The Tote (SIMPLE ARITHMETIC!)

BETTING MADE EASY!

Take 100. Divide it by 50. The answer is 2 . That's simple arithmetic - and it's how totalisator - or 'tote' - betting works.

Prior to a race, all the money bet on the various bet types goes into pools. When the race starts, the pools are frozen. A take-out is deducted, and a nett pool is declared. After the race, the nett pool is divided among all the winning tickets.

EXAMPLE: Assume a nett Win pool of R100 000, and assume there are 5 000 winning tickets. The dividend - or payout - is R20 for each R1 bet, therefore you would collect R120 for a R6 minimum bet.

PREVIEW

This is a full field of first timers, watch them in the parade ring, watch them move down to the start and watch the market closely before making your final selections. (Brandon Bailey: 6 - 4 - 5 - 3)

The Place Accumulator bet

BETTING MADE EASY!

What is it? To win a Place Accumulator you must predict horses that place in the top 3 in all of the 7 races designated in the racecard as 'Place Accumulator' races.

Why would I take one? This is a fun bet that's often played by individuals, office pools or mates at the races. Because your selection only has to run in the top 3, and not necessarily win the race, you have more of a chance to survive each leg and go on to collect some cash.

What's it cost? Your straight line Place Accumulator will cost you R1 but must be taken 6 times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:
Straight line = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R128
Tip: If you want to cut down the cost of your permutation, use Fractional betting e.g. a R128 permutation taken for R60 will give you 46.87% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Place Accumulator bet. Then give your horse numbers stating clearly which horse numbers are to be included in each leg. End off by stating the amount you wish to spend – Full Unit, or a lesser Fractional rand value, OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW					
2 GURKHA absolutely took off on debut to run a cracking third behind Cork Bay on debut, he was undoubtedly the eye catcher in that particular race, and he should be very hard to beat on Saturday afternoon with natural improvement. 8 UMFULA stayed on strongly in the same race as Gurkha on debut, he was only beaten just over three lengths by the winner, he will also improve nicely from his debut run into his second start up the straight at Hollywoodbets Kenilworth. 11 HONOR OF KINGS drops in trip now, his form has been really consistent, include him into all bet types. 9 REAL STUNNER was drawn poorly in his last start over 1400m, he ran a fair race behind Rich Folks Hoax, he should improve nicely now that he is back sprinting again. (Brandon Bailey: 2 - 8 - 11 - 9)					

The Quartet bet

BETTING MADE EASY!

What is it? To have a winning Quartet bet you have to predict the first 4 horses past the post in the exact order.

Why would I take one? You fancy 4 horses in the race that you think can win or place. You could take the 3 you most fancy as a Trifecta, but, it's a case of risk and reward. Predicting 4 finishing positions is more difficult than predicting 3 - but the dividend is correspondingly higher!

What's it cost? Your 4-horse 'straight line' Quartet will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 4 horses, or more.

4 horses 'straight line' = R1 (take 6 times)

4 horses 'boxed' = R24

5 horses 'boxed' = R120

Tip: Use Fractional Betting to cut down the cost e.g. take this R120 boxed Quartet for R60 and you will get 50% of the bet.

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Quartet on. For a simple 'straight line' Quartet, give your horse number for 'first' followed by your horse numbers for 'second', 'third' and 'fourth'. If you're boxing, simply call your numbers and specify that you want them boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW

10 ALL IS GREEN won a great race last time when beating The Charleston in a close finish, she would have needed that run coming back to the races from a long break, the yard think highly of this filly and she must have a good winning chance again. 11 CAPTAIN'S DESTINY quickened up smartly to win a good race on the 16th of November, her recent form has been very good, despite her rating going up four points for her last win, she will be very competitive. 4 BERRY'S BOOGIE won her maiden impressively beating Winter Gamble by two lengths, she will get better and stronger with more racing, watch her closely here. 7 FESTIVAL CHIC is much better than her recent run, she drops in class and in trip which will give her a nice each way chance. (Brandon Bailey: 10 - 11 - 4 - 7)

The Pick 6 bet

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

BETTING MADE EASY!

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)
Easy permutation: 2 horses in each leg = R64
Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting.e.g. a R729 permutation taken for R60 will give you 8.23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6...If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

Khaya Stables is proud to announce its ongoing support of Grooms by adding cash incentives for the feature season.

Grooms in the top 5 positions of all feature races will receive cash prizes. These awards are poised to also acknowledge and applaud the pivotal role Grooms play in the sport and racing community.

We would like to acknowledge Khaya Stables for their continued support of Cape Racing and our grooms, the Unsung Heroes of the sport.

CONGRATULATIONS TO ALL OUR WINNERS

PREVIEW

6 GARRIX won his maiden very well on the 5th of November at Hollywoodbets Kenilworth, he quickened up like a smart horse in the making, there is no doubt he will love the step up in trip, include him into all bet types. 10 RICH FOLKS HOAX fought hard all the way to the line to exit the maiden ranks last time when beating Green Garnet by a long neck, he looks progressive and must be respected in a big way. 5 CARRIACOU ran a lovely race over 1600m on the 2nd of November behind Aspect, his form is good, and he will be finishing strongly late. 17 MARVEL WILLIAM ran a terrific race from a terrible draw in his last start behind Dawn Till Dusk, he unfortunately draws poorly again for this class 4 event which won't make life easy for him, if the race works out, he could have a money chance. (Brandon Bailey: 6 - 10 - 5 - 17)

The Trifecta bet

BETTING MADE EASY!

What is it? To Win a Trifecta, you have to predict the first 3 horses past the post in the exact order.

Why would I take one? All indicators are that there are 3 outstanding horses in the race. You could take the 3 as a boxed Swinger, but the Trifecta dividend invariably pays out much more than all three individual Swinger dividends combined! More risk, more reward!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Trifecta on. For a simple 'straight line' Trifecta, give your horse number for 'first' followed by your horse numbers for 'second' and for 'third'. If you're boxing, simply call your numbers and specify that you want them

boxed. End off by stating the amount you wish to spend - 'Full Unit', or a lesser 'Fractional' rand value. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

What's it cost? Your 3-horse 'straight line' Trifecta will cost R1 - but you must take it 6 times to meet the minimum bet requirement. To increase your chances of winning, you can 'box' your 3 horses, or more than 3 horses.

3 horses 'straight line' = R1 (take 6 times)
3 horses 'boxed' = R6
4 horses 'boxed' = R24
5 horses 'boxed' = R60

* 'Box' means to 'scramble' your selections so that all combinations are running for you. Each combination costs R1.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW									
4 ASIYE PHAMBILI ran a super race in the Listed Laisserfaire Stakes behind Miss Marguerite on the 9th of November when finishing second by a short head, she returned back to the races from a long break and she carried a huge weight of 63.5kgs on her back, she would have improved nicely from that run and there is no doubt she will take lots of beating in this Grade 3 event. 2 SUMMER LILY ran on powerfully in her last start, she has been very consistent through her career, and she must have a good money chance again. 1 MISS MARGUERITE will find it tough to win again now that she is worse off at the weights with a few of her rivals that she beat last time, but she is gutsy and will be trying hard. 5 MISS WORLD is way above average, if she can build on her last performance, she will go close. (Brandon Bailey: 4 - 2 - 1 - 5)

5 ORIENTAL CHARM has been rested for 154 days, it's great to have him back at the track after winning the Hollywoodbets Durban July in excellent fashion, he is a serious horse with plenty ability, if he doesn't need the run badly, he will be very hard to beat. 4 GREEN WITH ENVY ran a fair race in the Hollywoodbets Durban July, unfortunately things didn't go as planned for him in that Grade 1 event on the 6th of July, he is a horse with tons of ability, watch him late, he will be running on powerfully. 3 ROYAL AUSSIE needed his last start badly, he was only beaten just under three lengths by Rascalion in the Grade 3 Cape Mile, watch for sharp improvement, he will be right there in the finish. 1 WITHOUT QUESTION ran a decent race last time, on his best form he will have a nice place chance. PREVIEW

3 BEWARE THE BOMB really caught the eye in her last start behind Mon Petit Cherie on the 9th of November, she stayed on strongly to finish second in a close finish, now that the steps up in trip to 1600m, she will go very close to winning from a good draw. 11 GIMMIE'S COUNTLESS made up good ground in her last start from a wide draw in the Grade 2 Western Cape Fillies Championship, she should enjoy the extra trip now, watch her closely, she will be storming home late. 1 MON PETIT CHERIE quickened up in great fashion last time to win going away, she is clearly a filly with plenty ability, from a good draw with champion jockey Richard Fourie in the saddle, she must have a huge winning chance again. 13 FATAL FLAW won impressively on the Highveld last time, she will need lots of luck from a terrible draw, include her into all bets. (Brandon Bailey: 3 - 11 - 1 - 13)

PREVIEW

1 CALL TO UNITE ran a decent race in the Listed Woolavington Stakes last time behind Daimyo when finishing fourth, he quickens well and he stays well, there is no doubt he will be competitive in this small field. 3 LOVE IS A ROSE ran a great race last time when finishing second, her staying form is really good, she is extremely tough, on her best form she can win this race quite easily. 6 NAVY STRENGTH finished like a rocket in his last start to beat King Pelles over 1800m at Hollywoodbets Kenilworth, he races as if he will get the trip with no problems at all, he could be some value in a tricky looking race. 5 ALLEZ MORIS never runs a bad race, he could sneak into the Quartets. (Brandon Bailey: 1 - 3 - 6 - 5)

IMPORTANT NOTICE

Patrons are reminded that the picture displayed immediately after the running is NOT the official race result until such time the Judges post their findings and the "All Clear" is given.

PREVIEW

8 MAGIC VERSE was very unlucky in his most recent start behind Song To The Moon when finishing second, he currently races off a dangerous mark of 85, he should love the step up in trip to 2000m, he will go very close to winning if the race works out for him. 11 FUTURE TURN has been knocking on the door in a big way lately, again he unfortunately draws poorly, he should enjoy the extra trip and must be respected in this tricky looking contest. 1 LIGHTNING GLOW ran a much better race last time behind stable companion Navy Strength, he is a lovely looking individual that should be cherry ripe to run a cracker from a good draw. 9 JOIN THE DOTS has been in great form lately, if he can build on his last performance, he should earn. (Brandon Bailey: 8 - 11 - 1 - 9)

The Win bet

What is it? You must predict the first horse past the post – that's it!

Why would I take one? You have studied the racing information, or maybe you fancy a horse for no reason other than its look or name - but you think it can win the race.

What's it cost? A Win bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)... but you will get paid out 6 times the dividend if you win : 1 horse = R1 (take 6 times)

BETTING MADE EASY!

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Win on. Then give your horse number and the number of times you wish to take the bet (minimum 6 times). OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

TOTE

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

PREVIEW					
2 BIG UNIT quickened up like a very nice horse in his last start when winning a good race on the 16th of November at Hollywoodbets Kenilworth, he absolutely loves the 1400m trip, from a good draw here, he will be very hard to beat. 4 ROSH KEDESH had no luck in running from a terrible draw last time, he stayed on well late and was only beaten just over three lengths by Big Unit, now that he gets a good draw, he will be right there in the finish. 3 POWERANDTHEGLORY needed his last run badly, he moved up full of running through the 350m mark and then got tired very late, he is a horse with lots of ability, watch for big improvement on Saturday afternoon. 12 TOUT A FAIT will need luck in running from a wide draw, watch him closely late. (Brandon Bailey: 2 - 4 - 3 - 12)

PREVIEW

1 COSMIC SPEED makes his seasonal reappearance and has the disadvantageous number one draw but might be too good here.
2 CYMRIC has class and should go close in his third run of the season, although he also has a low draw. 4 RONDEBOSCH is on the up and could surprise. 6 BOSUM BUDDY could earn if reproducing her best. (1-2-4-6)

2 TO THE RESCUE should be coming into his own and can follow up off a four point higher mark. 3 ROYAL MAZARIN can get closer to To The Rescue this time. 6 DAMOVA has won her last two staying starts so is a runner here again off a five point higher mark. 1 BANHA BRIDGE returned to form off this mark last time so could be in the shake up. 2 FOSTINOVO should be cherry ripe and will appreciate the step up in trip and the pole position draw. 4 PRESSONREGARDLESS was disappointing last time but can do better although she has a tough draw. 5 RATTLE BAG will relish the course and distance and is only three points higher for her win last time. 8 LIBECCIO is drawn well over a suitable course and distance although this is her second run after a long layoff. 2 FRANCINE has to overcome a five point raise for her last win but is drawn towards the right side and could be coming into her own. 6 CALANTHA is 1,5kg better off with Francine for a 1,25 length beating. 7 KINGDOM OF GOLD has been disappointing but was not disgraced last time off this lowered merit rating and could bounce back. 9 WE WILL ROCK YOU can be in the shake up if repeating either of her last two starts. PREVIEW

11 TWICE AS WILD is in hardknocking form and is drawn on the right side. 2 FASTNET FILLY won her Highveld debut easily but now has to overcome a low draw, although her form has been franked and she looks to have a reasonable merit rating. 10 DANCING DORA is a consistent sort and is drawn on the right side and is only half-a-kilogram under sufferance. 5 QUASIKAT has run two good races and has a reasonable merit rating of 80 although the draw is on the low side.
