking cot), there is no doubt that he will improve quite a bit from his first run into his second run, include him into all bets. 7 RED WAVE stayed on well for third last time behind Caribbean Gold at Hollywoodbets Durbanville on the 5th of October, he is very consistent, on his best form, he will go close to winning. 11 BONELLI has been rested and gelded, he ran a fair race on debut against winners, he can only improve with every start, if he doesn't need the run badly after a long break, he could be competitive at a decent price. 9 CAESAR'S RANSOM has been rested for 105 days, he was green on debut when finishing just over eight lengths behind Sardinia Bay on the 26th of July, the blinkers have been fitted for his race on Saturday, if he has made the necessary improvement back at home, he could sneak into the Quartet. (Brandon Bajet: 1 - 7 - 11 - 9)

#### IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

## The **Exacta** bet

#### BETTING MADE EASY!

**What is it?** To win an Exacta you have to predict two horses to finish first and second in the exact order.

Why would I take one? There are 2 horses in the race that you really fancy. You could take them as a Swinger - lower risk but also invariably a lower dividend. So you opt for the Exacta - harder to win than the Swinger, but will pay more if you do!

What's it cost? Your 2-horse 'straight line' Exacta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can also 'box'\* your 2 horses, or more than 2 horses. This will cost you:

2 horses 'straight line' = R1 (take 6 times)

2 horses 'boxed' = R2 (take 3 times)

3 horses 'boxed' = R6 4 horses 'boxed' = R12

\* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take an Exacta on. For a simple 'straight line' Exacta, give your horse number for 'first' followed by your horse number for 'second'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating how many times you want to take the bet. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

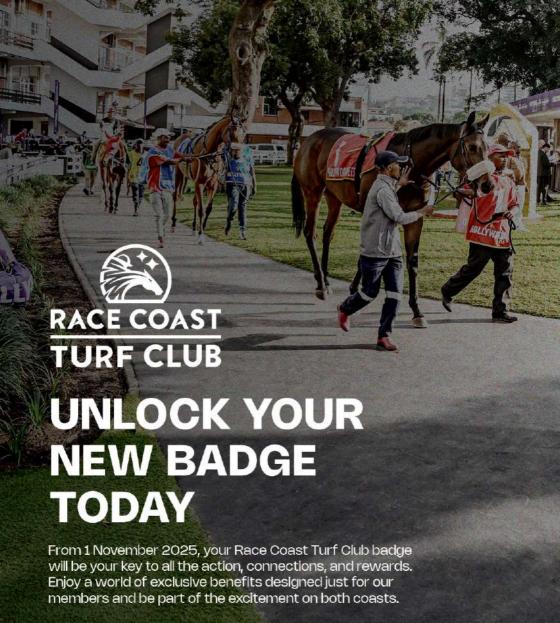

Scratchings: If your horse is scratched, you will recieve a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

Don't miss out — sign up today and step into a season of unforgettable racing experiences.

Watch the first timers closely in this race, this doesn't look to be the strongest Maiden Plate, and the raced runners don't have much form to talk about. 2 VROOM VROOM and 11 GIMMEANOTHERVIKING are both very well-bred individuals, if they have any sort of ability, they can certainly win on debut, watch the market closely and watch them move down to the start. 7 TRIPLEBELL has run two fair races in succession, she was beaten just over six lengths by Eisteddfod at Hollywoodbets Durbanville on the 27th of September, if she can improve from that performance, she could finish in the money. 4 REFLECT was green on debut when finishing just under eight lengths behind Midnight Lady on the 18th of October, she can only improve with every start, watch her closely. (Brandon Bailey: 2 - 11 - 7 - 4)

#### **PREVIEW**

Again, It is a difficult race, watch the first timers closely, they can certainly win on debut if they have ability. 7 INNERBLOOM could be some value in this tricky race, she had absolutely no luck on debut at Hollywoodbets Durbanville on the 18th of October, she was drawn wide and she was a long way back when they turned for home, even though she was well beaten at the line, she was doing some good work late, she could improve enough to be competitive at a decent price, watch her closely. 5 FANTINE should improve quite a bit from her first run into her second run, she was very green on debut when finishing just over nine lengths behind Saachi One on the 18th of October, she will love the straight track at Hollywoodbets Kenilworth on Saturday, include her into all best. 10 WINTER IN AUCKLAND has been resident of 179 days, she finished just over seven lengths behind Electromagnetism on the 13th of May, if she has made any improvement back at home, she could sneak into the places. 1 LITTLE INIMBUS has run two fair races in succession, she is well-bred, she might be able to get into the Quartet. (Brandon Bailey: 7 - 5 - 10 - 1)

#### IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

## The **PiCK 6** bet

#### **BETTING MADE EASY!**

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times) Easy permutation: 2 horses in each leg = R64 Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting.e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6...If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

1 OBJET D'ART has run three great races in succession, he stayed on well for third last time behind Fox On The Run, the form of that race has worked out well, he will be very hard to beat in this Open Maiden. 6 FORT VIKON ran a lovely race on debut at Hollywoodbets Durbanville on the 22nd of September, he was only beaten just over four lengths at the line by Siriano, even though he wants further, he should improve enough to be competitive on Saturday. 10 PRINCE OF EGYPT is much better than his recent start, he finished three lengths behind Marcus Aurelius on the 8th of October, the wide draw on that occasion made it tough for him, he could easily bounce back to his best form here, include him into all bets. 9 SICILY stayed on well for fifth in his last start behind Caribbean Gold on the 5th of October, on his best form, he definitely has a money chance in this field. (Brandon Bailey: 1 - 6 - 10 - 9)

# **COOT DET** BETTING MADE EASY!

What is it? In every racecard there will be 4 consecutive races designated as the 'Jackpot' races. Your job is to predict the winner of each of those races. As simple as that,

Why would I take one? Jackpot dividends are invariably larger than the sum of the Double dividends on the same races, and you want to participate in these lucrative payouts!

What's it cost? Your 'straight line' Jackpot (1 horse per leg) will cost you R1, but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning however, you can choose to include more than one horse in any of the races i.e. a Permutation.

Straight line (1 horse in each leg) = R1 (take 6 times) Easy permutation: 2 horses in each leg = R16 Easy permutation: 3 horses in each leg = R81

Tip: If you want to cut down the cost of your Jackpot permutation, use Fractional betting. e.g. an R81 permutation taken for R60 will give you 74.07% of the

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Jackpot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule...Does not apply to the Jackpot.

Scratchings: There are no refunds on scratchings. If a horse is scratched it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race. as determined by the judges.

PREVIEW

1 TRIPLE TIME can be frustrating at times to follow with confidence, in saying that, he ran a great race last time when finishing second to his stable companion (Magic Verse) on the 18th of October, it was his first run back from a long break, there is no doubt that he will be much fitter on Saturday, if he can bring his best form to the track, he will have a massive winning chance here. 6 CONGRESSMAN is as honest as they come, he stayed on strongly for second behind Landottherisingsun on the 27th of September, he likes to go out there and make the running, if he stays the 2500m trip, he could be competitive with no weight on his back. 7 TIME FOR LOVE should be cherry ripe for this Listed race on Saturday, she is extremely honest and she tries hard, the step up in trip could unlock further improvement for this mare, include her into all bets. 8 AHEAD OF THE FACTS could be some decent value for the places, he needed his last run badly when finishing just over four lengths behind his stable companion (Master Of Paris) on the 5th of October, he stays well, watch him closely with no weight on his back. (Brandon Bailey: 1 - 6 - 7 - 8)

8 ANOTHERDANCEFORME looks to be an absolute super starf she has done nothing wrong in her career, she won impressively at Fairview Racecourse on the 3rd of October, that was her first run back after winning the Grade Golden Slipper easily at Hollywoodbest Greyville on the 5th of July, she will be hard to beat here. 7 QUICKSTEPGAL won a good race at Hollywoodbest Greyville on the 12th of October, the yard thinks highly of this filly, she is definitely getting better with more racing experience, include her into all bets. 3 GIMME WHAT1 WANT quickened up like a smart filly to win a good race at Hollywoodbest Durbanville on the 13th of September, she will love the step up in trip on Saturday, even though it is a massive jump in class for this filly, she looks progressive, and she could trouble them all from a good draw. 10 WISH LIST has been rested for 62 days, she was mighty unlucky not to get her head down at the right time on the 7th of September, she finished second to Stormwatch in a driving finish, unfortunately the bad draw here will make life hard for her, but she is packed with ability, she will be running on strongly late. (Brandon Balleys 8 - 7 - 3 - 10)

## THE RESPONSIBILITY IS YOURS!

PLEASE CHECK YOUR TICKETS

as errors cannot be rectified after the running of the race –
Tickets should be checked as follows:

# The **Win** bet

What is it? You must predict the first horse past the post – that's it!

Why would I take one? You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

What's it cost? A Win bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win: 1horse = R1 (take 6 times)

# **BETTING MADE EASY!**

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

Enter via Rosmead Avenue, Kenilworth Open 5 days a week from 8.30am — 4pm **Public are welcome**

### **END RACE**

RESULT: PREVIEW

4 GARRIX has been rested for 167 days, he ran a cracker in the Listed Pocket Power Stakes on the 25th of May, he was touched off in a close finish by Otto Luyken, if he doesn't need the run badly on Saturday, he will be hard to beat, follow him closely for the Cape Summer Season. 3 MAGIC VERSE quickened up impressively to win a good race at Hollywoodbets Durbanville on the 18th of October, that was his first run back after a small break, he will be just off the speed early, and he will be storming home late, include him into all bets. 6 ZEITZ stayed on strongly for second last time, he was doing some good work late behind Outlaw King on the 18th of October, it was his first run back after a rest and gelding, he will be right there in the finish. 7 RED PALACE might just need the run after a long break of 287 days, she was last seen in the Grade 1 Cape Town Met on the 25th of January. he ran a great race behind Eight On Eighteen on that occasion, on her best form, she could make them all work for victory. (Brandon Bailey: 4 - 3 - 6 - 7)

9 VIVA'S LIBERTE remains unbeaten, he won a super race at Hollywoodbets Durbanville on the 8th of October, he is a lovely looking s viva 5 LibERTE remains unlocaten, ne won a super race at Hollywoodoets Durbanville on the 8th of October, he is a lovely looking coll with a great action, there is no doubt that he will love the step up in trip to 1600m on Saturday, if he gets some luck in running from a bad draw, he will be very hard to beat. 4 NOTE TO SELF has been rested and gelded, he was a touch unlucky in his last start behind Turbo Twenty on the 13th of August, from a good draw, he will be competitive. 5 CAPTAINS LIANCE stayed on well for third behind Mente Et Manu on the 22nd of September, he looks progressive, watch him closely, he will be doing some good work late. 3 BEWARE quickened up well to win his maiden in style on the 8th of October, it was a brilliant ride by Richard Fourie, this individual will get better and better with more racing, include him into all bets. (Brandon Bailey: 9 - 4 - 5 - 3)

12 FAST TRAIN ran a great race behind Fox On The Run last time, he stayed on powerfully for second, the yard is in good form at the moment, he will love the step up in trip to 1600m, if he gets some luck in running from a bad draw, he will be hard to beat in the lucky last. 8 GREENCHOICE never runs a bad race, he is super consistent, he was forced to some work early from a wide draw at Hollywoodbets Durbanville on the 18th of October, and he still managed to run a good second behind Smarten Up, he will be right there in the finish on Saturday. 13 SUPER VIKING will love the step up in trip to 1800m, he certainly caught the eye late for second last time behind Primal Instinct on the 27th of September, he will be doing some good work late from a bad draw, wa(ch him closely. 3 KONNICHIWA has been well tried in the maiden ranks, he is consistent, he should run a brave race again.
