The Pick 6 bet BETTING MADE EASY!

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)

Easy permutation: 2 horses in each leg = R64

Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting.e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

TOTE

First time runners rule in the Pick 6...If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

END RACE					
RESULT:					

PREVIEW

BLACK FROST (7) has shown some ability and was not far back on his poly debut but has run well on this course. Rachel Venniker is back from injury with her 1.5kg allowance. BOURBON'S BEAST (9) started at long odds in both starts but was much improved last time out and the stable is in form. MOHAVE PRINCE (8) was a modest fourth on debut at long odds but experience should bring him on. GREEN GATEWAY (10) is a regally bred debutante and one to watch in the betting. (Andrew Harrison: 7-9-8-10).

IMPORTANT NOTICE

Patrons are reminded that the picture displayed by GallopTV of race finishes is NOT the official race result until such time as the Judges post their findings and the "All Clear" is given.

END RACE													
RESULT:													

PREVIEW													
CHIMES AT MIDNIGHT (1) has put in two promising efforts to date and was not far back in a strong maiden last time out. With a 4kg claimer up she should be competitive. MISS KANSAS (6) made a smart debut over course and distance but ran well below form at her last start. Big chance on her debut effort. DREAM DECISION (5) raced green on debut on this course and should come on with the run. QUEEN FENN (8) is consistent and can feature in this line-up. DI ROSA (9) has not been far back in her last five starts but is struggling. She was close-up on the poly at her last two. (Andrew Harrison: 1-6-5-8-9).

PREVIEW

Many in with chances. CATCH A PENNY (5) has not been out of the money in nine starts and has gone close over this distance. She takes on the males but should be thereabouts again. NEXT OF KIN (8) was a beaten favourite at just his second start. He has shown up well in both outings and this trip should suit. DIGITAL ASSET (6) was staying on gamely behind the highly rated Bruh last time out. He has improved with each outing. CARNIVAL PARK (4) is another that has been improving all the while and the stable is in form. (Andrew Harrison: 5-8-6-4).

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

FLYING SOUTH (1) has improved with every outing and was narrowly beaten last start. She steps up in trip but has the best of the draw in what appears to be a modest line-up. MISS TWINKLE (6) raced green on debut but did find some market support. She is sure to come on with the outing. SKIPPER O'MALLEY (10) has shown some ability and has a fair money chance. SNEEUWITJIE (12) gets first time blinkers and a light weight. She can surprise. (Andrew Harrison: 1-6-10-12).

PREVIEW

Not an easy race where pace will be key in a small field. LADY MY LADY (9) is a lightly raced four-year-old who goes the trip for the first time. However, she only has 49kg to shoulder and was not far back at her last two. ESCAPOLOGIST (3) loves this course and distance and goes well for Cole Dicken. A repeat of her last effort will see her close again. OUR LADY FATE (6) steps up in trip but has had two promising warm-ups leading into the race. She should stay the trip and is one to follow in the market. SHINY BOB (4) won well last time out and has a 4kg claimer aboard while BAD MEDICINE (2) is better than his recent form would suggest. (Andrew Harrison: 9-3-6-4).

COMMENT: Holding top form

END RACE									
RESULT:									

PREVIEW									
ICY ELEANOR (7) is lightly raced but shows promise. She disappointed first up on the poly but has done well over course and distance. VISION TO ACHIEVE (5) is in cracking form over course and distance but found Hot Pearl in a galloping mood last time out. HAPPY ANALIA (1) gets first time blinkers. She is holding form and her last win was over course and distance. HURRICANE CAT (6) was much improved when winning first up with a tongue-tie. She is quick and has a chance again. (Andrew Harrison: 7-5-1-6).									

The Win bet

BETTING MADE EASY!

What is it? You must predict the first horse past the post – that's it!

Why would I take one? You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

What's it cost? A Win bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win : 1horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

END RACE

RESULT:									
---------	--	--	--	--	--	--	--	--	--

PREVIEW									
THESUPERNOVASTAR (3) was much improved with the blinkers removed and a repeat effort over course and distance should see him competitive. BEACH PALACE (4) was two lengths back to Thesupernovastar when last they met but the apprentice has been replaced by Callan Murray. Similar sentiments go to stable companion ATTABOY (6) with Gavin Lerena replacing an apprentice. SAIL TO THE MOON (7) was in that same race but having his first outing for Yogas Govender after arriving from the Western Cape where the form generally pans out well in KZN. (Andrew Harrison: 3-4-7-6).

COMMENT: Holding form

END RACE

RESULT:					
---------	--	--	--	--	--

PREVIEW

Mike Miller has three chances here but judged by jockey bookings ETHEREAL VIEW (4) could be the stable elect. She had it tough from a wide draw on the poly last start but has good form over this trip. RADU (5) is holding form well and is back over what looks to be her optimum trip. PROM QUEEN (11) has a wide draw to contend with but has come well of late and with some luck in running should contest the finish. SKYTRIX (10) also has a wide draw but has a 4kg claimer aboard and showed signs of her best form last time out. (Andrew Harrison: 4-5-11-10).

The Trifecta bet

BETTING MADE EASY!

What is it? To Win a Trifecta, you have to predict the first 3 horses past the post in the exact order.

Why would I take one? All indicators are that there are 3 outstanding horses in the race. You could take the 3 as a boxed Swinger, but the Trifecta dividend invariably pays out much more than all three individual Swinger dividends combined! More risk, more reward!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Trifecta on. For a simple 'straight line' Trifecta, give your horse number for 'first' followed by your horse numbers for 'second' and for 'third'. If you're boxing, simply call your numbers and specify that you want them

boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

What's it cost? Your 3-horse 'straight line' Trifecta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box'* your 3 horses, or more than 3 horses.

- 3 horses 'straight line' = R1 (take 6 times)
- 3 horses 'boxed' = R6
- 4 horses 'boxed' = R24
- 5 horses 'boxed' = R60

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.
