RESULT:

PREVIEW

TWICE THE TRINITY (6) made good improvement at his second start. That was in the soft and he can go one better. ASARULUDU (8) has finished runner-up in both starts on the poly. He has drawn widest but if he takes to the turf, he should be a big runner. RIO SUPREMO (7) is a long-time maiden but his best form has been on the turf and he goes well in the soft. L'ULTIMO (2) has been trying further but has shown recent improvement and could prefer this trip. (Andrew Harrison: 6-8-7-2).

The Bipot bet

BETTING MADE EASY!

What is it? To win a Bipot you must predict the winner or second-placed horse in all of the six consecutive races designated in the racecard as Bipot races.

Why would I take one? In a Pick 6, you have to predict six consecutive winners, whereas in the Bipot your selection can win **or** come second. In the Place Accumulator your selection can finish anywhere in the top three, but you must do that over **seven** consecutive races. The Bipot gives you an 'in-between' alternative.

What's it cost? Your straight line Bipot will cost you R1 but must be taken six times to satisfy the minimum bet requirement. You may include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line = R1 (take six times)**Easy permutation: 2 horses in each leg = R64**

Tip: if you want to cut down the cost of your permutation, use Fractional betting e.g. R64 permutation taken for R25 will give you 39.06% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Bipot bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value, OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

THE INTELLIGENT BET!

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

IMPORTANT NOTICE

Patrons are reminded that the picture displayed by GallopTV of race finishes is NOT the official race result until such time as the Judges post their findings and the "All Clear" is given.

COMMENT: Solid form – solid chance.**END RACE**

RESULT:

PREVIEW

CASH CRUSADE (2) was much improved last run when dropped back in trip. He gets a stronger rider aboard and looks competitive. LAW COURT (1) made a promising local debut in the soft. He is lightly raced and does appear to have further scope for improvement. BARBATTI (8) is seldom far off the pace and goes well this trip. His recent form is on the poly but he rates a strong chance from a very much in form stable. ALFATORIO (6) was not too far back on the poly last run but is another lightly race colt that can improve. END RACE

RESULT:

PREVIEW

JOHNNY'S HOPE (5) has only missed a cheque twice in seven outings. This trip should suit and he ran a smart race in first time blinkers in soft ground. LA DREAMER (3) was touched off over course and distance last start and there should be little separating her and TWICE AS PERFECT (2) with a head separating them when last they met. AGAMEMNON (7) was much improved last run in the soft over course and distance. He is lightly raced and may be coming to hand. (Andrew Harrison: 5-2-3-7).

The Pick 6 bet

BETTING MADE EASY!

What is it? In every race card there will be 6 consecutive races designated as the 'Pick 6' races. Your task is to predict the winners of all of those races.

Why would I take one? The Pick 6 is the BIG ONE. This is the one to catch. Lots of money to be made on this bet. Predicting 6 consecutive winners is never easy but is well worth a flutter, often returning a dividend many times bigger than the Jackpot.

What's it cost? Your straight line (1 horse in each leg) Pick 6 will cost you R1, but you need to take it 6 times to meet the minimum bet requirement of R6. To increase your chances of winning it is advisable to include more than one horse in any of the races i.e. a Permutation.

Costs:

Straight line (1 horse in each leg) = R1 (take 6 times)

Easy permutation: 2 horses in each leg = R64

Easy permutation: 3 horses in each leg = R729

Tip: If you want to cut down the cost of your Pick 6 permutation, use Fractional Betting, e.g. a R729 permutation taken for R60 will give you 8,23% of the bet.

How do I ask for it? You must tell the tote operator which venue you're betting on and the fact that you wish to take a Pick 6 bet. Then give your horse numbers stating clearly which horses are to be included in each leg. End off by stating the amount you wish to spend - Full Unit, or a lesser Fractional rand value, OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

First time runners rule in the Pick 6... If a horse that has not raced before wins a leg of the Pick 6, the first horse to finish of those in the race that has raced before will also qualify as a winner in the Pick 6.

Scratchings: There are no refunds on scratchings. If a horse is scratched in any leg it is automatically replaced with the Totalisator favourite.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.

THE INTELLIGENT BET!

IMPORTANT NOTICE

Patrons are reminded that the picture displayed by GallopTV of race finishes is NOT the official race result until such time as the Judges post their findings and the "All Clear" is given.

RESULT:

PREVIEW

GIAMBATTISTA (9) has drawn widest but has good form over course and distance and gets the benefit of a 2.5kg claimer. CARAMEL FUDGE (2) was a recent maiden winner over course and distance. That was at his third start and he can follow up. BLACKWHITEDYNAMITE (8) found market support last run and was touched off over the trip. He switches to turf but should still have a good chance. FIERY DUKE (7) has been in good form to weaker of late. He has a handy weight and is over his optimum trip. (Andrew Harrison: 9-2-8-7).

PREVIEW

ACACIA'S BLOSSOM (3) was run off her feet last outing over shorter but was running on in the finish. The extra furlong should suit. MVULAZANA (10) ran a cracker in a stronger field last run. She goes well over course and distance and last two starts were in the soft. A wide draw is a concern. SPIRITED FLIGHT (8) was a narrow maiden winner last start but at only her second outing. The step up in trip should suit. FEELING GROOVY (7) has been trying further. She steps up in class here but has a light weight and must have a decent winning chance. (Andrew Harrison: 3-10-8-7).

PREVIEW

CAPTAIN CASEY (6) has some smart form in good company and looks well weighted. He rates the one to beat. PYROMANIAC (1) raids from Gauteng where his last start was in the Gr1 Summer Cup. He is much more at home over this trip and from a good draw has a strong chance. FATHER'S FROST (2) has come well since returning from a lengthy break. He does step up in trip but also has a light weight and can surprise. MR GONZALES (8) seldom runs a bad race and has been in good form over a furlong shorter. This is his third run after a break. (Andrew Harrison: 6-1-2-8).

CANADIAN SUMMER (6) was just short of a run when runner-up at her last start. She is well weighted here and should make a bold bid. SOUND OF WARNING (7) is useful and found her best form when winning last time out. She steps up in trip and must rate a strong chance. MACARA (3) is over her best course and distance and although back from a short break she should strip at her best. TOP ME UP HOLLY (1) is always game and goes well this trip. However, most of her recent form has been on the poly track. (Andrew Harrison: 6-7-3-1).

PREVIEW

EAU DE VIE (8) has been taking on much stronger at recent starts. This will be her third run after a lay-off and should strip at her peak. LADY MACBETH (1) showed signs of her best form when taking on much stronger last time out. She has a plum draw here and goes well this trip. DANSE MILORD (4) is taking time for her second win but has improved at her last two and has a strong money chance. ZINIKELLE (2) has improved since switching to the poly. She is back on turf here but is lightly raced and can improve with the experience. (Andrew Harrison: 8-1-4-2).

The Place bet

BETTING MADE EASY!

What is it? To win a Place bet you have to choose a horse that you think will finish in the first two if there are six or seven runners; in the first three if there are eight to fifteen runners; or in the first four if there are sixteen or more runners.

Why would I take one? You fancy a particular horse ...but you are not sure that it can win the race. You therefore take the safer option and bet your money on a horse to run a Place.

What's it cost? A Place bet on your horse will cost you R1- but remember, the minimum amount you may spend is R6. You will therefore have to take the bet at least 6 times (i.e. 6 bets)....but you will get paid out 6 times the

dividend if you win: 1 horse = R1 (take 6 times)

How do I ask for it? You must tell the tote operator which venue you're betting on and then which race number you wish to take a Place on. Then give your horse number and the amount you wish to spend. OR... You can mark this bet on a Betmark Card and hand it to the tote operator.

NOTE: You can also take an 'Each Way' or 'Win-Place' bet on your horse. This means you back it for Wins and Places simultaneously and in equal amounts. So, "R10 each way" on your horse means 10 Wins and 10 Places, and costs R20.

Scratchings: If your horse is scratched, you will receive a full refund.

Note: Dividends are paid out in respect of the official finishing position in each race, as determined by the judges.
